<i>Mark Snyder and Kenneth G. DeBono</i>	
The Functions of Attitudes	108
Identifying the Functions of Attitudes	110
Different Functions for Different People	111
Applying the Functional Approach: The Psychology of Advertising	113
The Functional Approach: Challenges and Prospects	120
References	123
II: COMPLIANCE AND CONFORMITY	
5. Self-Perception Theory: A Current Perspective	129
<i>Russell H. Fazio</i>	
The Motivation for Attitude Formation	131
The Absence Versus Presence of Behavior	135
Status of the Attitude Prior to Self-Perception	138
Status of the Attitude Following Self-Perception	140
Summary: Self-Perception Theory Now	143
References	147
6. The Effects of Collective Actions on the Attitudes of Individual Group Members: A Dissonance Analysis	151
<i>Mark P. Zanna and Gerald N. Sande</i>	
Experiment 1: The Induced Compliance Study	153
Experiment 2: The Free-Choice Study	158
General Discussion	160
References	162

7. Compliance Principles of Compliance Professionals: Psychologists of Necessity	165
<i>Robert B. Cialdini</i>	
The Principles, the Heuristics, and some Trigger Tactics	169
Conclusion	181
References	182
8. Goals and Strategies of Persuasion: A Cognitive Schema for Understanding Social Events	185
<i>Brendan Gail Rule and Gay L. Bisanz</i>	
Review of Major Trends in Extant Research	187
A Cognitive Approach	189
Our Research	190
Our Conclusions and Model	202
Final Remarks	203
References	204
9. Majority and Minority Influence: A Social Impact Analysis	207
<i>Sharon Wolf</i>	
Social Impact Theory	210
Alternative Models	224
Determinants of Strength	228
Concluding Remarks	230
References	232
10. Influence Processes, Problem Solving and Creativity	237
<i>Charlan J. Nemeth</i>	
Minority Influence	238
Theoretical Formulations and Empirical Evidence	240
Related Literature	243
Applications	244
References	245
11. Information and Affective Value: A Case for the Study of Individual Differences and Social Influence	247
<i>Richard M. Sorrentino and Rodney D. Hancock</i>	
Uncertainty Orientation	249
The Affiliation Motive as Affective Value	258
Conclusion	265
References	266

III. COMMENTARY

12. Social Influence Research: New Approaches to Enduring Issues	271
<i>Alice H. Eagly</i>	
Modes of Information Processing	273
Motivation for Information Processing	277
Individual Differences	278
Influence in Natural Settings	280
Social Roles and Social Influence	281
Conclusion	282
References	283
Author Index	287
Subject Index	297
