

## TABLE OF CONTENTS

### *Introduction*

History of Research .....	1
History and Circumstances of Discovery .....	19
Chronology of the Late Bronze Age in Atlantic Europe .....	24
Metallurgy of Late Bronze Age Metalwork (by J. P. Northover) .....	35
Construction of Atlantic Cauldrons and Buckets (by J. P. Northover) .....	37
Terminology .....	41

### *Part One: Atlantic Cauldrons*

Introduction .....	44
Cauldrons of Class A .....	45
Class A0 .....	47
Type Colchester .....	48
Distribution, Find-circumstances and Dating of Type Colchester .....	51
Distribution .....	51
Find-circumstances .....	51
Dating .....	51
Metallurgy of Type Colchester (by J. P. Northover) .....	54
Type Shipton-on-Cherwell .....	55
Variant Chard .....	56
Variant Derreen .....	57
Distribution, Find-circumstances and Dating of Type Shipton-on-Cherwell and its Variants .....	59
Distribution .....	59
Find-circumstances .....	60
Dating .....	61
Metallurgy of Type Shipton-on-Cherwell and its Variants (by J. P. Northover) .....	61
Class A1 .....	63
Type Tul-na-cros .....	63
Variant Isleham .....	70
Distribution, Find-circumstances and Dating of Type Tul-na-cros .....	73
Distribution .....	73
Find-circumstances .....	73
Dating .....	75
Metallurgy of Type Tul-na-cros and Variant Isleham (by J. P. Northover) .....	79
Class A2 .....	80
Type Portglenone .....	81
Fragments of Type Portglenone .....	87
Variant Dalduff .....	90

Distribution, Find-circumstances and Dating of Type Portglenone and its Variant Dalduff . . . . .	91
Distribution . . . . .	91
Find-circumstances . . . . .	92
Dating . . . . .	97
Metallurgy of Type Portglenone and Variant Dalduff (by J. P. Northover) . . . . .	102
Fragments Relating to Class A . . . . .	102
Sheet Fragments . . . . .	103
Ring Handles . . . . .	104
Comparative Typology and Chronology of Class A Cauldrons . . . . .	105
Origin of Class A Cauldrons . . . . .	106
Function of Class A Cauldrons . . . . .	114
Cauldrons of Class B . . . . .	126
Class B0 . . . . .	129
Type Cloonta . . . . .	129
Distribution, Find-circumstances and Dating of Type Cloonta . . . . .	131
Distribution and Find-circumstances . . . . .	131
Dating . . . . .	132
Class B1 . . . . .	134
Type Ballyshannon . . . . .	136
Distribution, Find-circumstances and Dating of Type Ballyshannon . . . . .	148
Distribution and Find-circumstances . . . . .	148
Dating . . . . .	149
Type Llyn Fawr . . . . .	149
Distribution, Find-circumstances and Dating of Type Llyn Fawr . . . . .	152
Distribution and Find-circumstances . . . . .	152
Dating . . . . .	153
Type Lisdromturk . . . . .	155
Distribution, Find-circumstances and Dating of Type Lisdromturk . . . . .	157
Distribution and Find-circumstances . . . . .	157
Dating . . . . .	157
Fragments of Class B1 . . . . .	157
Lost vessels of Class B1 . . . . .	158
Class B2 . . . . .	161
Type Battersea . . . . .	162
Fragments of Type Battersea . . . . .	165
Distribution, Find-circumstances and Dating of Type Battersea . . . . .	169
Distribution and Find-circumstances . . . . .	169
Dating . . . . .	170
Type Raffrey Bog . . . . .	170
Variant Ballyscullion . . . . .	174
Variant Sompting . . . . .	175
Variant Ballinvariscal . . . . .	176
Distribution, Find-circumstances and Dating of Type Raffrey Bog and its Variants . . . . .	177
Distribution and Find-circumstances . . . . .	177

Dating of Type Raffrey Bog .....	178
Fragments relating to Class B2 .....	178
Ring Handle .....	178
Sheet Fragments .....	178
Lost Vessels of Class B2 .....	181
Dating of Class B2 .....	181
Metallurgy of Class B1 and B2 Cauldrons (by J. P. Northover) .....	183
Class B3 .....	184
Type Kincardine Moss .....	186
Distribution, Find-circumstances and Dating of Type Kincardine Moss .....	187
Distribution and Find-circumstances .....	187
Dating .....	188
Metallurgy of Type Kincardine Moss (by J. P. Northover) .....	189
Comparative Typology and Chronology of Class B Cauldrons .....	189
Continental Affinities of Class B Cauldrons .....	192
Function of Class B Cauldrons .....	196
Atlantic Cauldrons of Peninsular Style from Spain, Portugal and France .....	199
Intact Cauldrons of Type Cabárceno .....	200
Distribution, Find-circumstances and Dating of Type Cabárceno .....	202
Distribution and Find-circumstances .....	202
Dating .....	203
Atlantic Vessel Fragments from Hoards .....	205
Distribution, Find-circumstances and Dating of Atlantic Vessel Fragments from Hoards .....	207
Distribution and Find-circumstances .....	207
Dating .....	208
Atlantic Vessel Fragments from Castros .....	209
Distribution, Find-circumstances and Dating of Atlantic Vessel Fragments from Castros .....	218
Distribution and Find-circumstances .....	218
Dating .....	219
Peninsular-Style Atlantic Vessel Fragments from France .....	227
Distribution, Find-circumstances and Dating of Atlantic Vessel Fragments from France .....	229
Distribution and Find-circumstances .....	229
Dating .....	229
Metallurgy of Atlantic Cauldrons of Peninsular Style .....	230
Origin of Atlantic Cauldrons of Peninsular Style .....	230
Function of Atlantic Cauldrons of Peninsular Style .....	231
 <i>Part Two: Atlantic Buckets</i>	
Introduction .....	236
Danubian-Style Series .....	237
Type Nannau-Dowris .....	238
Variant 'W.15' .....	242
Distribution, Find-circumstances and Dating of Type Nannau-Dowris and its Variant 'W.15' .....	244

Distribution and Find-circumstances . . . . .	244
Dating . . . . .	244
Type Cape Castle . . . . .	246
Distribution, Find-circumstances and Dating of Type Cape Castle . . . . .	249
Distribution and Find-circumstances . . . . .	249
Dating . . . . .	250
Metallurgy of Buckets of the Danubian-Style Series (by J. P. Northover) . . . . .	251
Hiberno-British Series . . . . .	252
Type Derrymacash . . . . .	253
Distribution, Find-circumstances and Dating of Type Derrymacash . . . . .	256
Distribution and Find-circumstances . . . . .	256
Dating . . . . .	257
Type Bagmoor . . . . .	257
Distribution, Find-circumstances and Dating of Type Bagmoor . . . . .	258
Distribution and Find-circumstances . . . . .	258
Dating . . . . .	258
Type Hatfield . . . . .	258
Distribution, Find-circumstances and Dating of Type Hatfield . . . . .	261
Distribution and Find-circumstances . . . . .	261
Dating . . . . .	262
Type Downhill . . . . .	263
Distribution, Find-circumstances and Dating of Type Downhill . . . . .	265
Distribution and Find-circumstances . . . . .	265
Dating . . . . .	265
Type Heathery Burn . . . . .	265
Distribution, Find-circumstances and Dating of Type Heathery Burn . . . . .	269
Distribution and Find-circumstances . . . . .	269
Dating . . . . .	270
Handle Fragments of Hiberno-British Buckets . . . . .	271
Metallurgy of Hiberno-British Buckets (by J. P. Northover) . . . . .	277
Possible Fragments of Atlantic Buckets and lost Buckets of unknown Type . . . . .	278
Ring Handles . . . . .	278
Lost Bucket of unknown Type . . . . .	279
Discussion of Atlantic Buckets . . . . .	280
Comparative Typology and Chronology of Atlantic Buckets . . . . .	280
Continental Background and Origin of Atlantic Buckets . . . . .	286
Late Bronze Age Buckets of Type Kurd/Hosszúpályi and their Relation to Atlantic Buckets of Danubian-Style . . . . .	288
Iron Age 'Kurd' Buckets and their Relation to Hiberno-British Buckets . . . . .	298
Function of Atlantic Buckets . . . . .	312
<i>Part Three: Unclassifiable Fragments and Lost Vessels</i>	
Introduction . . . . .	321

Unclassifiable Fragments .....	321
Riveted Sheet Fragments .....	321
Sheet Fragments without Rivets .....	325
Unfinished Circular Patches or Base Sheets .....	327
Unclassifiable Ring Handles .....	328
Lost Vessels of unknown Type .....	329
<i>Summary</i> .....	331
Atlantic Cauldrons .....	332
Cauldrons of Class A .....	333
Cauldrons of Class B .....	338
Atlantic Cauldrons of Peninsular Style .....	340
Atlantic Buckets .....	343
Danubian-Style Buckets .....	343
Hiberno-British Buckets .....	345
Continental Affinities and Origin of Atlantic Buckets .....	346
Unclassifiable Fragments and lost Vessels .....	350
<i>Appendices</i>	
1: Metal Analysis of Cauldrons and Buckets (by J. P. Northover) .....	352
2: Non-Atlantic Sheet Bronze Vessels of Late Bronze and Early Iron Age Date from Britain .....	366
3: Irish and British Cauldrons of the Later Iron Age .....	374
4: Late Bronze Age Kurd and Hosszúpályi Buckets and Type Sümeg and Sipbachzell Cauldrons from the Continent .....	382
5: Iron Age Kurd Buckets and Vessels with Base Plates from the Continent .....	392
6: Wooden Cauldrons from Ireland .....	398
<i>Abbreviations and Indices</i>	
Index of Abbreviations .....	402
Index of Abbreviations of Publications .....	403
Ancient Sources .....	403
Monographs and Articles .....	403
Periodicals, Series and Corpora .....	430
Museums and Collections .....	436
Index of Abbreviations of Sites on Plate 144 .....	438
Index of Places .....	439
Sources of Photographs on Plates 1 to 167 .....	446
<i>Plates 1–167</i>
