Preface	
Acknowledgements	
List of Plates	
Framework	1
Part I: Natural Biogeography	6
1 The organism scale	7
2 The ecosystem scale	54
3 The biome scale	90
Part II: Cultural biogeography	149
4 Pre-agricultural man's effects on plants and animals.	151
5 The domestication of plants and animals.	163
6 Man and biota in pre-industrial times.	192
7 Industrialization and biota.	204
8 The inadvertent creation of new biotic patterns.	230
9 Man's deliberate creation of new biotic patterns.	256
10 Productive resource processes underlain by biota.	273
11 Protective resource processes underlain by biota.	314
12 The ecology of man in his environment.	331
Glossary	347
Bibliography	353
Index	379
