### DEVELOPMENT AND REDISTRIBUTION OF POPULATION AND LABOR FORCE IN AGRARIAN REGIONS: SOCIALIST COUNTRIES

Weber, E.

Aspects of agrarian labor force development and  
redistribution in the GDR

12

Känel, A. v.

Center-periphery development in settlement systems  
in the Northern Districts of the GDR

21

Marksoo, A.

The redistribution of population in agrarian  
regions and problems of territorial planning

22

Vaitekūnas, S.

Redistribution of population and labor forces in  
the rural areas of the Lithuanian SSR

32

Sárfalvi, B.

The effect of the separation of dwelling place  
and work place on the development of the rural  
settlements

37

Klemenčič, V.

Causes of social-geographic changes and valuation  
of urbanization in rural-urban migrational  
processes in Slovenia

43

Gosar, A.

Yugoslav countryside in transition, due to tem-  
porary migration of labour to neighbouring  
countries

55

Yan, X.

The fundamental way out for surplus rural labour  
force in China

71

# DEVELOPMENT AND REDISTRIBUTION OF POPULATION AND LABOR FORCE IN AGRARIAN REGIONS: CAPITALIST COUNTRIES

Bähr, J.; Gans, P.

Differences between rural and metropolitan areas  
in the FRG with regard to population change and  
development of the labour market 80

Nein, D.

The agricultural population in France 93

Sauberer, M.

The pattern of population and workforce dynamics  
in rural regions since 1945 : the case of Austria 106

Higuera-Arnal, A.

Experiences of population redistribution in  
Spanish agricultural regions 107

Paus-Pujol, M. C.

Present situation of agricultural active  
population in Spanish rural areas 108

Karjalainen, E.

Areal trends in population and the labour force  
in Finland from the viewpoint of migration;  
an example from Kuusamo 119

## REDISTRIBUTION OF AGRARIAN LABOR FORCE AND URBANIZATION: THEORETICAL AND METHODOLOGICAL APPROACHES

Jagielski, A.

Issues in the contemporary population geography  
of the rural areas in Poland 133

Korcelli, P.

Interregional patterns of population change in  
Poland 143

Kupiszewski, M.

Two patterns of rural-urban migration: 1978 and  
1983. A modelling approach 155

Vartiainen, P.

The idea of counterurbanisation and rural  
Finland : a case study of North Karelia after the  
mid-1970s 165
