

1	Introduction	
	DIETRICH DENECKE and GARETH SHAW	1
Part One Recent trends in urban historical geography		
2	Research in British urban historical geography	
	RICHARD DENNIS and HUGH PRINCE	9
3	Research in German urban historical geography	
	DIETRICH DENECKE	24
Part Two The evolution of urban settlement and the development of the medieval town		
4	The town in the Norman colonisations of the British Isles	
	BRIAN GRAHAM	37
5	Urban archaeological research in Germany: a regional review of medieval topographic development	
	HANS STEPHAN	53
6	Recent developments in early medieval urban history and archaeology in England	
	CHRIS DYER	69
7	Urban archaeology in Germany and the study of topographic, functional and social structures	
	HEIKO STEUER	81

- 8 English medieval town planning
TERRY SLATER 93

Part Three Social areas and social patterns

- 9 Economy and society in eighteenth-century English towns:
Bristol in the 1770s
ELIZABETH BAIGENT 109
- 10 Social status and place of residence in preindustrial German
towns: recent studies in social topography
DIETRICH DENECKE 125
- 11 The economic and social spatial structure of an early industrial
town: Aachen
CLAUDIA ERDMANN 141
- 12 The social geography of nineteenth-century British cities: a
review
COLIN POOLEY and RICHARD LAWTON 159
- 13 Patrician urban landlords: research on patronal relations in
nineteenth-century 'estate towns' in the British Isles
LINDSAY PROUDFOOT 175

Part Four Urban functional change

- 14 The development of urban centrality in England and Wales
HAROLD CARTER 191
- 15 The persistence and dynamics of office functions in West
German cities since the late nineteenth century
HEINZ HEINEBERG and NORBERT DE LANGE 211
- 16 Recent research on the commercial structure of nineteenth-
century British cities
GARETH SHAW 236

Part Five Urban morphology and the historicity of townscape

- 17 Morphogenesis, morphological regions and secular human
agency in the historic townscape, as exemplified by Ludlow
M. R. G. CONZEN 253
- 18 The metrological analysis of early modern planned towns
JÜRGEN LAFRENTZ 273
- 19 Recent developments in urban morphology
JEREMY WHITEHAND 285

- 20 Historical geography and conservation planning in British towns**
TERRY SLATER and GARETH SHAW **297**

Part Six Conclusions

- 21 Future developments in Anglo-German studies of urban historical geography**
DIETRICH DENECKE and GARETH SHAW **317**
