

TABLE OF CONTENTS

Preface and Acknowledgements	vii
PART I. RESEARCH IN CLIMATE CHANGE AND SOCIETY: TWO PERSPECTIVES	1
ROBERT S. CHEN / Introduction to Part I	1
ELISE BOULDING / Setting New Research Agendas: A Social Scientist's View	3
STEPHEN H. SCHNEIDER / CO ₂ , Climate and Society: A Brief Overview	9
PART II. RESEARCH IN CLIMATE CHANGE AND SOCIETY: INDIVIDUAL CONTRIBUTIONS	17
ROBERT S. CHEN / Introduction to Part II	17
RICHARD A. WARRICK and WILLIAM E. RIEBSAME / Societal Response to CO ₂ -Induced Climate Change: Opportunities for Research	20
THEODORE K. RABB / Climate Society in History: A Research Agenda	62
THEODORE K. RABB / Bibliography	77
DEAN MANN / Research on Political Institutions and Their Response to the Problem of Increasing CO ₂ in the Atmosphere	116
EDITH BROWN WEISS / International Legal and Institutional Implications of an Increase in Carbon Dioxide: A Proposed Research Strategy	148
BARUCH FISCHHOFF and LITA FURBY / Psychological Dimensions of Cli- matic Change	180
WILLIAM I. TORRY / Anthropological Perspectives on Climate Change	208
ROBERT S. CHEN / Interdisciplinary Research and Integration: The Case of CO ₂ and Climate	230
Index	249
