Fostering language teaching efficiency through cognitive linguistics: Introduction 1
*Frank Boers, Antoon De Rycker and Sabine De Knop*

## Part I

The importance of usage-based language acquisition, but why it may not suffice in contexts of *second* language learning

Language in the mind                                                              29
*John Taylor*

Phrasal verbs in EFL course books                                               59
*Rafael Alejo, Ana Piquer and Guadalupe Reveriego*

Basic-level salience in second language vocabulary acquisition                  79
*Xia Xiaoyan and Hans-Georg Wolf*

Does ‘chunking’ foster chunk-uptake?                                            99
*Helene Stengers, Frank Boers, Alex Housen and June Eyckmans*

## Part II

How Cognitive Linguistics can inform decisions about *what to teach*

Having many meanings: A corpus study of Spanish EFL writers’ construals with *have* 121
*JoAnne Neff-van Aertselaer and Caroline Bunce*
Seven events in three languages: Culture-specific conceptualizations and their implications for FLT
Zhuo Jing-Schmidt

Canonicity and variation in idiomatic expressions: Evidence from business press headlines
Honesto Herrera and Michael White

The use of metaphor and metonymy in academic and professional discourse and their challenges for learners and teachers of English
Jeannette Littlemore, Phyllis Chen, Polly Liyen Tang, Almut Koester and John Barnden

Argument constructions and language processing: Evidence from a priming experiment and pedagogical implications
David Eddington and Francisco Ruiz de Mendoza

Choosing motivated chunks for teaching
Frank Boers, Julie Deconinck and Seth Lindstromberg

Part III
How Cognitive Linguistics can inform decisions about how to teach

Fostering the acquisition of English prepositions by Japanese learners with networks and prototypes
Kanako Cho

A prototype approach to auxiliary selection in the Italian passato prossimo
Phillip Hamrick and Salvatore Attardo

Obstacles to CM-guided L2 idiom interpretation
Ying-Hsueh Hu and Yu-Ying Fong
