Highland Africa: The East
Highland Africa: The South

3 THE WINDS OF CHANGE 246

The Colonial Matrix
Islands of Development
African Subsistence Economies

THE INDUSTRIAL BASE 262

Energy and mineral resources map 263

Energy Sources
Minerals and Metals
Economic Patterns

4 A QUESTION OF COLOR 265

Apartheid: A Geographical Solution to
Racial Prejudice
Economic Integration, Spatial Segregation

Bibliography 269

LATIN AMERICA 271

Political divisions map 274

1 DISCOVERY, CONQUEST, COLONIZATION 276

The Caribbean Experiment
The Conquest of Mexico
The Conquest of Peru
The Portuguese in Brazil
The New World in 1600
Colonial Development and Culture Change
Independence in Latin America

REGIONAL PATTERNS 288

Physical features map 289

Population density map 290

Middle America and the Caribbean
South America

2 SOCIETY, POPULATION, AND REGIONAL DEVELOPMENT 301

The Social Matrix
Population Growth and Urbanization
Primacy and Regional Development

THE INDUSTRIAL BASE 315

Energy and mineral resources map 316

Energy Sources
Minerals and Metals

3 A MIXING OF RACES 318

Race and Assimilation
Social Races

Bibliography 322

*color essay: THE QUALITY OF LIFE
Ghetto Life in New York | The Ruhr |
The Japanese Rice Cycle
follows page 432*

THE TECHNOLOGICAL WORLD

324

WESTERN EUROPE 327

Political divisions map 331

1 THE ASCENT OF EUROPE 332

The Beginnings of Industrialization

The Spread of Industrialization to the Continent

The International Economy

The Proud Tower: Society in Change

The Decline of Europe

REGIONAL PATTERNS 351

Physical features map 353

Population density map 354

The British Isles

Scandinavia

Continental Europe

Mountain Europe

The Mediterranean

2 THE QUEST FOR UNITY 368

Economic Integration

Pursuit of Affluence

Industrial Resurgence

Modern Agriculture

Environmental Pollution

A New World Role

THE INDUSTRIAL BASE 381

Energy and mineral resources map 383

Preindustrial Patterns

The Industrial Revolution

Energy Sources

Minerals and Metals

Bibliography 385

RUSSIA 387

Political divisions map 390

1 THE MODERNIZATION OF RUSSIA 392

The Legacy of the Tsars

The Beginnings of Communist Rule

Collectivization and Industrialization (1928–1940)

REGIONAL PATTERNS 405

Physical features map 406

Population density map 410

The Fertile Triangle

The Russian North

The Southern Periphery

2 THE SOVIET STATE 416

Rebuilding

The Soviet Economic Order

Toward a Homogeneous Society

Dissent and Detente

THE INDUSTRIAL BASE 434

Energy and mineral resources map 436

Energy Sources

Minerals and Metals

Bibliography 439

JAPAN 441

Political divisions map 445

1 THE MODERNIZATION OF JAPAN 446

The Tokugawa Inheritance

The Meiji Restoration

Expansion and Empire

REGIONAL PATTERNS 458

Physical features map 460

Population density map 462

Hokkaido

Tohoku

Central and Southwestern Japan

2 THE INDUSTRIAL STATE 464

Rich Nation, Strong Enterprise

Zone of Emptiness

THE INDUSTRIAL BASE 477

Energy and mineral resources map 478

Energy Sources

Minerals and Metals

Bibliography 479

NORTH AMERICA 481

Political divisions map 485

1 THE FIRST NEW NATIONS 486

Colonial Beginnings

Forging a Nation

The Rise of Sectional Economies

Centennial

REGIONAL PATTERNS 513

Physical features map 515

Population density map 517

The Canadian Northlands

French Canada

New England and the Atlantic Provinces

The Industrial North

The South

The Central Plains

The West

2 MODERN NORTH AMERICA 530

The Drive to Maturity

The Urban World

The Distribution of Wealth

The Search for Quality

Bicentennial

THE INDUSTRIAL BASE 555

Energy and mineral resources map 556

Energy Sources

Minerals and Metals

Bibliography 563

GLOSSARY 565

INDEX 579
