Learning from Errors, Surprise or rather from Errorless Training? Reflections on Basic and Applied Research9

Eveline Wuttke and Jürgen Seifried

1 What's Wrong With It? – Kinds and Inferential Mechanics of Errors and Mistakes13

Gerhard Minnameier

- 1.1 Problems: How to Get Wrong Things Wrong..... 13
- 1.2 Inferences: How to Get It Right 15
- 1.3 Mistakes: How to Get It Wrong 20
- 1.4 Errors: How to be Right and Still Go Wrong..... 24
- 1.5 Instruction and Construction: How to Get It Right 25

2 Learning from Mistakes – till a Challenge for Research and Business Practice.....31

Christian Harteis and Katrin Buschmeyer

- 2.1 Introduction 31
- 2.2 Mistakes and Business Organisation 32
- 2.3 Explanations 34
- 2.4 State of Educational Research 41
- 2.5 Challenges for Research and Business Practice 43
- 2.6 Conclusion..... 45

3 Learning from Errors – Strategies for Accounting Lessons – Outline of a Research Project.....49

Maxi Link

3.1	The Need for a Cognitive Perspective on Learning from Errors.....	49
3.2	The Inferential Access: Identifying, Classifying and Dealing with Errors	50
3.3	Methodological Approach: The Instructional Support and Analysis of Learning from Errors	55
3.4	Prospects to Realizing the Research Project	61

4 The Student Perspective on Dealing with Errors in Mathematics Class65

Aiso Heinze, Stefan Ufer, Stefanie Rach and Kristina Reiss

4.1	Introduction	65
4.2	Theoretical Background	65
4.3	Aims and Research Questions	68
4.4	Method	69
4.5	Results	71
4.6	Discussion	76

5 Negative Knowledge of Primary School Teachers – Results from an Explorative Study81

Martin Gartmeier, Katharina Lorenzer, Hans Gruber and Helmut Heid

5.1	Introduction	81
5.2	Theoretical Background	82
5.3	Method	85
5.4	Results	86

5.5	Discussion	89
5.6	Conclusion.....	91

6 Teachers’ Knowledge about Domain Specific Student Errors.....95

Janosch M. Türling, Jürgen Seifried and Eveline Wuttke

6.1	Professional Error Competence (PEC).....	95
6.2	Student Errors in the Domain of Bookkeeping	97
6.3	Method	99
6.4	Findings.....	102
6.5	Conclusion.....	106

7 Errors, Emotions, and Learning in the Workplace – Findings from a Diary Study within VET111

Andreas Rausch

7.1	Learning from Errors in the Workplace	111
7.2	Data and Method	114
7.3	Results	119
7.4	Discussion	122

8 Professional Handling of Errors in the Workplace 127

Alexander Baumgartner and Jürgen Seifried

8.1	Introduction	127
8.2	Professional Competence of Company Trainers	128
8.3	Concept of an Empirical Study for Measuring Company Trainers’ Error Competence.....	131
8.4	Summary and Outlook.....	138

**9 Learning From Errors – Perspectives from
Basic Research.....143**

Andy J. Wills

9.1	Introduction	143
9.2	The Importance of Errors	143
9.3	The Importance of Elaborated Feedback.....	146
9.4	The Importance of Extended Practice	149
9.5	Conclusion.....	151
