Preface .....	v
1. Introduction .....	1
2. Basic concepts .....	3
2.1 Space and its perception .....	3
2.1.1. Space and environment .....	3
2.1.2. How space is perceived .....	4
2.1.3. Life space .....	5
2.2. Territory definitions .....	7
2.2.1. Definition situation .....	7
2.2.2. Necessity of defense? .....	8
2.2.3. Human definitions .....	9
2.2.4. Definition for present survey .....	10
2.2.5. Some terms with territorial connotation .....	12
2.3. Sciences of territory .....	13
2.3.1. Cross-discipline aspect .....	13
2.3.2. Anthropology and geography .....	14
2.3.3. Psychology and ethology .....	15
2.3.4. Sociology, ecology and territorology .....	16
2.4. Instinct and aggression .....	17
2.4.1. History of instinct .....	17
2.4.2. Ethologists and anti-ethologists .....	19
2.4.3. Instinct in man .....	21
2.4.4. Aggressive behaviour and instinct .....	23
2.4.5. Function of aggression .....	25
3. Animal territories .....	27
3.1. Characteristic features .....	27
3.1.1. Territory types .....	27
3.1.2. Form, size and exclusiveness of territories .....	28
3.1.3. Instinctiveness and origin of territoriality .....	30
3.2. Territories in birds and mammals .....	31
3.2.1. Discovery of bird territories .....	31

3.2.2.	Variations of bird territoriality	.. .. .	32
3.2.3.	Mammalian territory traits	.. .. .	33
3.2.4.	Primate territoriality in general	.. .. .	35
3.2.5.	Territories of anthropoid apes	.. .. .	37
3.2.6.	Primate territoriality concluded	.. .. .	39
3.3.	Significance of animal territories	.. .. .	39
3.3.1.	General context	.. .. .	39
3.3.2.	Population regulation	.. .. .	41
3.3.3.	Animal territoriality importance concluded	.. .. .	44
4.	Territory in man	.. .. .	47
4.1.	"Primitive" territories	.. .. .	47
4.1.1.	Human and animal	.. .. .	47
4.1.1.1.	Taxonomic position of <i>Homo sapiens</i>	.. .. .	47
4.1.1.2.	Specific characters of man	.. .. .	48
4.1.1.3.	The comparative method	.. .. .	49
4.1.1.4.	Analogy and homology	.. .. .	50
4.1.1.5.	Animal and human territoriality	.. .. .	51
4.1.2.	The background for territory in children	.. .. .	53
4.1.2.1.	Development	.. .. .	53
4.1.2.2.	Imprinting	.. .. .	55
4.1.2.3.	Child territoriality	.. .. .	58
4.1.3.	Territory in the mentally deficient	.. .. .	60
4.1.3.1.	Abnormality and instinct	.. .. .	60
4.1.3.2.	Psychopathological children	.. .. .	61
4.1.3.3.	Abnormal adults	.. .. .	64
4.1.4.	Early man's territories	.. .. .	66
4.1.4.1.	Stone Age spatial behaviour	.. .. .	66
4.1.4.2.	Critics and defenders of early territoriality	.. .. .	68
4.1.5.	Territory in "primitive" societies	.. .. .	70
4.1.5.1.	Primitivity and knowledge of "primitive" peoples	.. .. .	70
4.1.5.2.	Territoriality in hunters and gatherers	.. .. .	72
4.1.5.3.	Territories in pastoralists and agriculturalists	.. .. .	73
4.1.5.4.	Africa	.. .. .	74
4.1.5.5.	Asia	.. .. .	76
4.1.5.6.	Australia	.. .. .	78
4.1.5.7.	America	.. .. .	81
4.2.	Rural territories	.. .. .	83
4.2.1.	Property in land	.. .. .	83

4.2.1.1.	Concept of property	83
4.2.1.2.	Instinctive character of property	84
4.2.1.3.	Individual and social landownership	86
4.2.1.4.	Terminology and territorology	87
4.2.2.	Boundaries and markings	90
4.2.2.1.	Boundaries and frontiers	90
4.2.2.2.	Acquisition of virgin land	92
4.2.2.3.	Peripheral markings	93
4.2.2.4.	Central markings	94
4.2.2.5.	Enuresis and encopresis in children	95
4.2.2.6.	Adult excretion, criminality and territoriality	97
4.2.3.	Farm, village and larger rural units	99
4.2.3.1.	The farmyard	99
4.2.3.2.	Villages	100
4.2.3.3.	The state and other large units of land	101
4.2.3.4.	Political systems and territoriality	103
4.2.4.	War	104
4.2.4.1.	Innate factors	104
4.2.4.2.	Aggression theory	105
4.2.4.3.	Territoriality and character of war	107
4.2.5.	Homelove, migration and homesickness	109
4.2.5.1.	Homelove	109
4.2.5.2.	Migration and mental problems	111
4.2.5.3.	Homesickness – the Swiss disease	113
4.3.	Urban territories	116
4.3.1.	Historical comments	116
4.3.1.1.	Definitions and terms	116
4.3.1.2.	The urban origin	117
4.3.1.3.	Oriental and Greek cities	119
4.3.1.4.	Roman cities, medieval cities and old city figures	120
4.3.2.	Factors of urbanization	123
4.3.2.1.	The ural-urban complex	123
4.3.2.2.	Urbanization development	124
4.3.2.3.	Territoriality and urbanization	126
4.3.3.	Cities and space	128
4.3.3.1.	General remarks	128
4.3.3.2.	The city as a point and as an area	129
4.3.3.3.	Limit and form of cities	131
4.3.3.4.	City structure	132
4.3.4.	From little town to megalopolis	134

4.3.4.1.	People and density	.. .. .	134
4.3.4.2.	The giant city	.. .. .	135
4.3.4.3.	Attraction and repulsion of large cities	.. .. .	137
4.3.5.	Urban core and suburb	.. .. .	139
4.3.5.1.	Content of the core	.. .. .	139
4.3.5.2.	Suburbs and satellites	.. .. .	140
4.3.5.3.	Suburban territories	.. .. .	142
4.3.6.	Garden city, garden colony and summer villa	.. .. .	143
4.3.6.1.	Garden and garden city	.. .. .	143
4.3.6.2.	Garden colony movement	.. .. .	146
4.3.6.3.	Countryside second homes	.. .. .	147
4.3.7.	Park, square and street	.. .. .	149
4.3.7.1.	Open space	.. .. .	149
4.3.7.2.	Public parks	.. .. .	149
4.3.7.3.	Territoriality in American and Swedish parks	.. .. .	151
4.3.7.4.	The square	.. .. .	152
4.3.7.5.	Territorial comparison of a park and a square in Stockholm	.. .. .	153
4.3.7.6.	The street	.. .. .	155
4.3.7.7.	Different street use	.. .. .	156
4.3.7.8.	Special street group territories	.. .. .	157
4.3.8.	Urban subdepartments	.. .. .	159
4.3.8.1.	The neighbourhood	.. .. .	159
4.3.8.2.	District and block	.. .. .	160
4.3.8.3.	Ghettos	.. .. .	161
4.3.8.4.	Slums and gangs	.. .. .	163
4.3.8.5.	Squatter settlements	.. .. .	165
4.3.9.	Ground, house and flat	.. .. .	166
4.3.9.1.	Origin and defense of house	.. .. .	166
4.3.9.2.	Marking and limiting of house	.. .. .	168
4.3.9.3.	Ground delimitation	.. .. .	169
4.3.9.4.	Single house and flat	.. .. .	170
4.3.10.	Room	.. .. .	173
4.3.10.1.	Requirements of rooms	.. .. .	173
4.3.10.2.	The major space	.. .. .	175
4.3.10.3.	Offices	.. .. .	176
4.3.10.4.	Territorial furniture	.. .. .	177
4.3.10.5.	Seating arrangements	.. .. .	179
4.3.11.	Confinement settings	.. .. .	181

	4.3.11.1. Isolation and the nervous system ..	181
	4.3.11.2. Experimental confinement .. ..	182
	4.3.11.3. Psychiatric hospitals .. .. .	185
	4.3.11.4. "Nestling" patients .. .. .	187
	4.3.11.5. Prison and prisoners .. .. .	188
	4.3.12. Urban pathology and territoriality .. .. .	191
	4.3.12.1. Cities and crime .. .. .	191
	4.3.12.2. Urban mental disorder .. .. .	193
	4.3.12.3. Explanations of urban pathology ..	195
4.4.	Special territories .. .. .	198
	4.4.1. Tombs .. .. .	198
	4.4.1.1. Interment and cemetery .. .. .	198
	4.4.1.2. Tomb as house and home ..	199
	4.4.1.3. Marking and defending territories of the dead .. .. .	200
	4.4.2. Play and game territories .. .. .	201
	4.4.2.1. Meaning of play .. .. .	201
	4.4.2.2. Territorial plays and games .. ..	202
	4.4.2.3. Football and other areal games ..	203
	4.4.2.4. Chess .. .. .	205
	4.4.3. Territorial vehicles .. .. .	206
	4.4.3.1. Boats .. .. .	206
	4.4.3.2. Vertically moving vehicles .. ..	208
	4.4.3.3. Trains and automobiles .. .. .	208
	4.4.3.4. The car as territory .. .. .	211
	4.4.4. Jews and symbolic territory .. .. .	212
	4.4.4.1. The promised land .. .. .	212
	4.4.4.2. Torah as territory .. .. .	213
4.5.	Fundamental factors of behavioural territoriality ..	215
	4.5.1. Environment-behaviour basis .. .. .	215
	4.5.2. Biological background .. .. .	217
	4.5.2.1. Territorial instinct .. .. .	217
	4.5.2.2. Hereditary differences .. .. .	219
	4.5.2.3. Neural location .. .. .	220
	4.5.3. Territory characteristics .. .. .	221
	4.5.3.1. Territorial systems .. .. .	221
	4.5.3.2. Individual and social territories ..	223
	4.5.4. Territorial variability .. .. .	226
	4.5.4.1. Cultural variations .. .. .	226
	4.5.4.2. Social variations .. .. .	228
4.6.	Effects and functions of behavioural territoriality ..	229
	4.6.1. The causative aspect .. .. .	229

4.6.1.1.	Behavioural meaning and territorial need .. .. .	229
4.6.1.2.	Territory as information .. .. .	231
4.6.1.3.	Overstimulation and understimulation .. .. .	232
4.6.1.4.	Demands for room .. .. .	233
4.6.2.	Psychological needs .. .. .	234
4.6.2.1.	Identity and anonymity .. .. .	234
4.6.2.2.	Privacy and sociality .. .. .	236
4.6.2.3.	Security and anxiety .. .. .	240
4.6.3.	Population regulation .. .. .	243
4.6.3.1.	Distribution and increase of human population .. .. .	243
4.6.3.2.	Crowding and its symptoms .. .. .	245
4.6.3.3.	Regulation of populations .. .. .	247
4.6.3.4.	The population crisis and behavioural territoriality .. .. .	250
4.7.	Behavioural territoriality in the past, the present and the future .. .. .	253
4.7.1.	Genetic stability and environmental imprint .. .. .	253
4.7.2.	Territory and human evolution .. .. .	255
4.7.3.	Overpopulation and territoriality .. .. .	258
4.7.4.	Territory, conceptual space and human freedom .. .. .	261
5.	References .. .. .	263
6.	Summary .. .. .	305
7.	Postscript .. .. .	321
	Indices .. .. .	325
