## INTRODUCTION

Quantitative Approaches to Political Analysis: Some Past Trends and Future Prospects <i>Karl W. Deutsch</i> . . . . .	1
---	---

## 1. STATISTICAL MODELS AND DATA ANALYSIS

Introduction . . . . .	63
Steps Toward a Probabilistic Systems Theory of Political Behavior, with Special Reference to Integration Theory <i>Richard W. Chadwick</i> . . . . .	67
The Vietnam War from the 1968 Tet Offensive to the 1970 Cambodian Invasion: A Quantitative Analysis <i>Jeffrey S. Milstein</i> . . . . .	113
Twenty Years of Representative Democracy in Brazil, 1945–1964 <i>Simon Schwartzman</i> . . . . .	137

## 2. RATIONAL CHOICE THEORIES

Introduction . . . . .	165
Threat Games: a Comparison of Performance of Danish and American Subjects <i>Anatol Rapoport, Melvin Guyer and David Gordon</i> . . . . .	171

Campaign Strategies for Alternative Election Systems: Candidate Objectives as an Intervening Variable <i>Peter H. Aranson, Melvin J. Hinich and Peter C. Ordeshook</i> . . . . .	193
The Problem of Salience in the Theory of Collective Decisionmaking <i>Michael Taylor</i> . . . . .	231
<b>3. STRUCTURAL THEORIES</b>	
Introduction . . . . .	259
Toward the System Theory of Dependence: Further General Theoretical Remarks <i>František Charvát, Jaroslav Kučera and Miroslav Soukup</i> . . . . .	263
Everyday Life in Stochastic Networks <i>Harrison White</i> . . . . .	287
<b>4. SIMULATION MODELS</b>	
Introduction . . . . .	303
On Political Capabilities in a Schedule Sense: Measuring Power, Integration and Development <i>Hayward R. Alker, Jr.</i> . . . . .	307
Mathematical Modelling of Mobilization and Assimilation Processes <i>Raymond F. Hopkins</i> . . . . .	375
International Relations Simulations: A Summary <i>Paul Smoker</i> . . . . .	417
Author Index . . . . .	465
Subject Index . . . . .	473
