Preface ix

Analytical Table of Contents xi

1

The Connection Between the Theory of Social Choice and the Theory of Democracy 1

- 1.A The Attainability of Justice 3
- 1.B The Elements of Democracy 4
 - Participation 5
 - Liberty 6
 - Equality 7
- 1.C The Meaning of Democracy 8
- 1.D The Liberal Interpretation of Voting 8
- 1.E The Populist Interpretation of Voting 11
- 1.F Differences Between Liberal and Populist Interpretations of Voting 12
- 1.G The Vitality of the Liberal and Populist Interpretations of Voting 14
- 1.H The Paradox of Voting 16

2

Different Choices from Identical Values 21

- 2.A Evidence from Elections 22
- 2.B Evidence from Experiment 29

3

Simple Majority Decision 41

- 3.A Introductory Definitions 42
- 3.B Properties of Simple Majority Decision: Monotonicity 45

▼

- 3.C Violations of Monotonicity 47
 - Social Choices Operating on Two Alternatives 47
 - Social Choices Operating on More Than Two Alternatives 48
- 3.D Properties of Simple Majority Decision:
 - Undifferentiatedness (Anonymity) 51
- 3.E Properties of Simple Majority Decision: Neutrality 56
- 3.F Simple Majority Decision and Fairness 58
- 3.G Democratic Thought About Simple Majority Decision 59

 4

**Voting Methods with Three
or More Alternatives 65**

- 4.A Some Preliminaries 66
- 4.B Majoritarian Methods of Voting 67
- 4.C Examples of Majoritarian Methods 69
 - The Amendment Procedure 69
 - The Successive Procedure 73
 - Runoff Elections 74
 - The Copeland Rule 76
 - The Schwartz Rule 76
 - The Kemeny Rule 76
 - Conclusions 81
- 4.D Positional Methods of Voting 81
- 4.E Examples of Positional Methods 85
 - Plurality Voting 85
 - Approval Voting 88
 - The Borda Count 90
 - Conclusions 91
- 4.F Utilitarian Methods of Voting 95
- 4.G Examples of Utilitarian Methods 98
 - Summation of Cardinal Utility 98
 - Demand-revealing Methods 98
 - Multiplication of Utilities 98
 - Conclusions 98
- 4.H Criteria for Judging Voting Methods 99
 - Undifferentiatedness 99
 - Neutrality 99
 - Monotonicity 100
 - The Condorcet Criterion 100
 - Consistency 100
 - Independence from Irrelevant Alternatives 101
- 4.I Judgments on Voting Methods 101
 - Minor Violations of Fairness 101
 - Violation of Consistency by Majoritarian Methods 102
 - Violation of Independence by the Borda Count 105
 - Violation of Undifferentiatedness by Approval Voting 105
 - Violation of Independence by Utilitarian Methods 110

4.J The Absence of True and Fair Amalgamations 111

5

The Meaning of Social Choices 115

- 5.A Arrow's Theorem 115
- 5.B The Practical Relevance of Arrow's Theorem:
The Frequency of Cycles 119
- 5.C The Practical Relevance of Arrow's Theorem:
Conditions for Condorcet Winners 123
- 5.D The Theoretical Invulnerability of Arrow's Theorem: Independence 129
- 5.E The Theoretical Invulnerability of Arrow's Theorem: Transitivity 130
- 5.F The Theoretical Invulnerability of Arrow's Theorem:
Conditions on Social Choice 132
- 5.G The Absence of Meaning 136

6

The Manipulation of Social Choices: Strategic Voting 137

- 6.A The Elements of Manipulation 138
- 6.B The Universality of Strategic Voting 141
- 6.C Examples of Strategic Voting 145
 - In Plurality Voting 145
 - In an Open Primary 145
 - In Union Elections 151
 - In the U.S. House of Representatives 152
- 6.D The Consequences of Strategic Voting 156
- 6.E Vote-trading 157
- 6.F The Ineradicability of Strategic Voting 167

7

The Manipulation of Social Choices: Control of the Agenda 169

- 7.A The Universality of Agenda Control 170
- 7.B Examples of Agenda Control 173
 - In the Roman Senate 173
 - In a Contemporary Laboratory 174
- 7.C The Paucity of Equilibria 181
 - Disequilibrium in Three Dimensions 182
 - Conditions for Equilibrium 185
 - Complete Disequilibrium 186
- 7.D Practical Stability and Theoretical Instability 188
- 7.E The Fragility of Equilibria: An Example of the Introduction
of New Alternatives to Generate Disequilibrium 192

8

**The Natural Selection of Political Issues:
An Interpretation of
Political Disequilibrium 197**

- 8.A Disappointments with Disequilibria 198
- 8.B Voting Disequilibrium: What It Means to Lose 201
 - Losing Economically 201
 - Losing Politically 202
- 8.C Voting Disequilibrium: The Quantity and Quality
of Political Dissatisfaction 206
- 8.D The Consequences of Dissatisfaction: A Model of Political Change 208
- 8.E The Natural Selection of Issues 209
- 8.F Structural Regularities in Natural Selection 211

9

**Manipulation and the Natural Selection
of Issues: The Development of the
Issue of Slavery as a Prelude to the
American Civil War 213**

- 9.A The Appearance of Slavery as a National Political Issue 214
- 9.B Slavery as an Issue from the Ratification of the Constitution
Through the Missouri Compromise 215
- 9.C From the Missouri Compromise to the Gag Rule 219
- 9.D The Wilmot Proviso 223
- 9.E From the Wilmot Proviso to the Civil War 227

10

Liberalism, Populism, and the Theory of Social Choice 233

- 10.A The Adequacy of Voting 233
- 10.B The Rejection of Populism 238
- 10.C The Survival of Liberalism and Democracy 241
- 10.D Are Liberal and Populist Interpretations Compatible? 246
- 10.E The Preservation of Liberal Democracy 249
