Chapter 3: Can the Branch be Saved?	84
Always banking, never at a bank™	87
The core function of the branch in the 21st century	89

Branch innovations built to engage	96
What happens when they don't visit anymore?	112
Branch improvements today	116
Key lessons	118

Chapter 4: Onboard and Engaged—The Ecosystem for Customer Support

	120
The need for better support	120
Siri, Lola, Skype and VoIP	127
When a consumer wants to become a customer	132
Customer-centred means organisational change	135
Responsive architecture	148
Conclusions: Tactical channel improvement	151
Key lessons	153

Chapter 5: Web—Why Revenue is Still So Hard to Find...

	155
Why aren't we buying more online?	155
What sells online?	159
Screen (Web/Tablet/Mobile) first	171
Cross-sell to existing customers	174
Internet channel improvement today	178
Key lessons	180

Chapter 6: Mobile Banking—Already Huge and It's Just Getting Started

	181
The greatest device ever sold	181
The landscape	187
Bringing banking to the unbanked	192
What does the future hold?	199
Key lessons	204

Chapter 7: The Evolution of Self-Service	207
Self-service banking—where it all started	207
Are ATMs more than just cash dispensers?	209
The next 10 years	222
Conclusions	232
Key questions	233

Chapter 8: I Trust the Crowd, More Than I Trust the Brand	235
Social media grows up	235
What is it good for?	240
You can't control the crowd	242
Advocacy and influence—the real ROI	249
Crowdsourcing—use the power of crowd	258
Conclusions: What it all means	263

PART THREE: The Road Ahead—Beyond Channel

Chapter 9: Living with Continuous Technology Improvement	268
Faster, smaller, smarter	274
Enterprise-wide implications	282
Key lessons	286

Chapter 10: A Land in the Data Cloud	288
Big data	300
Augmented reality	304
Conclusions	307

Chapter 11: Engagement Banking: Building Digital Relationships	309
The era of customer engagement	309
Engaging in the dialogue	315
Risk mitigation versus ROI	323
Engaging the overwhelmed prosumer	324
