## Table of contents

<b>Dedication</b> .....	<b>V</b>
<b>Table of contents</b> .....	<b>VII</b>
<b>1. Introduction</b> .....	<b>1</b>
(1) Research background .....	1
(2) Research objectives .....	4
(3) Thesis structure .....	5
<b>2. The creation of value-added in multidivisional corporations</b> .....	<b>7</b>
2.1 Value-added in multidivisional corporations .....	7
2.1.1 The necessity to create value-added .....	8
(1) The multidivisional corporation as object of analysis .....	8
(2) Value-added as justification for the multidivisional corporation .....	10
(3) Forms of value-added .....	12
2.1.2 Value-added strategies .....	15
(1) Intrapreneurship strategy .....	15
(2) Synergy strategy .....	17
(3) Specialization strategy .....	18
2.1.3 Hybrid value-added strategies .....	19
(1) Incompatibility of the corporate center's role .....	20
(2) Limited flexibility in the case of synergy management .....	21
(3) The possibility of hybrid value-added strategies .....	22
2.2 Bundled business and intra-firm cooperation as manifestations of hybrid value-added strategies .....	24
2.2.1 Bundled business .....	25
(1) Synergy management elements of bundled business .....	26
(2) Intrapreneurship elements of bundled business .....	27
2.2.2 Intra-firm cooperation .....	28
(1) Synergy management elements of intra-firm cooperation .....	29
(2) Intrapreneurship elements of intra-firm cooperation .....	29
2.3 Organizational design variables: Interdependencies and charter overlap ..	30
2.3.1 Interdependencies as cooperative variable .....	31
(1) Interdependencies constructs .....	32
(2) Interdependencies as organizational design variable .....	34
2.3.2 Charter overlap as competitive variable .....	38
(1) Wanted intra-firm competition .....	38
(2) Charter overlap as organizational design variable .....	41
2.4 Summary: Hybrid value creation of multidivisional corporations .....	42
(1) Chapter synthesis .....	42

(2) Organizational control .....	43
<b>3. The organizational control repertoire and its role in hybrid value-added strategies .....</b>	<b>45</b>
3.1 Organizational control .....	46
3.1.1 The organizational control perspective.....	46
(1) Control in organizational research.....	47
(2) Control from the governance and competence perspective of the theory of the firm .....	49
3.1.2 Typology of control modes .....	52
(1) Output control .....	54
(2) Process control.....	56
(3) Self-organizing control.....	57
(4) Input control.....	59
3.2 Organizational control of bundled business .....	61
3.2.1 Background .....	62
(1) Literature review of bundled business .....	62
(2) Definitions and delimitations of bundled business.....	65
3.2.2 Illustration: Bundled business and firm performance .....	67
(1) Setting semiconductor industry .....	68
(2) Performance by bundle focus .....	70
(3) Companies with a mixed bundling focus are struggling.....	73
3.2.3 Delineation of control recommendations for bundled business .....	75
(1) Bundled business and interdependencies .....	75
(2) Interdependencies: Organizational control implications .....	78
3.3 Organizational control of intra-firm coopetition .....	81
3.3.1 Background .....	81
(1) Origins of coopetition: Literature review of inter-firm constellations .	82
(2) Literature review on intra-firm coopetition.....	83
3.3.2 Delineation of control recommendations for intra-firm coopetition ...	84
(1) Intra-firm coopetition and interdependencies.....	85
(2) Interdependencies: Organizational control implications .....	86
(3) Intra-firm coopetition and charter overlap: Introducing interest divergence.....	87
(4) Interest divergence: Organizational control implications.....	89
(5) A framework of coooperative constellations .....	91
3.4 Summary: Organizational control applied to the manifestations of hybrid value-added strategies .....	93
(1) Chapter synthesis .....	93
(2) Empirical case study.....	94

<b>4. Case study Platinum</b> .....	<b>97</b>
4.1 Empirical approach.....	97
(1) Case context and rationale for company selection .....	97
(2) Methodology .....	98
(3) Data collection .....	101
(4) Data analysis .....	104
(5) Rigor of empirical approach.....	106
4.2 Sub-Case 1: Effective organizational control of bundled business .....	108
4.2.1 The research question applied to bundled business .....	109
4.2.2 Findings.....	110
(1) Output control mechanisms at Platinum .....	111
(2) Process control mechanisms at Platinum .....	115
(3) Self-organizing control mechanisms at Platinum.....	117
(4) Input control mechanisms at Platinum .....	122
4.2.3 Discussion .....	125
(1) Divisions are tied in multiple layers of interdependencies .....	125
(2) Self-organizing and input control are effective for bundled business	127
(3) Bundled business has distinct control requirements.....	128
4.3 Sub-Case 2: Effective organizational control of constellations of intra-firm coepetition .....	130
4.3.1 The research question applied to intra-firm coepetition .....	131
4.3.2 Findings.....	131
(1) Transactional coexistence.....	132
(2) Cooperative coexistence.....	134
(3) Transactional rivalry .....	137
(4) Cooperative rivalry.....	139
4.3.3 Discussion .....	142
(1) Intra-firm coepetition is common .....	142
(2) Between two divisions more than one coepetitive constellation is possible .....	144
(3) Challenging constellations of intra-firm coepetition require self- organizing and input control.....	145
<b>5. Summary and implications</b> .....	<b>147</b>
(1) Summary of approach and findings .....	147
(2) Research limitations .....	148
(3) Implications for theory .....	149
(4) Implications for practice.....	152
(5) Future research directions.....	153
<b>References</b> .....	<b>157</b>
