

# TABLE OF CONTENTS

INTRODUCTION TO THE TRANSACTION EDITION . . . xiii  
 PREFACE . . . . . xxxvii

| CHAPTER  | PAGE |
|--|------|
| I. THE POINT OF VIEW . . . . .                       | I    |
| II. METHOD . . . . .                                 | 13   |
| (I) JOHN LOCKE . . . . .                             | 13   |
| 1. Ideas . . . . .                                   | 14   |
| 2. Value . . . . .                                   | 25   |
| 3. Custom . . . . .                                  | 40   |
| (II) TRANSACTIONS AND CONCERNS . . . . .             | 52   |
| 1. From Corporations to Going Concerns . . . . .     | 52   |
| 2. From Exchange to Transactions . . . . .           | 55   |
| (1) Bargaining Transactions . . . . .                | 59   |
| (2) Managerial Transactions . . . . .                | 64   |
| (3) Rationing Transactions . . . . .                 | 67   |
| (4) Institutions . . . . .                           | 69   |
| (5) Assets <i>versus</i> Wealth . . . . .            | 74   |
| (6) Liberty and Exposure . . . . .                   | 77   |
| (7) Time . . . . .                                   | 83   |
| (8) Transactional Meaning of Value . . . . .         | 84   |
| (9) Performance, Forbearance, Avoidance . . . . .    | 87   |
| (10) Strategic and Routine Transactions . . . . .    | 89   |
| (11) Negotiational Psychology . . . . .              | 90   |
| (III) IDEAS . . . . .                                | 93   |
| (IV) CONFLICT OF INTERESTS . . . . .                 | 108  |
| (V) ECONOMIC BACKBONE OF HISTORY . . . . .           | 121  |
| III. QUESNAY . . . . .                               | 125  |
| (I) THE NATURAL ORDER . . . . .                      | 125  |
| (II) THE MORAL ORDER . . . . .                       | 135  |
| IV. HUME AND PEIRCE . . . . .                        | 140  |
| (I) SCARCITY . . . . .                               | 140  |
| (II) FROM HABIT TO CUSTOM . . . . .                  | 144  |
| (III) PRAGMATISM . . . . .                           | 150  |
| (IV) FROM NATURE TO GOING CONCERNS . . . . .         | 156  |
| V. ADAM SMITH . . . . .                              | 158  |
| (I) SELF-INTEREST AND MUTUALITY . . . . .            | 158  |
| (II) LIBERTY, SECURITY, EQUALITY, PROPERTY . . . . . | 163  |

|  |     |
|--|-----|
| (III) LABOR-PAIN, LABOR-POWER, LABOR SAVED . . . . .                               | 170 |
| I. Cause of Value . . . . .  | 173 |
| (1) Cause of Use-Value . . . . .   | 174 |
| (2) Cause of Scarcity-Value . . . . .  | 192 |
| a. Psychological and Proprietary Scarcity . .                                      | 192 |
| b. Liberty and Abundance . . . . .   | 198 |
| 2. Regulator of Value . . . . .  | 201 |
| 3. Measure of Value . . . . .  | 210 |
| (IV) SOCIAL UTILITY . . . . .  | 215 |
| VI. BENTHAM VERSUS BLACKSTONE . . . . .  | 218 |
| VII. MALTHUS . . . . .   | 244 |
| VIII. EFFICIENCY AND SCARCITY . . . . .  | 251 |
| (I) MATERIALS AND OWNERSHIP . . . . .  | 251 |
| (II) REAL AND NOMINAL VALUE . . . . .  | 259 |
| (III) AVERAGES . . . . .   | 267 |
| (IV) INPUT-OUTPUT, OUTGO-INCOME . . . . .  | 276 |
| (V) FROM CIRCULATION TO REPETITION . . . . .                                       | 294 |
| (VI) ABILITY AND OPPORTUNITY . . . . .   | 301 |
| 1. Physical and Legal Possession . . . . .   | 301 |
| 2. Choices . . . . .   | 304 |
| 3. Opportunity . . . . .   | 307 |
| (1) Cost of Service and Cost of Product . . . . .                                  | 307 |
| (2) Value of Service and Value of Product . . . .                                  | 310 |
| (3) Inaccessible Alternatives—Free Will and Free<br>Choice . . . . .               | 317 |
| (4) From Division of Labor to Association of<br>Labor and Public Purpose . . . . . | 325 |
| (5) The Law of Substitution . . . . .  | 329 |
| (6) Limits of Coercion . . . . .   | 331 |
| (7) From Crusoe to Going Concerns . . . . .  | 336 |
| (8) Bargaining Power . . . . .   | 342 |
| (VII) RICARDO AND MALTHUS . . . . .  | 348 |
| (VIII) MARX AND PROUDHON . . . . .   | 366 |
| (IX) MENGER, WIESER, FISHER, FETTER . . . . .                                      | 378 |
| (X) FROM ABSOLUTISM TO RELATIVITY . . . . .  | 386 |
| IX. FUTURITY . . . . .   | 390 |
| (I) THE NEGOTIABILITY OF DEBT . . . . .  | 390 |
| 1. Debts and Commodities . . . . .   | 390 |
| 2. Debt Market and Debt Pyramid . . . . .  | 395 |
| 3. Property and Property Rights . . . . .  | 397 |
| 4. Corporeal, Incorporeal, Intangible Property . . . .                             | 401 |
| (1) Time and the Measure of Time . . . . .   | 401 |

|  |     |
|--|-----|
| (2) Justification and Economics . . . . .                    | 407 |
| (3) Duty and Debt, Right and Credit . . . . .                | 409 |
| (4) Exchangeability . . . . .                                | 413 |
| (5) Double Meaning of Credit . . . . .                       | 415 |
| (6) Intangible Property . . . . .                            | 420 |
| (7) From Corporeal to Intangible Property . . . . .          | 423 |
| (8) Commodity Market and Debt Market . . . . .               | 425 |
| (9) Discount and Profit . . . . .                            | 429 |
| a. Two Kinds of Price . . . . .                              | 429 |
| b. Two Kinds of Manufacture . . . . .                        | 430 |
| c. Commodity Price and Short-Time Price . . . . .            | 431 |
| d. The Bank of England . . . . .                             | 434 |
| (10) From Psychological to Institutional Economics . . . . . | 438 |
| (II) Separation of Debt Markets . . . . .                    | 443 |
| a. Money and Capital . . . . .                               | 443 |
| b. Capital-Yield and Bank-Rate . . . . .                     | 452 |
| (a) Manufacturer or Merchant? . . . . .                      | 453 |
| (b) Savings and the Market Value of Savings . . . . .        | 455 |
| c. From Single Causation to Multiple Causation . . . . .     | 456 |
| (II) RELEASE OF DEBT . . . . .                               | 457 |
| (III) CREATION OF DEBT . . . . .                             | 472 |
| (IV) SCARCITY OF DEBT . . . . .                              | 483 |
| 1. Scarcity of Metallic Money . . . . .                      | 483 |
| 2. Capital and Capitals . . . . .                            | 487 |
| 3. Scarcity of Waiting . . . . .                             | 500 |
| (V) INTEREST AND PROFIT DISCOUNT . . . . .                   | 506 |
| (VI) THE TRANSACTIONAL SYSTEM OF MONEY AND VALUE . . . . .   | 510 |
| (VII) THE MARGIN FOR PROFIT . . . . .                        | 526 |
| 1. The Share of Profit . . . . .                             | 528 |
| (1) Consumption and Savings . . . . .                        | 532 |
| (2) Dividends-Lag . . . . .                                  | 534 |
| (3) Sales-Lag . . . . .                                      | 537 |
| 2. Sales Forecast . . . . .                                  | 538 |
| 3. Employment-Lag . . . . .                                  | 550 |
| 4. Supply and Demand . . . . .                               | 553 |
| (1) Consumer's Law of Supply and Demand . . . . .            | 554 |
| (2) The Business Law of Supply and Demand . . . . .          | 555 |
| 5. Margins . . . . .   | 560 |
| (1) Total Receipts and Gross Sales . . . . .                 | 565 |
| (2) The Operating Margin . . . . .                           | 566 |

|  |     |
|--|-----|
| (3) Profit and Loss Margin . . . . .                                 | 568 |
| (4) The Taxable Margin . . . . .                                     | 571 |
| (5) The Financial Margin . . . . .                                   | 574 |
| (6) The Price Margin . . . . .                                       | 576 |
| (7) The Profit Cushion . . . . .                                     | 582 |
| (8) Vested Rights and Profit Margins . . . . .                       | 584 |
| (9) Margins and Costs of Production . . . . .                        | 586 |
| (10) Sequence and Elasticity . . . . .                               | 587 |
| (11) Summary . . . . .   | 589 |
| (VIII) A WORLD PAY COMMUNITY . . . . .                               | 590 |
| 1. Long-Term Rates of Interest and Prices . . . . .                  | 591 |
| 2. Short-Term Rates of Interest and Prices . . . . .                 | 596 |
| 3. From Marginal Productivity to Capital-Yield . . . . .             | 598 |
| 4. Open Market Rates and Customers' Rates . . . . .                  | 607 |
| 5. The Risk Discount—Overindebtedness and Depression . . . . .       | 608 |
| 6. Experimental Tests . . . . .                                      | 610 |
| 7. War Cycles . . . . .  | 610 |
| 8. Automatic and Managed Recovery . . . . .                          | 611 |
| (IX) SOCIETY . . . . .   | 612 |
| 1. From Costs to Shares . . . . .                                    | 612 |
| 2. The Whole and Its Parts . . . . .                                 | 619 |
| (1) Mechanism, Organism, Concern . . . . .                           | 619 |
| (2) Velocity of Repetition . . . . .                                 | 621 |
| 3. Strategic and Routine Transactions . . . . .                      | 627 |
| (1) Efficiency . . . . .   | 628 |
| (2) Scarcity . . . . .   | 630 |
| (3) Concerns . . . . .   | 633 |
| X. REASONABLE VALUE . . . . .  | 649 |
| (I) VEBLEN . . . . .   | 649 |
| 1. From Corporeal to Intangible Property . . . . .                   | 649 |
| 2. From Accrual of Wealth to Accrual of Ideas . . . . .              | 656 |
| 3. From Managerial Transactions to Bargaining Transactions . . . . . | 672 |
| 4. Flow of Time and Lapse of Time . . . . .                          | 673 |
| (II) FROM INDIVIDUALS TO INSTITUTIONS . . . . .                      | 677 |
| (III) FROM NATURAL RIGHTS TO REASONABLE VALUE . . . . .              | 680 |
| (IV) SOVEREIGNTY . . . . .   | 684 |
| 1. Executive Sovereignty . . . . .                                   | 684 |
| 2. Legislative Sovereignty . . . . .                                 | 685 |
| 3. Judicial Sovereignty . . . . .                                    | 685 |
| 4. Analytical and Functional Law and Economics . . . . .             | 692 |
| (1) Force . . . . .  | 694 |
