Part 1: Preliminaries

Chapter 1

Introductory	3
1.1. Profiles of Eskimo languages.....	3
1.2. CAY – Speakers and dialects.....	4
1.3. Postcontact status and current status.....	7
1.4. Previous studies and sources for this description.....	10
1.5. CAY’s geographical placement among neighboring languages	13

Chapter 2

A word in Yupik	18
2.1. A word as a “form”	18
2.2. Bilateral articulation.....	21
2.2.1. Words and syllables as minimal forms	21
2.2.2. A glimpse into the “form”	23
2.2.3. “Mismatches”	25
2.3. Words, bound phrases, and phrases	26
2.3.1. Clitic vs. non-clitic bound phrase.....	27
2.3.2. Strongly vs. weakly bound	28
2.3.3. Detached or hetero-articulations	29
2.4. Illustrations from CAY	30
2.5. Implications of formhood	33

Chapter 3

Phonological preliminaries	35
3.1. Representations	36
3.2. Vowels	38
3.2.1. Three full vowels and schwa	39
3.2.2. Single vs. double vowels	40
3.2.3. Vowel clusters	41
3.2.4. Phonetic specifications	43
3.3. Consonants	46
3.3.1. Place-of-articulation contrasts	47
3.3.2. Manner-of-articulation contrasts	50
3.3.2.1. Phonological alternations	51
3.3.2.2. Dialect variations	51
3.3.3. Voiceless vs. voiced	52
3.3.3.1. Phonological alternations	54
3.3.3.2. Dialectal variations	54
3.3.4. Single vs. geminate	55
3.3.4.1. Names	56
3.3.4.2. Loanwords	56
3.3.4.3. Intensification	57
3.3.5. Phonotactics	57
3.3.5.1. Word-medial	58
3.3.5.2. Word-initial	60
3.3.5.3. Word-final	63
3.3.5.4. Final truncation	63
3.3.6. Phonetic specifications	64
3.4. Phonological units	68
3.5. Prosody	70
3.6. Practical orthography	71
3.6.1. Use of alphabets	73
3.6.2. Use of apostrophes	76
3.6.3. Use of hyphens	79
3.6.4. Different manners of writing	81

Chapter 4

Morphological preliminaries	83
4.1. General characteristics	84
4.1.1. Predominant suffixation	85
4.1.2. Agglutination	88
4.1.3. Non-templatic polysynthesis	89
4.1.3.1. Derivational suffixes in advance	90
4.1.3.2. Postinflectional derivation	92

4.1.4.	Ergativity and case-marking.....	93
4.1.4.1.	Morphological ergativity	94
4.1.4.2.	Double marking	96
4.1.4.3.	Case marking	96
4.2.	Word and its constructions	97
4.2.1.	Three word classes – nominals, verbs, non-inflecting words	98
4.2.2.	Constituents of inflecting words – stem, derivation, and inflection	101
4.2.2.1.	Morpheme shapes and suffix types	103
4.2.2.2.	Morpheme sequence illustrated	106
4.2.3.	Stems	107
4.2.3.1.	Classification	107
4.2.3.2.	Shape of stems	109
4.2.3.3.	Lexical stock in trade: native and loan	112
4.2.4.	Inflectional suffixes (inflections)	114
4.2.5.	Derivational suffixes	116
4.2.5.1.	Classification: transcategorial vs. stem-elaborating	117
4.2.5.2.	Suffix order	122
4.2.5.3.	Composite suffixes and cyclical expansion	124
4.2.5.4.	Morphological expansions illustrated	128
4.2.5.4.1	Polysynthetic words	128
4.2.5.4.2	Multiple embedding	133
4.2.5.5.	Periphrasis	134
4.2.5.5.1	Derivational suffixes vs. stems	134
4.2.5.5.2	Splitting with expletive [<i>pi-</i>] – periphrastic constructions	136
4.3.	Morphological anomalies	138

Chapter 5

Syntactical preliminaries	145
5.1. Constituents of clauses	146
5.1.1. Verbs – intransitive vs. transitive	147
5.1.1.1. Verb stems – primary and valency-modified	148
5.1.1.2. Passives (vs. antipassives)	150
5.1.1.3. Various derived verbs	152
5.1.2. NPs	159
5.1.3. Peripherals	161
5.2. Clause linkings	162
5.2.1. Coordinate, subordinate, and cosubordinate	163
5.2.2. Nominalizations	165
5.3. Sentence types	167
5.3.1. Questions – <i>content, polar, alternative, echo, indefinite, indirect</i>	167
5.3.2. Commands – <i>direct and indirect</i>	173
5.3.3. Exclamations and vocatives	174

5.3.4.	Predicate-less sentences	175
5.3.5.	Direct and indirect speech	177
5.4.	Constituent order	179
5.4.1.	Some tendencies	180
5.4.2.	Detached constructions	183
5.4.3.	Disambiguation	183
5.4.4.	Fronting	185

Chapter 6

Sociolinguistic notes	187	
6.1.	Hedging	187
6.2.	(Dis)honorific (or attitudinal) expressions	189
6.3.	Word taboos	189
6.4.	Word play	191

Part 2: Phonology

Chapter 7

Segmental adjustments	195	
7.1.	(C)VC-stem/root strengthening: (P1)	196
7.2.	Initial fricativization: (P2)	197
7.3.	Initial velar adjustments: (P3)	199
7.4.	Final velar adjustments: (P4)	200
7.5.	Final apical adjustments: (P5)	202
7.6.	Central vowel adjustments: (P6)	205
7.7.	Schwa insertion: (P7)	206
7.8.	Schwa deletion: (P8)	208
7.9.	Final velar deletion: (P9)	210
7.10.	Intervocalic velar deletion: (P10)	211
7.11.	Weak velar fricative deletion: (P11)	212
7.12.	Labiovelar fricativization: (P12)	213
7.13.	Devoicing: (P13)	213
7.14.	Post-devoicing cluster adjustments: (P14)	215
7.15.	/t/ affrication: (P15)	217
7.16.	/v/ and /z/ adjustments: (P16)	218
7.17.	Word-final adjustments: (P17)	219

Chapter 8

Prosody	220	
8.1.	Rhythmical accent: (P18i)	224
8.2.	Regressive accent: (P18ii)	225
8.2.1.	Avoiding /V.V/: (P18ii.a)	225

8.2.2.	Avoiding /CVC.CV́/: (P18ii.b)	228
8.2.3.	Avoiding /CV.Cí/: (P18ii.c)	231
8.2.3.1.	Blocking: (P18ii.d–g)	232
8.2.3.2.	Foot restructuring: (P18ii.h)	234
8.3.	Deaccentuation: (P18iii)	235
8.4.	Regressive accent in bound phrases: (P18iv)	236
8.4.1.	Before a non-enclitic boundary (P18iv.a)	236
8.4.2.	Before an enclitic boundary: (P18iv.b)	239
8.5.	/ya/ and /ya/ deletion (syllable contraction): (P18v)	243
8.5.1.	Within inflections: (P18v.a)	246
8.5.2.	Before other consonants: (P18v.b)	247
8.5.3.	Dialect variations	248
8.6.	CV-stem weakening: (P18vi)	249
8.7.	Lexical and affective disturbances: (P18vii)	250
8.8.	Double vowel contraction: (P18viii)	252

Chapter 9

Postprosodic adjustments	255
9.1. /a/ raising: (P19)	255
9.2. Vowel cluster adjustments: (P20)	256
9.3. Postprosodic devoicing: (P21) – Kuskokwim dialect	257
9.4. Pre-boundary fricativization: (P22)	258
9.5. Affective adjustments (P23)	259
9.6. Truncation (P24)	261
9.7. Boundaries and potential pauses in summary	262

Part 3: Nominals

Chapter 10

Nominal inflection and ambivalent stems	267
10.1. Nominal inflections	267
10.2. Nominal stems	269
10.3. Most basic stems – pi- and ca- 	269
10.3.1. pi- 	269
10.3.2. ca- 	272
10.4. Ambivalent stems	273
10.5. Roots.....	276

Chapter 11

Nouns	289
11.1. Appositive nouns	281
11.2. Location nouns	284

11.2.1.	Stems	284
11.2.2.	Syntax and semantics	286
11.2.2.1.	Stem specifics	288
11.2.3.	Derivation	290
11.2.3.1.	Nominal elaboration (NN)	290
11.2.3.2.	Verbalization	297
11.3.	Time words	300
11.3.1.	Inflection	300
11.3.2.	Syntax	302
11.3.3.	Derivation	307
11.3.4.	Ambivalent time words	313
11.3.5.	Seasons, months, and days of week	314
11.3.6.	Non-native expressions of time	317
11.4.	Kinship terms	318
11.4.1.	Iroquoian type	318
11.4.2.	Reciprocal relatives <i> -kilyiiyt </i>	321
11.4.3.	‘Part, relative, partner’ – <i> -ila-</i> , <i> -aipay-</i>	323
11.5.	Color terms	326
11.6.	Proper names	330
11.6.1.	Names	330
11.6.2.	Teknonymy	334
11.6.3.	Place names	340
11.7.	Onomatopoeia	342
11.7.1.	Non-nominal	343

Chapter 12

Demonstratives	345	
12.1.	Demonstrative roots	346
12.2.	Nominal demonstratives	349
12.2.1.	Morphology	349
12.2.2.	Syntax	353
12.2.3.	Semantics – categorization through demonstratives	354
12.2.3.1.	Extended vs. non-extended	354
12.2.3.2.	Categories IX and X: ‘down/below’ vs. ‘out, toward river’	356
12.2.3.3.	Category XII: ‘outside’ (without reference to the river)	357
12.2.3.4.	Motion toward vs. away	358
12.2.3.5.	<i> -u-</i> vs. <i> -mat-</i>	359
12.2.3.6.	Anaphora	360
12.2.4.	References to areas/villages	363
12.2.5.	Derivation	364
12.3.	Adverbial demonstratives	366
12.3.1.	Morphology	366

12.3.2.	Syntax	371
12.3.2.1.	Adverbial adjuncts	371
12.3.2.2.	Interjectives	373
12.3.3.	Derivation	377
12.4.	Verbal demonstratives	379

Chapter 13

Personal pronouns	382	
13.1.	Morphology	382
13.1.1.	<i>wa(ŋa)</i> - first person	383
13.1.2.	<i>i(i)</i> - non-first person	384
13.2.	Syntax	385
13.2.1.	Anaphoric	385
13.2.2.	Reflexive	387
13.2.3.	Reciprocal	388
13.2.4.	Other requirements	388
13.3.	Derivation	392
13.4.	<i>nakmi</i> - 	394
13.4.1.	<i>nakmiin</i> 	394
13.4.2.	Derivatives	395

Chapter 14

Numerals and quantifiers	397	
14.1.	Numeral stems	397
14.2.	Inflection	402
14.3.	Phrasal numerals	404
14.3.1.	Adnominal verbs with <i>-luku</i>	404
14.3.1.1.	Addition: <i>cip-luku</i>	405
14.3.1.1.1.	Fluctuation in number agreement	407
14.3.1.1.2.	'more than X'	408
14.3.1.2.	Subtraction	409
14.3.1.3.	Relational <i>-ngu-luni</i> and <i>-ngu-luku</i>	410
14.3.1.4.	Halving: <i>avg-u-luku/aveg-luku</i>	411
14.3.2.	Appositive phrases – multiplication	413
14.3.3.	Juxtaposed phrases – combination	415
14.4.	Higher numerals: 100, 1000, and beyond	417
14.5.	Derivation	420
14.6.	Syntax	421
14.7.	Group (collective) numerals	428
14.8.	Frequency numerals	429

Chapter 16

Nominal phrases		462
16.1.	Appositive phrases	463
16.1.1.	Verbalization	471
16.2.	Coordinate phrases	472
16.2.1.	Reflexive third person within a coordinate phrase	474
16.3.	Juxtaposed phrases	475
16.4.	Attributive (genitive) phrases	477
16.5.	Adjunctional phrases (with oblique case NP)	480
16.6.	Adnominal clauses (verbs) – appositional and stative-connective	483

Part 4: Nominal derivation

Chapter 17

Relative clauses	489
17.1. CAY relative clauses in general	489
17.1.1. Relativizers and arguments to be relativized	490
17.1.2. Morpho-syntactic properties	491
17.2. Participial relativizers	501
17.2.1. Intransitive VNrl $ -l\dot{y}ia\dot{y}- \sim +_{1}\eta y\dot{y}^{*}- $ (variant after final /t/)	501
17.2.2. Transitive VNrl $ -_{1}ki- $	511
17.3. Preterite relativizers VNrl $ -t\dot{y}- $	516
17.4. Passive relativizers (P argument)	519
17.4.1. VNrl $ -_{1}ki\eta a\dot{y}- $ processive (or perfective)	520
17.4.2. VNrl $ +y a\dot{y}- $	523
17.4.3. VNrl $ +y a\dot{y}ka\dot{y}- $ (future)	529
17.5. Agentive/active relativizer	532
17.5.1. VNrl $ +(s)t- $	533
17.5.2. $ +(s)ti\dot{y}- $ Past connotation by addition of NN $ -t\dot{y}- $	539
17.5.3. $ +(s)ti\dot{y}ka\dot{y}- $ Future connotation by addition of NN $ +ka\dot{y}- $	539
17.6. Oblique relativizers	540
17.6.1. Locational	540
17.6.2. Instrumental	543
17.7. Concatenated relative clauses	552
17.8. Transcategorical conversions of relative clauses	554
17.8.1. Reverbalization: $V \rightarrow VNrl \rightarrow NV$	555
17.8.2. Renominalization: $N \rightarrow NV \rightarrow VNrl/VNnm$	558
17.9. Non-core roles in main clauses	559

Chapter 18

Nominal clauses	563
18.1. Nominal clauses: basic properties	564
18.1.1. Different types of verbs	567
18.1.2. Nominal clause complemented	571
18.1.2.1. Intransitive nominalizations	571
18.1.2.2. Transitive nominalizations	575
18.1.3. With no person inflection	577
18.1.4. Elaborations of nominal clauses	579
18.1.4.1. Verbal categories retained	580
18.1.4.2. Further expansions	585
18.1.4.3. Subordination and cosubordination to a nominalization	586
18.1.5. Indirect interrogative clauses	587

18.1.6.	Deverbal nouns	588
18.2.	Various nominalizers (VVnm)	589
18.2.1.	+(u)ciŷ- , etc.	589
18.2.1.1.	VNnm +(u)ciŷ- 	589
18.2.1.2.	VNnm +(u)ciŷkaŷ- (future)	594
18.2.1.3.	Composite suffixes	594
18.2.2.	-tŷ- , etc.	599
18.2.2.1.	VNnm -tŷ- 	599
18.2.2.2.	VNnm -tiŷkaŷ (future)	602
18.2.3.	VNnm + ₁ caŷaŷ- 	604
18.3.	Bifunctional -nŷ- 	610
18.3.1.	Abstract -nŷ- vs. deverbal + ₁ nŷ- 	611
18.3.1.1.	Abstract nominalization -nŷ-	611
18.3.1.2.	Deverbal nouns + ₁ nŷ- 	616
18.3.2.	Comparative nominal -nŷ- (~ post-apical - ₁ tŷ-)	618
18.3.2.1.	Comparative phrases	619
18.3.2.2.	Comparative clauses	622
18.4.	Nominalizations in main clauses	624
18.4.1.	With absolutive-case marking	624
18.4.2.	With relative-case marking	627
18.4.3.	Ablative-modalis case marking	629
18.4.4.	With allative-case marking for a peripheral argument	630

Chapter 19

Other deverbal nouns	631
19.1. Agent nouns	631
19.2. Miscellaneous	635

Chapter 20

Nominal elaborations	646
20.1. Adjectival	646
20.1.1. Qualifying	646
20.1.2. Belonging	666
20.2. Associative	677
20.3. (Dis)honorifics (HNR) (NNh/VVh)	680
20.4. Nominal cyclical expansion (N→V→N)	700

Part 5: Nominal categories

Chapter 21

Number	709
21.1.	Duality in kinships	711
21.2.	Associative non-singular	712
21.3.	Collective/generic singular	713
21.4.	Partitive singular	713
21.5.	Composite objects in the non-singular	715
21.6.	Number of place names	718

Chapter 22

Person (possessor)	721
22.1.	First, second, and third persons	722
22.1.1.	Third-person possessor in attributive phrases	722
22.2.	Reflexive-third person	723

22.4.	Emphasis on the possessor	727
22.5.	Inalienability	727

Chapter 23

Absolutive case	730
23.1.	S/P function – intransitive subject and transitive object	732
23.2.	Absolutive vs. locative	734

Chapter 24

Relative case	737
24.1.	G function (genitive)	739
24.2.	A function (ergative)	741
24.2.1.	Natural elements.....	742
24.2.2.	Other miscellaneous nouns	743
24.2.3.	Nominal clauses	743
24.2.4.	Standard of comparison	744
24.2.5.	Non-prototypical A arguments	745
24.3.	Verb stems in the relative case	745
24.3.1.	G function	745
24.3.2.	A function	748
24.4.	Ambivalence	748

Chapter 25	
Ablative-modalis case	750
25.1. Starting point, etc.	751
25.1.1. In adjunctional phrases	753
25.2. Syntactic	754
25.2.1. Demoted NPs	754
25.2.2. Stranded NPs	757
25.2.3. Ablative-modalis for pseudo-passives	764
25.3. Composite ablative ± <i>niŋniy</i> 	766
Chapter 26	
Allative case	769
26.1. Direction, etc.	769
26.1.1. In adjunctional phrases	774
26.1.2. Allative-derived verbalizations	774
26.2. Syntactic	774
Chapter 27	
Locative case	779
27.1. Location, etc.	780
27.2. Relation/concern/judgement.	782
27.3. Standard of comparison	784
27.4. Reference to a first or second person argument	786
27.5. Vocative	794
27.6. Exclamative	796
27.7. In adjunctional phrases	798
27.8. Locative verbs – NV <i>+m(i)t-</i> ~ <i>+[person]n(i)t-</i> 	799
27.9. Double case-marking	808
27.9.1. Location locative + comparison locative	809
27.9.2. Location locative + comparison equalis	810
27.9.3. Temporal locative/ablative + composite ablative	812
Chapter 28	
Perlative case	813
28.1. Location	813
28.1.1. Perlative-derived verbalizations	816
28.2. Instruments, etc.	816
Chapter 29	
Equalis case	819
29.1. Equality and similarity	819
29.2. Comparison of equality	822
29.3. Manner and time	822

Chapter 30

Case assignments	826
30.1. Preliminaries	827
30.1.1. Seven cases – syntactic and oblique	827
30.1.2. Core arguments and valency modification	828
30.2. Case assignment according to argument hierarchy	833
30.2.1. Primary (non-extended) simplex verbs	833
30.2.2. Extended simplex verbs	835
30.2.3. Complex verbs	838
30.3. Argument reduction and detransitivization	840
30.3.1. Reduction – demotion (two types) and agent coreference	841
30.3.2. Detransitivization	843
30.3.2.1. Antipassive	844
30.3.2.2. Passive	847
30.3.2.3. Medio-passive	849
30.3.2.4. Reflexives and reciprocals	850
30.4. Stranded NPs	851
30.4.1. From nominal phrases	851
30.4.2. <i> pi- </i> constructions	852
30.5. Cases in nominalized clauses	852
30.5.1. Nominal clauses (complementations)	852
30.5.2. Relative clauses	855
30.6. Five syntactically relevant cases, with the locative included	856

Chapter 31

Vocatives	859
31.1. Final vowel doubling	859
31.2. Possessor marker in the relative case	861
31.3. Final truncation	862

Part 6: Verbs**Chapter 32**

Verb inflection	867
32.1. Valency and its modifications	867
32.1.1. Modifications	868
32.1.2. Intransitive vs. transitive	871
32.2. Subject and object persons	871
32.2.1. Verbal person markers	872
32.3. Cross-reference/agreement	873
32.3.1. Disagreement	874

32.3.2.	Disguised person	875
32.4.	Six moods and reflexive third person	876

Chapter 33

Monovalent (intransitive) stems	879	
33.1.	Primary monovalent stems	880
33.2.	Denominal monovalent stems	882
33.3.	Impersonal monovalent stems	883
33.4.	Transitive use of monovalent stems (zero derivation)	887
33.4.1.	Locational P	888
33.4.2.	Impersonal and personal A	889
33.4.3.	Denominal stems with impersonal A	895
33.5.	Transitivization (suffix-derived)	897

Chapter 34

Bivalent (monotransitive) stems	898	
34.1.	Agentive stems (S=A)	901
34.1.1.	Antipassives (zero-derived)	903
34.1.2.	Passives	904
34.1.2.1.	TAM-sensitive	904
34.1.2.2.	Pseudo-passives	907
34.2.	Patientive stems.....	909
34.2.1.	Medio-passives	914
34.2.2.	Antipassives (suffix-derived)	917
34.3.	Impersonal-patientive stems	919
34.3.1.	Transitive vs. intransitive	921
34.3.2.	Impersonal verbs in summary	924
34.4.	Reflexives and reciprocals	925
34.4.1.	Reflexives	926
34.4.2.	Reciprocals.....	928
34.5.	Causative verbs: simplex vs. complex	931
34.6.	Contrast among various transitive verbs	933
34.7.	<i>pi</i> - verbs	936

Chapter 35

Trivalent (ditransitive) stems	940	
35.1.	Two types of ditransitives	940
35.1.1.	Secundative	942
35.1.2.	Indirective	949
35.1.2.1.	Applicative extended	952
35.1.2.2.	Variable stems	954
35.1.3.	Valency rearrangements	955

35.1.4.	Valency increase (extension) of ditransitives	958
35.2.	Syntactic properties	959
35.2.1.	Detransitivization	959
35.2.1.1.	Passivization	960
35.2.1.2.	Antipassivization	962
35.2.1.3.	Reflexivization	963
35.2.1.4.	Reciprocalization	963
35.2.2.	Nominalization	964
35.2.3.	Relativization	966
35.2.4.	Questions	968
35.3.	Ditransitives compared with extended trivalents	970

Chapter 36

Root-derived stems	972	
36.1.	Emotional roots	972
36.2.	Postural roots	975
36.2.1.	Direct inflection with no expander	977
36.3.	Others	979

Part 7: Verbal derivation

Chapter 37

Relational (equational) verbs (NVrv)	983	
37.1.	Stative intransitive NVrv + <i>ηu</i> - ‘to be’	987
37.2.	Stative transitive NVrv - <i>k̄i</i> - 	990
37.2.1.	As VV suffix	993
37.3.	Inchoative intransitive NVrv + <i>ηuȳc</i> - 	996
37.3.1.	Transitive inflection	997
37.4.	Inchoative transitive NVrv - <i>k(i)sayuc</i> - 	998
37.4.1.	As VV suffix - <i>1k(i)sayuc</i> - 	1000
37.5.	Morphosyntactic properties of relational verbs	1000
37.5.1.	Difference from non-relational denominal verbs	1000
37.5.2.	Co-occurrence with deverbalized clauses	1002
37.5.3.	Cyclical verbal expansion	1003
37.5.3.1.	Verbal markers	1003
37.5.3.2.	Verbal cyclical expansion (V→N→V)	1004

Chapter 38

Non-relational verbalizations (NV)	1006	
38.1.	Possession/existence/deprivation	1006
38.2.	Action verbs	1019
38.3.	- <i>li</i> - group	1024

38.4.	Quantity/quality/size	1034
38.5.	Miscellaneous	1039

Chapter 39

Simplex verb modifications (VVsm)	1044
39.1. Agent	1047
39.1.1. +c- 	1047
39.1.2. +caŷ- / +caŷ(ya)ŷ- 	1053
39.1.3. +ciŷ- 	1055
39.1.4. -ŷqi- 	1057
39.2. Necessitative impersonal agent	1059
39.2.1. Impersonal	1061
39.2.1.1. Modality	1062
39.2.2. Further expansions	1068
39.3. Pseudo-passive	1070
39.3.1. VVsm +(s)ci(u)ŷ- 	1070
39.3.2. +ŷau- / +ŷaqi- 	1075
39.4. Applicative experiencer	1076
39.4.1. Applicative VVsm +(u)c- 	1077
39.4.2. Various roles with transitive inflection	1080
39.4.3. Detransitivization of +(u)c- -derived stems	1088
39.4.4. +(u)c- antipassives	1091
39.4.5. Various derivations	1093
39.5. Adversative experiencer +ŷi ₁ - 	1096
39.5.1. Transitive vs. intransitive inflection	1097
39.5.2. Two ways +ŷi- is detransitivized	1105
39.5.3. A brief comparative note	1108
39.6. Antipassives (suffix-derived)	1109
39.6.1. VVsm +ŷi ₂ - (cf. P15iii)	1110
39.6.2. VVsm - ₁ kiŷi- 	1114
39.6.3. Recursive modifications by E extensions	1117
39.7. Valency increase and rearrangement.....	1118
39.7.1. VVsm +(u)tiki- 	1119
39.7.2. VVsm + ₁ viki-	1122
39.7.3. Valency rearrangement derived from suffix composite.....	1123

Chapter 40

Complex transitives (VVcm)	1125
40.1. Intransitive inflections.....	1129
40.2. Six kinds	1133
40.2.1. Causative (causing/having) -vkaŷ- ~ +cic- 	1133
40.2.1.1. Coreferential marker (CRF)	1137

40.2.1.2.	Secondary: +cītaaȳ- 	1138
40.2.2.	Directive (asking): +sqī- 	1139
40.2.2.1.	Secondary: +squma- 	1142

40.2.3.1.	Secondary: +nayuki- 	1144
40.2.4.	Reportative (saying): +ni- 	1145
40.2.5.	Ignorative (not sure/known): (u)ciit- 	1147
40.2.5.1.	Other ignoratives	1149
40.2.6.	Expectant VVcm -niȳciȳ- 	1150
40.3.	Derivations of complex verbs	1152
40.3.1.	Suffix orders	1154
40.3.2.	Double complex transitives	1158
40.3.3.	Multi-layered complex transitives	1160
40.4.	Nominalizations of complex transitives	1163
40.4.1.	Relative clauses	1164
40.4.2.	Nominal clauses	1165
40.5.	Adjuncts to complex transitives	1166
40.6.	Periphrastic complex transitives	1167
40.7.	Case alignments of complex transitive constructions	1171

Part 8: Verb elaboration

Chapter 41

Adverbial (VVa)	1175
41.1. Manner	1175
41.2. Time (speed/precedence)	1181
41.3. Intensity (degree/extent)	1184
41.3.1. Group 1 -piȳc- ~ -piaȳ- , etc.	1185
41.3.2. Group 2 +pay- , etc.	1193
41.3.3. Group 3 +η*inaȳ- , etc.	1199
41.3.4. Group 4 qaȳ 	1202
41.3.5. Group 5 miscellaneous	1204

Chapter 42

Tense and aspect (VVt)	1210
42.1. Tense	1211
42.2. Aspect	1216
42.2.1. Inceptive/inchoative (INC)	1217
42.2.2. Momentaneous (MOM)	1221
42.2.3. Continuous/stative/perfective	1224
42.2.4. Iterative (ITR)	1235
42.2.5. Customary (CUS)	1238
42.2.6. Consequential (future/present) (CSQ)	1241

Chapter 43

Modality (VVm)	1250
43.1. (Dis)honorifics (VVh/NNh)	1265
43.2. Evidentiality (VVe)	1265

Chapter 44

Negation (VVn)	1272
44.1. Double and partial negation	1285

Chapter 45

Comparison	1287
45.1. Comparative degree	1288
45.1.1. Intransitive constructions	1289
45.1.2. Transitive constructions	1291
45.1.2.1. Superficial transitive comparatives	1294
45.1.3. Various NPs for comparee and for standard	1296
45.1.4. Various parameters	1297
45.1.5. Numerals of ‘more than X’	1299
45.1.6. Relative clauses of comparative constructions	1300
45.2. Superlative degree	1301
45.2.1. With plural standard of comparison	1301
45.2.2. With intensifier in index	1302
45.3. Inchoative comparison (‘to become more than’)	1304
45.4. Comparative clauses from comparative phrases	1306
45.5. Negative comparison	1309
45.6. Equalitive	1310
45.6.1. Intransitive VVa ₊ 1ta- 	1310
45.6.2. Transitive constructions	1315
45.7. Indices of comparisons summarized	1318
45.8. Peculiarity of case markers ₊ mi / ₊ tun as standard of comparison	1318
45.9. Lexical comparison	1319

Part 9: Verb moods**Chapter 46**

Indicative mood	1323
46.1. Inflection	1323
46.2. Declarative role	1327
46.3. Non-declarative role	1328

Chapter 47

Participial mood	1329
47.1. Inflection	1330
47.2. With a non-inflecting word	1331
47.2.1. = <i>wa</i> (~ ≠ <i>wa</i>)	1331
47.2.1.1. Occurrence with - <i>t</i> - 	1333
47.2.2. <i>ima</i> ‘you know’	1334
47.2.3. <i>taŋ</i> ‘to see (as it’s a fact)!’	1335
47.2.4. Miscellaneous particles	1336
47.3. Without a non-inflecting word	1337
47.4. In bi-clausal sentences	1338
47.5. With reflexive third inflection (‘when, because’)	1342
47.6. Converbs	1344
47.6.1. Converb 1 - <i>l̥y̥im</i> ‘when, as’	1347
47.6.2. Converb 2 - <i>l̥y̥iani</i> ‘whenever’	1348

Chapter 48

Interrogative mood	1349
48.1. Inflection	1349
48.2. Content questions	1351
48.2.1. In complex transitive constructions	1357
48.2.2. Nominal clauses	1358
48.2.3. Word order	1359
48.3. Indirect (rhetorical) questions ‘I wonder’: = <i>kiy̥</i> 	1359
48.4. Exclamations by interrogative-mood verbs	1360

Chapter 49

Optative mood	1362
49.1. Inflection	1363
49.2. Third-person optatives	1367
49.2.1. With non-inflecting words	1367
49.3. First-person optatives	1369
49.3.1. With a non-inflecting word	1369
49.4. Second-person optatives	1371
49.4.1. With non-inflecting words	1372
49.4.2. Periphrastic optatives with <i>pi</i> - 	1373
49.4.3. - <i>qay̥</i> - optatives	1374
49.5. Future optatives: - <i>ki</i> - (1)	1375
49.6. Prohibitional optatives	1378
49.6.1. General prohibition	1378
49.6.2. Future prohibition	1379
49.6.3. Continuative prohibition	1381

49.7.	Non-optative use: $ -ki-$ (2)	1382
49.8.	In bi-clausal sentences	1383

Chapter 50

Connective mood	1384
50.1. Inflection	1387
50.2. Causal (CNNbc): ‘because, when’	1389
50.3. Constantive (CNNwv): ‘whenever’	1392
50.4. Precessive (CNNbf): ‘before’	1395
50.4.1. Starting point (‘since before’)	1396
50.5. Concessive (CNNth): ‘though, even if’	1396
50.6. Conditional (CNNif): ‘if’	1398
50.7. Indirective (CNNid)	1401
50.8. Contemporative (CNNwn): ‘when’	1403
50.9. Simultaneous (CNNwl): ‘while’	1406
50.10. Stative (CNNst): ‘being in the state of’	1407
50.11. Quasi-connectives (CNNqs)	1410
50.11.1. $ -t\dot{y}-$ ~ $ -n\dot{y}-$ ~ $ +viy-$ with the allative marker (‘until’)	1411
50.11.2. $ -n\dot{y}-$ (~ $ -t\dot{y}-$) with perlative or locative marker (‘after’)	1412
50.11.3. $ -x\dot{a}an\dot{y}-$ with the ablative marker (‘since’)	1412

51.4.4.	Optative – command and prohibition	1482
51.5.	Adnominal clauses	1484
51.6.	Quasi-nominal clauses	1489
51.6.1.	As an intransitive subject	1489
51.6.2.	Exclamative constructions	1492
51.7.	Nominalizations of appositional constructions	1493
51.7.1.	Nominal clauses	1493
51.7.2.	Relative clauses	1495

Part 10: Non-inflecting words

Chapter 52

Non-inflecting words in general	1501
52.1. Particles and enclitics	1501
52.2. Constitution	1504
52.3. Functions	1509
52.4. Two exclamative particlizers	1508
52.4.1. VPc <i>[+₁paa]</i>	1508
52.4.2. VPc <i>[+naa]</i> ~ <i>[+nii]</i>	1512
52.5. Linkers (linking suffixes)	1513
52.5.1. Following non-inflecting words	1514
52.5.2. Following English words	1516

Chapter 53

Particles	1518
53.1. Interjectional/exclamative	1518
53.2. Sentence words	1522
53.3. Sentence adverbials	1524
53.4. Adverbials	1531
53.5. Conjunctionals	1535
53.6. Expletive sentence fillers	1541

Chapter 54

Enclitics	1544
54.1. Reactive	1544
54.2. Expressive	1550
54.3. Expressive (negative)	1553
54.4. Reportative/quotative	1555
54.5. Coordinating	1559
