<b>Introduction</b>	<b>1</b>
<i>Maciej Szymczak</i>	
<b>1 Supply Chain Management</b>	<b>9</b>
<i>Maciej Szymczak, Mariusz Szuster, Grażyna Wieteska and Anna Baraniecka</i>	
1.1 The essence, structure and objectives of the supply chain	9
1.2 Basic areas of management in the supply chain	16
1.3 Relationships in supply chains	24
1.4 Directions of supply chain development	31
Notes	39
Bibliography	40
<b>2 Supply Chain Development Process</b>	<b>45</b>
<i>Anna Baraniecka</i>	
2.1 Integration of the supply chain	45
2.1.1 Nature and significance of supply chain integration	45
2.1.2 Reasons for and benefits of integration	46
2.1.3 Types of supply chain integration	48
2.1.4 Barriers to supply chain process integration	51
2.2 Concepts, methods and tools supporting supply chain integration	52
2.2.1 S&OP: essence and purpose	56
2.2.2 VMI: essence and purpose	57
2.2.3 CPFR: essence and purpose	58
2.2.4 ECR: essence and purpose	60
2.3 Supply chain maturity models	63
2.4 Results of research	73
Notes	83
Bibliography	83

<b>3</b>	<b>Supply Chain Risk</b>	<b>87</b>
	<i>Grażyna Wieteska</i>	
3.1	Definition of risk	87
3.2	Internal and external sources of risk for supply chains	96
	Note	102
	Bibliography	102
<b>4</b>	<b>Outsourcing and Offshoring as Factors Increasing Risk in Supply Chains</b>	<b>106</b>
	<i>Mariusz Szuster</i>	
4.1	The essence of outsourcing and offshoring	106
4.1.1	Outsourcing	106
4.1.2	Purpose of outsourcing	107
4.1.3	Scope of outsourcing	108
4.1.4	Differences between outsourcing and offshoring	109
4.1.5	Purpose of offshoring	110
4.1.6	Areas of offshoring application	111
4.2	Application of outsourcing and offshoring in manufacturing	111
4.2.1	Outsourcing of manufacturing operations	111
4.2.2	Offshoring of manufacturing operations	113
4.2.3	Offshore outsourcing	116
4.3	Outsourcing of logistics functions	116
4.4	Risk related to outsourcing and offshoring	120
4.4.1	Outsourcing risk	120
4.4.2	Offshoring risk	122
4.4.3	International sourcing	124
4.5	Identifying the major sources of risk in manufacturing companies – results of research	126
	Bibliography	129
<b>5</b>	<b>Supply Chain Risk Management</b>	<b>133</b>
	<i>Grażyna Wieteska</i>	
5.1	Risk management and risk mitigation methods	133
5.2	Security and business continuity management in the supply chain	142
5.2.1	Supply chain security management	142
5.2.2	Business continuity management in the supply chain	145
5.3	Risk mitigation methods – results of research	148
5.3.1	Companies using outsourcing	148
5.3.2	Companies using offshoring	153
	Bibliography	157

<b>6</b>	<b>Information Management in the Supply Chain</b>	<b>160</b>
	<i>Maciej Szymczak</i>	
6.1	Data, information and knowledge in the supply chain	160
6.2	Data processing and information management models	166
6.3	ICT solutions for the supply chain	173
6.4	Results of research	178
	Notes	189
	Bibliography	190
<b>7</b>	<b>Social Capital Management in the Supply Chain</b>	<b>195</b>
	<i>Anna Baraniecka</i>	
7.1	The importance and role of social capital in the supply chain	195
	7.1.1 Macroeconomic approach to social capital	198
	7.1.2 Microeconomic approach to social capital	204
7.2	Social capital of the supply chain	207
7.3	Results of research	212
	Notes	214
	Bibliography	215
