

# CONTENTS

Dedication	7
Preface	8
<b>Introduction to the European Union Science Olympiad</b>	
Brief history	10
General structure of the competition	12
Constitution	16
<b>1<sup>st</sup> European Union Science Olympiad</b> in Dublin, Ireland	
Overview (Local team, medals and results)	22
Task A (Photosynthesis) with answer sheet	24
Task B (The Properties of Proteins) with answer sheet	38
List of participants	47
<b>2<sup>nd</sup> European Union Science Olympiad</b> in Groningen, Netherlands	
Overview (Local team, medals and results)	50
Task A (Hexokinase Activity) with answer sheet	52
Task B (Chemiluminescence) with answer sheet	58
List of participants	67
<b>3<sup>rd</sup> European Union Science Olympiad</b> in Galway, Ireland	
Overview (Local team, medals and results)	70
Task A (Water Quality) with answer sheet	72
Task B (Salinity & Mussel Physiology) with answer sheet	94
List of participants	109
<b>4<sup>th</sup> European Union Science Olympiad</b> in Brussels, Belgium	
Overview (Local team, medals and results)	112
Task A (Crime Scene Investigation) with answer sheet	114
Task B (Respiration and Boyle's Law) with answer sheet	134
List of participants	144
<b>5<sup>th</sup> European Union Science Olympiad</b> in Potsdam, Germany	
Overview (Local team, medals and results)	148
Task A (All about the Potato) with answer sheet	150
Task B (All about Starch) with answer sheet	180
List of participants	210

## Appendix

Histograms of EUSO results	214
EUSO impressions	220
Example answer sheets from the 5 <sup>th</sup> EUSO 2007	225
