

C O N T E N T S

| PART A: BASICS

Chapter 1: Context: Drivers, Actors, Subjects	1
The Context of Responsible Management	2
Subjects and Actors of Responsible Management	4
<i>Subjects and Background Disciplines</i>	4
<i>Sectorial Actors</i>	5
<i>The Workplace of Responsible Managers</i>	6
The Megatrend and Its Drivers	8
<i>Stakeholder Wants and Needs</i>	9
<i>New Markets and Business Case</i>	10
<i>Converging Global Crises</i>	10
<i>Internet, Transparency, and Globalization</i>	11
<i>Institutionalization of Responsible Management</i>	11
Barriers, Inhibitors, and Criticisms	12
<i>Profit Issues</i>	13
<i>Economic Crises</i>	14
<i>Greenwashing</i>	15
<i>Cause Criticism</i>	15
<i>Applicable for Only a “Selected Few”</i>	15
<i>Operational Inhibitors</i>	17
Chapter 2: Management: Basics and Processes	23
Responsible Management	25
Management Basics and the Evolution to Prime Management	25
<i>What Is Management and How Do We Make It Responsible?</i>	28
<i>Evolution of Management Thought</i>	31
The Responsible Manager	35
<i>The Role of Managerial Hierarchies</i>	35
<i>Competencies for Prime Managers</i>	37
The Responsible Management Process	39
<i>Planning</i>	39
<i>Organizing</i>	42
<i>Leading</i>	43
<i>Controlling</i>	46

| PART B: DOMAINS

Chapter 3: Sustainability: Managing for the Triple Bottom Line	52
Business Sustainability: Managing for the Triple Bottom Line	53
Origins of Business Sustainability	55
<i>Roots: Indigenous Sustainability</i>	55
<i>Historical Beginnings of Unsustainability</i>	56
<i>Theoretical Advances</i>	57
<i>Institutionalization of Sustainability</i>	59
<i>The Status Quo and the Future</i>	60
Concepts of Sustainability	61
<i>Defining Sustainability</i>	61
<i>The Three Dimensions of Sustainability</i>	61
<i>Interpreting Sustainability</i>	63
Economic Development versus Sustainable Development	66
<i>Sectorial Sustainability Footprints</i>	68
Managing Business Sustainability	70
<i>The Goal: A Neutral to Positive Triple Bottom Line</i>	70
<i>Process 1: Impact Accounting</i>	71
<i>Process 2: Impact Management</i>	75
Chapter 4: Responsibility: Managing for Stakeholder Value	83
Business Responsibility: Managing For Stakeholder Value	84
Origins of Business Responsibility	85
<i>Religious Roots of An Evolving Discipline</i>	86
<i>Theoretical Advances and Institutionalization</i>	87
<i>Status Quo and the Future</i>	88
Concepts of Business Responsibility	89
<i>Defining Business Responsibility</i>	89
<i>Related Terms</i>	89
<i>Classification and Interpretation</i>	92
<i>Assessing Corporate Social Performance</i>	93

Responsibility Management as Stakeholder Management	97
<i>The Goal: Stakeholder Value Optimization</i>	97
<i>Management Process 1: Stakeholder Assessment</i>	99
<i>Management Process 2: Stakeholder Engagement</i>	103

Chapter 5: Ethics: Managing for Moral Excellence 112

Ethical Business and Ethics Management	113
Origins of Business Ethics	114
<i>Roots of Business Ethics</i>	115
<i>The Discipline of Business Ethics</i>	115
<i>Institutionalization, Status Quo, and Future</i>	117
Basic Concepts of Business Ethics	118
<i>Defining Business Ethics</i>	118
<i>Levels of Application</i>	119
<i>Moral Dilemmas and the Relationship to Law and Compliance</i>	119
<i>Morality and Values</i>	120
<i>Interpreting Business Ethics</i>	122

Domains of Business Ethics	124
<i>Domain 1: Normative Ethics—Evaluate Right or Wrong</i>	124
<i>Domain 2: Descriptive Ethics—Explain Right and Wrong Actions</i>	131
<i>Domain 3: Ethics Management—Apply Management Tools for Right Actions</i>	136
<i>Ethics Programs and Culture</i>	144

PART C: PLANNING

Chapter 6: Strategy: Responsible Competitiveness 155

Strategy and Responsible Management	156
The Goal: Responsible Competitiveness	159
Phase 1: Formulating the Mission, Vision, and Strategic Objectives	160
Phase 2: Analyzing the Strategic Environment	162
<i>External Environment Analysis</i>	164
<i>Internal Environment Analysis</i>	165
<i>Strengths-Weaknesses-Opportunities-Threats (SWOT) Analysis</i>	168
Phase 3: Crafting the Strategy	169
<i>Corporate Level Strategy</i>	169
<i>Business Unit Level Strategy</i>	171
<i>Functional Level Strategy</i>	174
Phase 4: Executing and Evaluating Strategy	175
<i>Strategy Implementation</i>	175
<i>Strategy Control, Review, and Evaluation</i>	177

Chapter 7: Entrepreneurship: Value-Added Ventures 186

Social Entrepreneurship and Responsible Management	187
Goal: The Value-Added Venture	189
Phase 1: Understanding Social Entrepreneurship and Social Innovation	189
<i>Elementary Perspectives of Social Entrepreneurship</i>	189
<i>Economic Systems</i>	191
<i>Identifying the Starting Point for Social Innovation</i>	193
<i>Implications for Social Entrepreneurship</i>	195
<i>Money, Labor, and Land</i>	196
Phase 2: Envision Your Pathway	198
<i>Scenario 1: From Third Sector to Social Economy</i>	198
<i>Scenario 2: From Private to Social Economy</i>	201
<i>Scenario 3: From Public Service to Social Entrepreneurship</i>	207

PART D: ORGANIZING

Chapter 8: Organization: Responsible Infrastructure 220

Responsible Management and Organizational Theory	222
The Goal: Responsible Infrastructure	223
Phase 1: Understanding the Organization	223
<i>Opposing Viewpoints</i>	223
<i>The Organization and Management Theory</i>	226
Phase 2: Creating Structures for Responsible Business: Restructuring the Organization	227
<i>Organizational Design Patterns</i>	228
<i>Elements of Responsible Organizational Structure</i>	230
Phase 3: Developing the Organization Responsibly	238
<i>Organizational Leadership</i>	240
<i>Responsible Culture</i>	244
<i>Managing Change</i>	245

Chapter 9: Operations: Responsible Enterprise Excellence 260

Operations and Responsible Management	262
Goal: Responsible Enterprise Excellence	262
Phase 1: Describe the Process	264
<i>Mapping the Process</i>	264

<i>Describing the Process through Procedure Documents</i>	267	<i>The Difference between HRM and Responsible HRM</i>	334
<i>Bundling Processes to Management Systems</i>	271	<i>The Business Case for Responsible HRM</i>	336
Phase 2: Be Efficient through Lean Enterprise Methods	274	<i>The New Skills for Responsible HRM</i>	336
<i>Lean Enterprise Methods</i>	274	<i>Responsible HRM Leadership and HRM Stakeholders</i>	337
<i>Toyota Production System</i>	277	<i>The Role of the HR Manager in Advancing Responsible Business</i>	338
Phase 3: Be Effective through Quality Management	279	Phase 1: Recruitment	339
<i>Customer Orientation and Continuous Improvement</i>	280	<i>The Traditional Recruitment Process</i>	339
Breakthrough Improvement through Six Sigma Innovation and Design	285	<i>Developing the Responsible Job Description</i>	340
<i>Benchmarking and Breakthrough Improvement</i>	287	<i>Obtaining Candidates in a Responsible Way</i>	340
Chapter 10: Supply Chain: Responsible Supply and Demand	299	<i>The Selection Process</i>	341
Responsible Management and the Supply Chain	300	<i>Hiring in the Responsible Organization</i>	342
The Goal: Responsible Supply and Demand	301	Phase 2: Training and Development of Employees	342
Phase 1: Understanding the Supply Chain	302	<i>New Employee Orientation</i>	344
<i>Supply Networks</i>	302	<i>A Model for Orientation and Socialization Training</i>	346
<i>Mapping Supply Architectures</i>	303	<i>Employee Development</i>	347
<i>The Role of Small and Medium-Sized Enterprises (SMEs)</i>	304	<i>Employability</i>	348
<i>Social Sustainability</i>	310	Phase 3: Performance Management	349
Phase 2: Managing inside the Supply Chain	311	<i>Performance Evaluation</i>	349
<i>Engagement Practices</i>	312	<i>Core Competencies</i>	350
<i>Standardization and Certification inside the Supply Chain</i>	313	<i>Community Involvement and Environmental Stewardship</i>	351
<i>Application of QM Principles in Environmental Management in OM and SCM</i>	315	<i>Offboarding</i>	353
<i>Ecoefficiency and Ecoeffectiveness</i>	316	Phase 4: Compensation, Benefits, and Employee Well-Being	354
<i>Logistics</i>	316	<i>Driving Principles of a Compensation System</i>	354
Phase 3: Closing the Loop	318	<i>Living Wage</i>	356
<i>Industrial Ecology</i>	319	<i>Employee Well-Being</i>	356
<i>The Circular Economy</i>	320	Phase 5: Employee Relations and Communications	357
<i>Closed-Loop Supply Chains</i>	321	<i>Union-Busting</i>	357
<i>End-of-Life (EOL) Design</i>	322	<i>Employee Communications</i>	358
<i>Further Closed-Loop Tools</i>	323	Chapter 12: Marketing and Communication: Stakeholder Goodwill	366
PART E: LEADING		Marketing, Communication, and Responsible Management	367
Chapter 11: Human Resources: HR-RM Symbiosis	330	The Goal: Stakeholder Goodwill	369
Human Resources and Responsible Management	331	Phase 1: Ensuring Effective Integrated Marketing Communication	370
The Goal: HR-RM Symbiosis	332	<i>Understanding Effective Communication</i>	371
Phase 0: Understanding the HR-RM Interdependent Relationship	333	<i>Marketing Responsible Business Performance</i>	377
		Phase 2: Applying Responsible Management Marketing and Communication Tools	381
		<i>Spheres of Application of Responsible Management Communication Tools</i>	381

<i>Responsible Management Communication Tools</i>	383	Phase 2: Evaluation and Elaboration of the Data	459
Phase 3: Customizing Stakeholder Communication	389	<i>Costing Models</i>	459
<i>A Stakeholder Communication Model</i>	389	<i>Responsible Business Performance Metrics Indicators</i>	460
<i>Stakeholder Audience Analysis</i>	391	<i>The Value-Added Model</i>	464
Chapter 13: International Business and Management: Glocally Responsible Business	402	<i>Social Return on Investment</i>	466
Responsible Management and International Business	403	Phase 3: Reporting	466
The Goal: Glocally Responsible Business	405	<i>Global Reporting Initiative</i>	468
Phase 1: Understanding the Glocal Business Context	405	<i>Integrated Reporting</i>	470
<i>Globalization</i>	406	<i>Auditing and Assurance</i>	471
<i>Localizing Responsible Business</i>	408	<i>Ethics of Accounting</i>	474
Phase 2: Assessing the Responsible International Business	415	Phase 4: Management Control	474
<i>A Transnational Perspective of Responsible Management</i>	415	<i>Responsible Management Dashboard</i>	476
<i>Assess the Type of International Firm the Company Is</i>	416	Chapter 15: Finance: Responsible Return on Investment	485
<i>Assessing the Company's Degree of Global Sustainability, Responsibility, and Ethics</i>	417	Responsible Financial Management	486
Phase 3: Mapping International Business Activity	421	The Goal: Responsible Return on Investment (RROI)	488
<i>Global Sourcing</i>	423	Phase 0: Understanding Financial Management	489
<i>Global Trade</i>	424	<i>Mechanisms and Structures of Mainstream Financial Management</i>	489
<i>Foreign Markets</i>	426	<i>Questioning Paradigms of Financial Management</i>	492
<i>International Subsidiaries</i>	428	Phase 1: Financing Responsible Business	493
<i>Global Strategic Alliances</i>	430	<i>Socially Responsible Investing</i>	495
Phase 4: Responsibly Managing in a Globalized Business	431	<i>SRI Indices</i>	497
<i>Cross-National Diversity Management</i>	432	<i>Activist Shareholding</i>	499
<i>Intercultural Management</i>	432	<i>Directed Financing: Private Equity and Impact Investing</i>	499
<i>Cross-Cultural Ethics</i>	434	<i>Alternative Ownership Models</i>	500
		<i>Cross-Financing and Goodwill Financing</i>	502
		<i>Debt Financing</i>	503
		Phase 2: Capital Budgeting and Programming Internal Activities	503
		<i>Calculating the Social Return on Investment</i>	505
		<i>Subjects of Capital Budgeting</i>	512
		Phase 3: Results and Governance	513
		<i>From Shareholder-Value- to Stakeholder-Value-Based Management</i>	513
		<i>Corporate Governance and Fiduciary Responsibilities</i>	515
		<i>Fiduciary Responsibilities</i>	518
		Subject Index	527
		Name Index	550
PART F: CONTROLLING			
Chapter 14: Accounting and Controlling: Stakeholder Accountability	446		
Accounting and Responsible Management	447		
The Goal: Stakeholder Accountability	449		
Phase 0: Understand the Basics of Accounting	450		
<i>The Rise of Sustainability Accounting and Its Role in Responsible Accounting</i>	453		
Phase 1: Identify the Account and Gather Data	454		
<i>Materiality</i>	457
