<b>Summary and recommendations</b> . . . . .	<b>9</b>

## REPORT

### Part I. Scope and nature of the problem

1. Rural employment problems . . . . .	33
2. Migration . . . . .	45
3. Urban employment problems . . . . .	51
4. Employment problems among particular groups . . . . .	65
5. Inequality and imbalance . . . . .	73
6. The emergence of the problem . . . . .	83

### Part II. An employment-oriented strategy

7. Objectives and over-all strategy . . . . .	105
8. Population policy . . . . .	121
9. Technology . . . . .	133
10. Agriculture . . . . .	151
11. Industry and construction . . . . .	177
12. Services . . . . .	203
13. The development of the informal sector . . . . .	223
14. Education and training . . . . .	233
15. Labour market policies . . . . .	253
16. Incomes and fiscal policy . . . . .	265
17. International policies . . . . .	279
18. Access and equity . . . . .	295
19. Rural development and planning . . . . .	305
20. The cost of inaction . . . . .	325

## **Employment, incomes and equality**

### **TECHNICAL PAPERS**

#### **Part I. Scope and nature of the problem**

1. Estimation of African rural incomes and distribution of agricultural land . . . . . 333
