Part I Introduction to Long-Term Athlete Development

1	Long-Term Athlete Development Model	5
	Beginnings of LTAD 6 • LTAD Model Explained 9 • Sport for Life Philosophy 12 • Framework for Working Together 13 • Guide for Participating in Sport and Physical Activity 14 • Tool for Change 14 • Summary 14 • Questions for Reflection 16 • References 16 • To Learn More 16	
2	Athletes With Disabilities	19
	Sport for People With Disabilities 20 • LTAD Stages for Athletes With Disabilities 21 • Special Considerations 24 • Supporting Athletes With Disabilities 24 • Summary 28 • Questions for Reflection 28 • References 28 • To Learn More 28	

Part II Key Factors in Long-Term Athlete Development

3	Physical Literacy	33
	Physical Literacy Definitions 34 • Physical Literacy Development in Children 37 • Appropriate Skill Development in Children 43 • Summary 46 • Questions for Reflection 46 • References 46 • To Learn More 47	
4	Specialization	49
	Specialization Defined 51 • Negative Consequences of Specializing Too Early 52 • Positive Effects of Specialization at the Optimal Time 53 • Optimal Time to Specialize 54 • Specialization Groups 54 • Sport-Specific Specialization Athlete Development Models 57 • Summary 59 • Questions for Reflection 60 • References 60 • To Learn More 61	

5	Age	63
	Age Categories 64 • Relative Age 65 • Developmental Age 68 • Measuring and Monitoring Growth 69 • Summary 77 • Questions for Reflection 77 • References 77 • To Learn More 78	
6	Trainability	79
	Sensitive Periods of Trainability 81 • Trainability of Stamina 84 • Trainability of Strength 85 • Trainability of Speed 86 • Trainability of Skill 87 • Trainability of Suppleness 89 • Training and Competition During Puberty 89 • Summary 90 • Questions for Reflection 91 • References 91 • To Learn More 92	
7	Intellectual, Emotional, and Moral Development	93
	Capacities 94 • Interplay of Intellectual, Emotional, and Moral Development 95 • Physical Development 97 • Intellectual Development 97 • Emotional Development 98 • Moral Development 99 • Influence of Intellectual, Emotional, and Moral Development on LTAD 100 • Learning Styles 101 • Summary 103 • Questions for Reflection 103 • References 103 • To Learn More 103	
8	Excellence Takes Time	105
	Importance of Practice in Excellence 107 • Importance of Multisport Participation and Free Play 108 • Importance of the Physical, Cognitive, and Emotional Domains to Excellence 109 • Perils of Premature Selection 109 • Keys to Achieving the Necessary Training Hours 110 • Summary 112 • Questions for Reflection 112 • References 113 • To Learn More 113	
9	Periodization	115
	Periodization and LTAD 118 • Components of Periodization 119 • 10-Step Approach to Creating an Annual Plan 126 • Implementing the 10 Steps of an Annual Cycle 131 • Summary 132 • Questions for Reflection 132 • References 132 • To Learn More 133	
10	Competition	135
	Competition and LTAD 137 • Issues in Competition 141 • Making Good Decisions 144 • Training-to-Competition Ratios Through the Stages 151 • Summary 152 • Questions for Reflection 153 • References 153 • To Learn More 154	
11	Sport System Alignment and Integration	155
	System Alignment From an Individual Perspective 157 • System Alignment From a Sport Organization Perspective 164 • System Alignment From a Sector Perspective 167 • LTAD and S4L Implications for Policy Development 171 • Summary 173 • Questions for Reflection 174 • References 174 • To Learn More 174	
12	Continuous Improvement	175
	Technology Changes 177 • Paradigm Changes 178 • Influencing Change 181 • Actions for Continuous Improvement 183 • Summary 185 • Questions for Reflection 185 • References 185 • To Learn More 185	

Part III Stages of Long-Term Athlete Development

13	Active Start	191
	Active Start Importance 192 • Physical Activity and the Brain 193 • Critical and Sensitive Periods 193 • Maturity and Body Movements 194 • Appropriate Activities and Programs 196 • Summary 200 • Questions for Reflection 201 • Reference 201 • To Learn More 201	
14	FUNDamentals	203
	Evolution of Skills 204 • Fundamental Movement Skills 205 • Locomotor Skills in Varied Environments 208 • Attaining All of the Fundamental Movement Skills 208 • Learning and Teaching Fundamental Movement Skills 210 • Key Training and Performance Characteristics 211 • Summary 214 • Questions for Reflection 215 • References 215 • To Learn More 216	
15	Learn to Train	217
	Learn to Train Basics 218 • Key Training and Performance Characteristics 220 • Summary 225 • Questions for Reflection 226 • References 226 • To Learn More 226	
16	Train to Train	227
	Train to Train Basics 229 • Key Training and Performance Characteristics 230 • Summary 235 • Questions for Reflection 236 • References 236 • To Learn More 236	
17	Train to Compete	237
	Train to Compete Basics 239 • Key Training and Performance Characteristics 240 • Summary 244 • Questions for Reflection 244 • References 244 • To Learn More 245	
18	Train to Win	247
	Train to Win Basics 249 • Key Training and Performance Characteristics 250 • Summary 252 • Questions for Reflection 253 • References 253 • To Learn More 253	
19	Active for Life	255
	Active for Life Basics 256 • Importance of Active for Life 257 • Competitive for Life Basics 258 • Fit for Life Basics 260 • Sport and Physical Activity Leaders 261 • Summary 266 • Questions for Reflection 266 • References 267 • To Learn More 267	

Epilogue 268

Appendix A: Yearly Training Plan Chart 271

Appendix B: Step-by-Step Process for Creating an Annual Training, Competition, and Recovery Program for Developmental Athletes 275
