

Index

5 Preface

Elke Pahl-Weber, Bernd Kochendörfer, Lukas Born, Carsten Zehner

Introduction

12 Climate Change and Sustainable Transportation in Megacities

Wulf-Holger Arndt, Xiaoxu Bei, Günter Emberger, Ulrich Fahl, Oliver Lah, Alexander Sohr, Jan Tomaschek

Challenges and Strategies for Sustainable Mobility in Five Megacities

25 Ho Chi Minh City, Vietnam—Can HCMC Reach its CO₂ Targets in the Transport Sector?

Günter Emberger

39 Energy-efficient Transport Planning for Hyderabad, India

Tanja Schäfer, Angela Jain

59 Tehran-Karaj, Hashtgerd—Integrated Urban and Transportation Planning for GHG Emission Reduction

Wulf-Holger Arndt, Norman Döge

78 Climate-protection Strategies for the Transport Sector of Gauteng Province, South Africa

Jan Tomaschek, Ulrich Fahl

94 Metrasys, Sustainable Mobility for Megacities—Traffic Management and Low-carbon Transport for Hefei, China

Oliver Lah, Alexander Sohr, Xiaoxu Bei, Kain Glensor, Hanna Hüging, Miriam Müller

Outcomes

108 Mobility and Transportation Concepts for Sustainable Transportation in Future Megacities

Wulf-Holger Arndt, Xiaoxu Bei, Günter Emberger, Ulrich Fahl, Angela Jain, Oliver Lah,
Alexander Sohr, Jan Tomaschek

Appendix

123 The Projects of the Programme on Future Megacities in Brief

142 Authors

144 Imprint
