Part I Real-Valued MADM Methods and Their Applications

1	Rea	l-Value	d MADM with Weight Information Unknown	3
	1.1	MAD	M Method Based on OWA Operator	3
		1.1.1	OWA Operator	3
		1.1.2	Decision Making Method	9
		1.1.3	Practical Example	11
	1.2	MAG	DM Method Based on OWA and CWA Operators	13
		1.2.1	CWA Operator	13
		1.2.2	Decision Making Method	14
		1.2.3	Practical Example	16
	1.3	MAD	M Method Based on the OWG Operator	18
		1.3.1	OWG Operator	18
		1.3.2	Decision Making Method	19
		1.3.3	Practical Example	19
	1.4	MADM Method Based on OWG Operator		
		1.4.1	CWG Operator	21
		1.4.2	Decision Making Method	23
		1.4.3	Practical Example	24
	1.5	MADM Method Based on Maximizing Deviations		
		1.5.1	Decision Making Method	26
		1.5.2	Practical Example	29
	1.6	MAD	M Method Based on Information Entropy	30
		1.6.1	Decision Making Method	30
		1.6.2	Practical Example	31
	1.7	MADM Method with Preference Information on Alternatives		32
		1.7.1	Preliminaries	33
		1.7.2	Decision Making Method	35
	1.8	Consensus Maximization Model for Determining Attribute		
		Weigh	nts in MAGDM [135]	45
		1.8.1	Consensus Maximization Model	45
		1.8.2	Practical Example	48
