|--|----|
| How to Use the Study Guide                             | 1  |
| Chapter 1. Foundations of Psychological Measurement    | 3  |
| A. Overview  | 3  |
| B. Terminology   | 3  |
| C. Completion Exercises                                | 6  |
| D. Practice Tests                                      | 10 |
| E. Problems and Projects                               | 13 |
| Chapter 2. Test Preparation, Scoring and Item Analysis | 15 |
| A. Overview  | 15 |
| B. Terminology   | 16 |
| C. Completion Exercises                                | 18 |
| D. Practice Tests                                      | 22 |
| E. Problems and Projects                               | 25 |
| Chapter 3. Norms, Reliability, and Validity            | 29 |
| A. Overview  | 29 |
| B. Terminology   | 30 |
| C. Completion Exercises                                | 34 |
| D. Practice Tests                                      | 39 |
| E. Problems and Projects                               | 42 |
| Chapter 4. Standardized Achievement Tests              | 44 |
| A. Overview  | 44 |
| B. Terminology   | 45 |
| C. Completion Exercises                                | 47 |
| D. Practice Tests                                      | 52 |
| E. Problems and Projects                               | 54 |

|  |     |
|--|-----|
| Chapter 5. Intelligence Testing                                | 56  |
| A. Overview  | 56  |
| B. Terminology   | 57  |
| C. Completion Exercises,                                       | 59  |
| D. Practice Tests  | 63  |
| E. Problems and Projects                                       | 66  |
| Chapter 6. Intelligence: Research and Theories                 | 67  |
| A. Overview  | 67  |
| B. Terminology   | 68  |
| C. Completion Exercises  | 71  |
| D. Practice Tests  | 77  |
| E. Problems and Projects                                       | 82  |
| Chapter 7. Tests of Special Abilities                          | 85  |
| A. Overview  | 85  |
| B. Terminology   | 86  |
| C. Completion Exercises  | 88  |
| D. Practice Tests  | 94  |
| E. Problems and Projects                                       | 99  |
| Chapter 8. Interests, Attitudes, and Values                    | 100 |
| A. Overview  | 100 |
| B. Terminology   | 101 |
| C. Completion Exercises  | 103 |
| D. Practice Tests  | 109 |
| E. Problems and Projects                                       | 112 |
| Chapter 9. Personality: Foundations, Observations, and Ratings | 115 |

|   |     |
|---|-----|
| A. Overview   | 115 |
| B. Terminology                                      | 116 |
| C. Completion Exercises                             | 121 |
| D. Practice Tests                                   | 127 |
| E. Problems and Projects                            | 131 |
| Chapter 10. Personality Inventories and Projectives | 134 |
| A. Overview   | 134 |
| B. Terminology                                      | 135 |
| C. Completion Exercises                             | 137 |
| D. Practice Tests                                   | 143 |
| E. Problems and Projects                            | 147 |
| Chapter 11. Contemporary Issues and Developments    | 149 |
| A. Overview   | 149 |
| B. Terminology                                      | 150 |
| C. Completion Exercises                             | 152 |
| D. Practice Tests                                   | 163 |
| E. Problems and Projects                            | 168 |
| Answers to Completion Exercises                     | 170 |
| Answers to Practice Tests                           | 182 |
| Answers to Problems                                 | 184 |
