List of tables	XII
Preface	XIII
Introduction	1
1. The starting point	2
2. The kinds of 'meaning' to look for	6
3. Organization of the book	8
4. Sources of evidence	9
CHAPTER 1	
Route-path prefixes and basic concepts	11
1. The objective meanings	12
1.1 <i>Über</i> and <i>unter</i>	13
1.2 <i>Durch</i>	15
1.3 <i>Um</i>	16
2. Extending objects, fictive motion, and meanings as dynamic patterns	16
3. The meaning of the prefixed verb construction itself	18
3.1 Synoptic vs sequential construals	19
3.2 Schematic meanings in grammatical constructions	22
4. Types with route-path prefixes	25
4.1 Holistic paths	25
4.1.1 Geometric images	25
4.1.2 Focal obstacles	27
4.1.3 Summary of holistic paths	28
4.2 Multi-directional paths	28
4.2.1 Multiplexes and masses	32
4.2.2 Multi-directional paths as uniquely synoptic	33
4.3 Summary of basic characteristics	34
4.4 Accusative LMs	36
4.5 <i>Über-</i> and <i>unter-</i> verbs with an implicit LM	39

5. Direct contrasts 41
 - 5.1 *Überführen* vs *ÜBERführen* 42
 - 5.2 *Durchschneiden* vs *DURCHschneiden* 44
6. Summary 48

CHAPTER 2

Be-

53

1. Core meaning 53
 - 1.1 The schematic image 56
 - 1.2 Comparing German and English 58
2. *Be-* verbs and transitivity 59
 - 2.1 *Be-* verbs that transitivize 61
 - 2.2 Applicative constructions and the “locative alternation” 64
3. Direct contrasts with unprefixated transitive constructions 66
 - 3.1 Direct contrasts with unprefixated goal-object verbs 67
 - 3.2 Direct contrasts with other unprefixated verbs 70
 - 3.2.1 Sustain an activity 70
 - 3.2.2 More complex activities 71
 - 3.2.3 Accusative LM vs accusative FG 73
 - 3.2.4 Special notice: *merken* vs. *bemerken* 77
 - 3.3 Bare denominals vs denominal *be-* verbs 82
 - 3.3.1 Sustained processes 83
 - 3.3.2 Untransformed LMs 84
 - 3.3.3 Uncompleted events 87
 - 3.3.4 Marking the construction as denominal 88
 - 3.4 Deadjectival verbs 88
 - 3.5 Summary: The semantic contribution of *be-* 91
4. Stylistic tendencies 92
 - 4.1 Register 92
 - 4.2 Past participles 93
 - 4.3 Marking complex denominal base verbs 94
5. The irrelevance of themes 94
 - 5.1 Themes and instruments 96
 - 5.2 *Be-* verbs with no theme 98
6. Frequencies 99

CHAPTER 3

Ent-

101

1. Schematic meaning 101
 - 1.1 Privative *ent-* 102
 - 1.2 Separation by a focal theme 105
 - 1.3 The shared underlying pattern 107

2. Contrasts with unprefixed verbs 109
 - 2.1 Simple verbs 109
 - 2.2 Particle verbs with *ab-* and *aus-* 110
 - 2.3 Particle verbs with *an-* 113
3. Issues with *ent-* verbs 114
 - 3.1 'Reversative' *ent-* 114
 - 3.2 'Inchoative' *ent-*? 117
 - 3.3 "Illogical" deadjectival privatives with resulting state 119
 - 3.4 Privative divesting vs separating with a focal theme 121
 - 3.4.1 From 'divesting of' to 'separating from' 121
 - 3.4.2 *Von*-PPs vs genitive 123
 - 3.4.3 English *of/from* alternations 124
4. Frequencies 125

CHAPTER 4

Er-

127

1. Schematic meaning 127
 - 1.1 The focal nouns 130
 - 1.2 Aspectual implications 132
 - 1.3 *Er-* verbs as stylistically marked 133
 - 1.4 English counterparts to *er-* 133
2. 'Attaining' *er-* verbs vs unprefixed verbs 135
 - 2.1 Alternating *er-* verbs and simple verbs 135
 - 2.2 Directly contrasting *er-* verbs and simple verbs 140
 - 2.3 *Er-* vs *aus-* 143
3. Contrasts with 'emerging' *er-* verbs 145
 - 3.1 'Emerging' *er-* verbs vs simple base verbs 148
 - 3.2 *Er-* vs *auf-* 149
 - 3.2.1 Intransitive onset 150
 - 3.2.2 Caused onset 152
 - 3.3 *Er-* verbs vs *werden/machen* with adjective 154
4. Summary of contrasts 158
5. Grammatical issues 158
 - 5.1 Types of base verb 158
 - 5.2 Transitivity 160
6. Frequencies 162

CHAPTER 5

Zer-

165

1. Schematic image 167
2. Grammatical constructions 169
3. Specifying the result 171

4. Breaking in two 172
5. *Zer-* vs simple verbs 173
6. *Zer-* verbs vs particle verbs 174
7. Frequencies 175

CHAPTER 6

Ver-

177

1. The difficulties 177
2. The schematic image 180
3. Specific variants 183
 - 3.1 Be displaced 183
 - 3.2 Be closed off from access 185
 - 3.3 Lose independence 185
 - 3.4 Become altered 187
 - 3.5 Be ruined 188
 - 3.6 Deviate from a course 189
 - 3.7 Summary 190
4. Grammatical characteristics 191
 - 4.1 Grammatical types 191
 - 4.2 Aspectual issues 192
5. *Ver-* verbs vs simple verbs 193
 - 5.1 'Altering' contrasts 194
 - 5.1.1 *Verändern* vs *ändern* 194
 - 5.1.2 *Verfälschen*, *verärgern* 199
 - 5.1.3 *Verkürzen* 201
 - 5.1.4 *Verbessern* 202
 - 5.1.5 'Altering' summary 203
 - 5.2 *Ver-* verbs vs simple activity verbs 203
 - 5.2.1 Merging and submerging 203
 - 5.2.2 Preventing 208
 - 5.2.3 Initiating a path 212
 - 5.3 Summary: Contrasting *ver-* verbs and simple verbs 215
6. Contrast with verb particles 216
 - 6.1 *Ver-* vs *ab-* 217
 - 6.2 *Ver-* vs *aus-* 219
7. Locational PPs vs goal PPs 220
 - 7.1 Normal synoptic displacement 220
 - 7.2 Inward-directed paths 222
 - 7.3 Directed distribution 225
8. Frequencies 226

CHAPTER 7

The system of prefixes	229
1. <i>Ver-</i> vs <i>ent-</i>	229
1.1 Near antonyms	230
1.2 Near synonyms	231
1.2.1 <i>Verschwinden</i> vs <i>entschwinden</i>	231
1.2.2 <i>Ent-</i> and overcoming resistance	234
2. <i>Ver-</i> vs <i>er-</i>	236
2.1 Near antonyms	236
2.2 Near synonyms: 'Altering' (<i>ver-</i>) vs 'emerging' (<i>er-</i>)	237
2.2.1 Losses and gains?	239
2.2.2 Emerging from within (<i>er-</i>) vs being altered (<i>ver-</i>)	241
2.3 Other near synonyms	247
2.3.1 Dying	247
2.3.2 <i>Vertragen</i> vs <i>ertragen</i>	249
2.4 Summary of <i>ver-</i> vs <i>er-</i>	250
3. <i>Ver-</i> vs <i>be-</i>	250
4. <i>Ver-</i> vs <i>zer-</i>	252
5. <i>Be-</i> vs route-path prefixes	254
6. <i>Be-</i> vs <i>ent-</i>	256
6.1 Antonyms	256
6.2 <i>Ent-</i> verbs vs <i>berauben</i>	257
7. <i>Be-</i> vs <i>er-</i>	258
8. <i>Ent-</i> vs <i>er-</i>	259
8.1 Near antonyms	259
8.2 'Originating' vs 'emerging'	260
9. The system of verb prefixes	261
9.1 The synoptic construal pattern	262
9.2 The semantic FGs (the verb events)	263
9.3 The semantic LMs (the synoptic settings)	264
9.4 Gains and losses	264
9.5 Grammatical patterns	265
9.5.1 Noun roles	265
9.5.2 Base verbs	267
9.5.3 Aspectual implications	268
9.6 Summary	269
10. Theoretical implications	269
