Introduction

| | | |
|------------|--|----|
| 1. | Aim and Scope of this Study | 1 |
| 2. | The Method of Investigation | 2 |
| 1. | <i>The Theoretical Foundations of the Issues of Implicativeness and Control</i> | 4 |
| 1.1. | Implicativeness | 4 |
| 1.1.1. | The Problem | 4 |
| 1.1.2. | The Treatment of Implicativeness as a Property of Verbs in Generative Grammar | 6 |
| 1.1.2.1. | Presupposition, Factivity, Implicativeness | 7 |
| 1.1.2.2. | Karttunen's Theory of Implicativeness | 14 |
| 1.1.2.3. | Extensions and Modifications of Kart- tunen's Theory of Implicativeness | 19 |
| 1.1.3. | Assessment of the Theories of Implica- tiveness | 26 |
| 1.2. | Control | 30 |
| 1.2.1. | The Problem | 30 |
| 1.2.2. | The Treatment of Control in Generative Grammar | 32 |
| 1.2.2.1. | The (Extended) Standard Theory | 32 |
| 1.2.2.1.1. | The Rule of EQUI-NP DELETION | 33 |
| 1.2.2.1.2. | Syntactic Irregularity and Deep Structure Constraints | 37 |
| 1.2.2.1.3. | The Nominalist vs. Sententialist Analysis of POSS-ING Constructions and their Implications for Control | 42 |
| 1.2.2.1.4. | The Treatment of Control in Interpretive Semantic Theory | 53 |
| 1.2.2.1.5. | The Trace Theory of Movement Rules | 61 |
| 1.2.2.2. | The Treatment of Control within a Framework of Semantic-Syntactic Non- discreteness (Generative Semantics) | 65 |
| 2. | <i>The Experiments</i> | 70 |
| 2.1. | The Hypotheses | 70 |
| 2.1.1. | P-Implicativeness | 70 |
| 2.1.2. | Control | 71 |

| | | |
|--------------|---|-----|
| 2.2. | The Corpus of Verbs | 74 |
| 2.3. | The Test | 77 |
| 2.3.1. | The Test Method | 77 |
| 2.3.2. | The Informants | 81 |
| 3. | <i>The Evaluation of the Test</i> | 83 |
| 3.1. | The Statistical Methods | 83 |
| 3.1.1. | Part I | 83 |
| 3.1.2. | Part II | 83 |
| 3.1.3. | Part III | 84 |
| 3.2. | P-Implicativeness | 84 |
| 3.2.1. | Overall Results | 84 |
| 3.2.2. | Analysis of Individual Verbs | 90 |
| 3.2.3. | The Implications of the Results | 93 |
| 3.2.4. | Conclusions | 100 |
| 3.3. | Control (Expositive Verb) | 101 |
| 3.3.1. | Overall Results | 101 |
| 3.3.2. | Analysis of Individual Verbs | 110 |
| 3.3.3. | Implications of the Results | 112 |
| 3.3.4. | Conclusions | 116 |
| 3.4. | Control (Attitudinal Verbs [LIKE/HATE]) | 118 |
| 3.4.1. | Overall Results | 118 |
| 3.4.2. | Analysis of the Results | 122 |
| 3.4.2.1. | The LIKE vs. HATE Opposition | 122 |
| 3.4.2.2. | Two Classes of Complement Verbs | 124 |
| 3.4.2.3. | The Elicitation Methods | 126 |
| 3.4.3. | Conclusions | 129 |
| 4. | <i>Theoretical Conclusions</i> | 133 |
| 4.1. | The Common Features of the Two Issues of P-Implicativeness and Control | 133 |
| 4.2. | A Theoretical Framework | 135 |
| 4.2.1. | P-Implicativeness | 140 |
| 4.2.2. | Control | 144 |
| 4.2.2.1. | Expositive Verbs | 144 |
| 4.2.2.2. | Attitudinal Verbs (LIKE/HATE) | 145 |
| Appendix A | | 146 |
| Appendix B | | 147 |
| Bibliography | | 154 |
