	Abbreviations and Transcription Conventions	xi
1	The "P" Phenomenon	1
	1.1. Elusive Elements	3
	1.2. Preposition or Particle?	6
	1.3. Developing a New Approach	10
	1.4. Conclusion	13
2	Syntactic Solutions to the Problem of P	14
	2.1. Preposition vs. Particle Tests	14
	2.2. The "Adprep" Category	23
	2.3. The Inadequacy of Syntactic Tests	25
3	Semantic Solutions to the Problem of P	26
	3.1. Particle Constructions	26
	3.2. Preposition Constructions	33
	3.3. Inadequacy of Syntactic–Semantic Explanations	39
4	The Problem Revisited: A Data-driven Approach	41
	4.1. The Need for Naturalistic Texts	41
	4.2. The Discourse-Functional Approach	43
	4.3. P as a Discourse-Functional Element	44
	4.4. A Discourse-Based Methodology	46
	4.5. Conclusion	53
5	P in Discourse: Orienting, Situating, and Linking	55
	5.1. Orientation and Cognition	55

5.2.	Orientation and Discourse	56	
5.3.	Situating and Linking Adpreps	59	
5.4.	Situating Particles	62	
5.5.	Linking Prepositions	64	
5.6.	Possible Counterarguments	66	
5.7.	Conclusion	71	
6	Landmarks as Contextual Props	72	
6.1.	Information Properties of P-Landmarks	73	
6.2.	Semantic Class of Landmarks	74	
6.3.	Landmarks as Discourse Props	76	
6.4.	Semantic Class as an Exception to the Pattern	79	
6.5.	Pronoun Landmarks as an Exception to the Pattern	80	
6.6.	Prepositional Phrases and Intonation Units	82	
6.7.	Conclusion	67	
7	Prepositions, Particles, and Pragmatic Focus	84	
7.1.	Preposition or Particle? Cognitive-Semantic Motivations	84	84
7.2.	Cognitive-Semantic Motivations for Transitivity	86	
7.3.	Proposed Discourse Motivations	87	
7.4.	Contexts for Particle-Preposition Alternation	90	
7.5.	Pragmatic Focus	94	
7.6.	Particle Movement: A Focus-Marking Strategy	102	
7.7.	Conclusion	103	
8	P in Construction	105	
8.1.	Constructional Meaning	106	
8.2.	The Layered Structure of the Clause	106	
8.3.	Core Scope Constructions	107	
8.4.	Nuclear Scope Constructions	112	
8.5.	Peripheral Scope Constructions	121	
8.6.	NP Scope	128	
8.7.	P Scope: The P-Compound Construction	129	
8.8.	Conclusion	131	
9	The Historical Picture: P and Specialization	135	
9.1.	Particle and Preposition Specialization	136	
9.2.	Grammaticization Principles	144	
9.3.	P-Meanings in Unrelated Languages	147	
9.4.	The History of Indo-European P-Forms	148	
9.5.	P-Specialization as a "Panchronic" Phenomenon	160	
9.6.	The Basic Function of P	161	
9.7.	Synchronic Reconstruction	162	
9.8.	Conclusion: What Do Speakers "Know" about P?	170	
10	The Big Picture	172	
10.1.	Summary of the Study	172	
10.2.	Questions Answered	174	

10.3. Questions Unanswered	183
10.4. Implications	186
10.5. Conclusion	189
