Preface and Acknowledgments xv

CHAPTER 1.

AN INTRODUCTION TO SANITATION IN ROMAN ITALY AND URBAN CASE STUDIES OF THE BEST-PRESERVED PUBLIC LATRINES 1

1. The Scholarly Context for the Archaeology of Sanitation
and Why It Has Not Been Well Studied 1
2. Early Latrines in the Roman Urban Landscape 3
3. Pompeii 5
4. Herculaneum 11
5. Rome 13
6. Ostia 17
7. Observations from a Miscellany of Other Latrine Sites in Italy 22
8. A Proposed Latrine Typology for the First Centuries B.C. and A.D. 26
9. Some Observations about Private Toilets in Pompeii
and Herculaneum 32
10. Argument for a More Nuanced Approach to
Roman Hygiene and Sanitation 34

CHAPTER 2.

“BLACK HOLES” IN ANCIENT SPACE: EXPLORING HYGIENE AND SANITATION THROUGH CROSS-CULTURAL ANTHROPOLOGY AND ARCHAEOLOGICAL THEORY 38

1. Theoretical Frameworks for the Study of Toilets and Sewers 38
2. A Disclaimer, Parameters, and Definitions for the
Study of Roman Sanitation 40
3. Toilets in Biblical Times and in the Lands of Jews
and Other Non-Romans 41

4. Sanitation in Europe from the Middle Ages
to the Nineteenth Century 43
5. Sanitary Practices of Muslims and Hindus in Eastern Countries 46
6. Sanitation in Asian Cultures: China, Japan, and North Vietnam 47
 7. Finding a Benchmark for Modern Western Sanitation 48
 8. An Unorthodox Western View of Sanitation That
Corresponds to Roman Practice 50

CHAPTER 3.

UNDERSTANDING ROMAN SANITATION FROM ARCHAEOLOGY: TOILETS, SEWERS, AND WATER SYSTEMS 52

1. Reasons That Toilets Appeared and Proliferated in
Roman Cities in Italy 52
2. Transfer of Latrine Technology in the Mediterranean 54
3. The Cloaca Maxima in Rome and Misconceptions about
Its Contribution to Sanitation 63
4. Water Management in Roman Cities: Sewers, Drains,
Channels, and Aqueducts 70
5. Waste Disposal and Sewage in Pompeii, Herculaneum,
and Ostia 75
6. Addressing Some Technical Questions about the
Cloaca Maxima and Other Urban Sewers 78

CHAPTER 4.

PINPOINTING BEHAVIORS, ATTITUDES, AND IDEALS FOR ROMAN TOILETS 84

1. Observations from Visiting Roman Toilets 84
2. The Sponge Stick—A Roman Ritual for Cleanliness 86
 3. Roman Uses of Human and Animal Waste 89
 4. Roman Notions of Public and Private 92
 5. The Roman Elite and Their Moral Superiority 96
6. Roman Ideals for Medicine and Health Derived from
Medical and Philosophical Literature 98

CHAPTER 5.

FINDING SOCIAL MEANING ABOUT SANITATION

IN WRITTEN AND PAINTED SOURCES 102

1. Modern Literary and Historical Filters for Dealing with Excrement 102
2. Roman Toilets, Feces, Urine, and Sewers in Latin Literature 104
3. “*Hic cacavit bene*”: Graffiti, *Dipinti*, and Paintings Concerning
Bodily Evacuation 111
4. Conclusions: Some Valuable Lessons from This Study 118
