PART ONE	INTRODUCTION	1
1.	Background, Definition, and Historical Considerations,	3
	The Increasing Popularity of Paradox in Therapy,	3
	The Range of Problems Treated Paradoxically,	4
	Evolving a Working Definition of Paradox,	5
	<i>A Relativistic View of Paradox,</i>	6
	<i>An Interactional View of Paradox,</i>	7
	<i>A Dialectical View of Paradox,</i>	8
	Paradox and Eastern Thought,	10
	<i>Zen and Tibetan Buddhism,</i>	12
	<i>Morita Therapy,</i>	12
	<i>"Tantric Therapy,"</i>	13
	<i>Judo,</i>	14
	<i>Aikido,</i>	15
	Paradoxical Techniques in the West: A Brief History,	15
	An Encapsulation of Paradoxical Techniques,	19
PART TWO	SPECIFIC PARADOXICAL STRATEGIES IN THEIR THEORETICAL CONTEXT	23
2.	Psychoanalysis and Paradigmatic Psychotherapy,	25
	Freud,	25
	Adler,	27

- John Rosen, 30
- Robert Lindner, 31
- Paradigmatic Psychotherapy, 33
- Empirical Research on Paradox in Psychoanalytic Therapy, 40
- 3. Behavior Therapy, 42
  - Behavioral versus Nonbehavioral Paradoxical Techniques, 42
  - Specific Paradoxical Techniques, 46
    - Negative Practice*, 46
    - Massed Practice*, 48
    - Stimulus Satiation*, 50
    - Implosion and Flooding*, 51
    - Paradoxical Intention*, 55
      - Anticipatory Anxiety and Its Therapeutic Antidote, 57
      - Other Theoretical Explanations of Paradoxical Intention, 60
      - Research on Paradoxical Intention, 61
    - "Instructed Helplessness": A Postscript on Behavioral Paradox*, 69
- 4. Gestalt Therapy, 72
  - Affinities between the Gestalt and Psychodynamic Approach, 72
  - Affinities between the Gestalt and Behaviorist Approach, 73
  - Gestalt Therapy and the Dialectical Theory of Change, 75
  - Gestalt Therapy and Eastern Thought, 76
  - Paradox in Gestalt Procedure: Change through Being More of the Same, 77
    - Identifying with, or "Becoming," Dissociated Parts of the Self*, 78
    - Accepting, or "Staying with," the Symptom or Unwanted Experience*, 79

*Accentuating or Exaggerating Submerged Elements of the Self,* 82

Empirical Research on Paradox in Gestalt Therapy, 83

5. The Systems Approach—Theory and Therapy, 84

Systems Theory as Applied to Therapy, 84

*Systems Theory versus Psychodynamic, Behavioral, and Gestalt Theories,* 84

*The Bateson Project, Family Systems Theory, and the Double-Bind Concept of Schizophrenia,* 88

*The Therapeutic Double Bind,* 90

*First- and Second-Order Change,* 93

*The Mental Research Institute,* 94

*The Milan Center for Family Studies,* 97

*The Role of Symptoms in Systems,* 98

*Erickson and Systemic Paradox,* 99

*Some Theoretical Undercurrents of Strategic Therapy,* 101

Techniques and Tactics of Strategic Therapy, 103

*Introduction,* 103

*Reframing, Relabeling, and Redefinition,* 105

Positive Connotation, 109

*Symptom Prescription,* 110

*Some Extensions and Variants of Symptom Prescription,* 117

Symptom Modification, 118

Symptom Exaggeration, 119

System Prescription, 120

Paradoxical Family Rituals, 121

Paradoxical Written Messages, 122

Restraining Change, 123

Relapse Prediction, 125

Relapse Prescription, 125

Declaring Helplessness, 126

“The Confusion Technique,” 128

Empirical Research, 129  
*Introduction*, 129  
*Clinical and Quasiclinical Studies*, 132  
*Academic Counseling Experiments*, 138

PART THREE CONCLUSION

149

6. Toward a Theory of Paradox in Psychotherapy, 151

Therapeutic Paradox as Bringing Together Diverse Theoretical Outlooks, 151

Transcending Theoretical Boundaries to Evolve a “Metatheory” of Therapeutic Paradox, 156

From Theoretical Speculation to Empirical Examination: The Challenge for Research, 165

Symptom Acceptance and Encouragement: How the Therapist Gains Control of the Therapeutic Relationship, 171

Paradox in Hypnotherapy: The Connecting Link? 173

*The Utilization of Symptoms*, 173

*The Utilization and Reframing of Resistance*, 174

*Directing Patients “Spontaneously” to Change Their Behavior*, 177

The Essence of Therapy as Paradoxical, 177

*The Paradoxical Nature of Symptoms*, 177

*The Paradoxical Nature of the Therapist’s Role*, 178

*The Paradoxical Nature of the Therapeutic Process*, 181

The Therapist’s Taking Responsibility for Clients’ Taking Responsibility for Their Problems, 183

*The Therapist’s “Benevolent Refusal” to Help Clients*, 183

*The Therapist’s Helping Clients to Recognize the Voluntariness of Their Behavior*, 186

<b>APPENDIX A SELECTED WRITINGS ON THE PLANNING AND EXECUTION OF PARADOXICAL STRATEGIES</b>	<b>189</b>
Introduction, 189	
Selections	
Joseph R. Newton, "Considerations for the Psychotherapeutic Technique of Symptom Scheduling"	192
Jay Haley, "Giving Directives"	205
Carlos E. Sluzki, "Marital Therapy from a Systems Therapy Perspective"	209
Peggy Papp, "Paradoxical Strategies and Countertransference"	220
Steve de Shazer, "Brief Family Therapy: A Metaphorical Task"	223
Jeffrey K. Zeig, "Symptom Prescription Techniques: Clinical Applications Using Elements of Communication"	229
Lawrence Fisher, Ann Anderson, and James E. Jones, "Types of Paradoxical Intervention and Indications/Contraindications for Use in Clinical Practice"	237
Michael Rohrbaugh, Howard Tennen, Samuel Press, and Larry White, "Compliance, Defiance, and Therapeutic Paradox: Guidelines for Strategic Use of Paradoxical Interventions"	249
Gerald R. Weeks and Luciano L'Abate, "Paradoxical Letters"	262
D. Sean O'Connell, "Symptom Prescription in Psychotherapy"	269
<b>APPENDIX B A CHECKLIST OF SYMPTOMS AND PROBLEMS TREATED PARADOXICALLY</b>	<b>274</b>
<b>A COMPREHENSIVE BIBLIOGRAPHY ON PARADOXICAL THERAPEUTIC STRATEGIES</b>	<b>282</b>
