ACKNOWLEDGEMENTS	iii
ABSTRACT	v
Chapter	
I. INTRODUCTION	1
General Nature of the Study	
Main Problems	
Need for the Study	
Delimitations and Limitations of the Study	
Investigator's Frame of Reference	
Definition of Terms	
II. ORIENTATION TO SELF-DISCLOSURE RESEARCH	10
III. PROCEDURE	13
Overview of the Procedure	
Sources of Data	
Nature of the Data	
Analysis of the Data	
Exclusion Criteria	
IV. ATTITUDES TOWARD THERAPIST SELF-DISCLOSURE	19
Overview	
Psychoanalytic Views Concerning Therapist Self-Disclosure	
Humanistic Attitudes Toward Therapist Disclosure	
Behavioristic Attitudes Regarding Therapist Self-Disclosure	
Two Surveys Assessing Therapists' General Willingness and Tendencies to Self- Disclose	
Summary	

V. THE RELATIONSHIP BETWEEN THERAPIST PERSONALITY AND THERAPIST SELF-DISCLOSURE 33

Overview

Predictability of Disclosure Pattern as a Function of Personality
 Healthy Personality and Therapist Disclosure
 The Relationship Between Maladjustment and Disclosure
 Personality Attributes Correlated with Transparency
 Therapist Self-Disclosure as a Function of Anxiety and Defensiveness
 Risk and Self-Disclosure
 Self-Awareness and Self-Disclosure
 Self-Esteem and Self-Disclosure
 Need for Acceptance or Approval
 Spontaneity
 Need for Privacy
 Manipulation
 Extrapolation Precautions
 Summary

VI. MODELING AND RECIPROCITY OF SELF-DISCLOSURE 52

Overview

Theories Concerning Reciprocity
 Modeling Self-Disclosure to Facilitate Clients' Therapy Progress
 Indirect Modeling of Self-Disclosure
 Comparison of Modeling with Other Approaches in Facilitating Self-Disclosure
 Use of Modeling with Emotionally Disturbed Subjects
 Summary

VII. MAJOR USES AND ABUSES OF THERAPIST SELF-DISCLOSURE 75

Overview

General Guidelines Concerning Facilitative versus Improper Use of Therapist Self-Disclosure
 Reduction of Ambiguity and Anxiety
 Trust Engendered by Therapist Self-Disclosure
 Use of Therapist Disclosure to Demonstrate Congruence, Empathy, Respect, and Warmth
 Therapist Self-Disclosure Designed to Improve the Therapeutic Relationship
 Manner of Therapist Self-Revelation
 Timing and Frequency of Therapist Disclosure
 Choice of Content in Therapist Self-Disclosure
 Summary

Chapter		Page
VIII.	GENERAL CLIENT REACTIONS TO THERAPIST SELF-DISCLOSURE	92
	Overview	
	Positive Reactions to Therapist Self-Disclosure	
	Negative Reactions to Therapist Self-Revelation	
	Attitudes Toward Therapist Transparency as a Function of Client Distinctions	
	Summary	
IX.	THE RELATIONSHIP BETWEEN ATTRACTION AND SELF-DISCLOSURE	100
	Overview	
	Attraction as a Function of Willingness to Self-Disclose	
	The Relationship Between Attraction and Amount of Disclosure	
	Liking as a Function of Intimacy Level	
	Content and Timing of Disclosure	
	Similar and Dissimilar Self-Disclosure	
	Therapist Self-Disclosure as a Function of Liking for the Client	
	Summary	
X.	THERAPIST SELF-DISCLOSURE AS A FUNCTION OF THERAPIST AND CLIENT AGE AND SEX	110
	Overview	
	The Relationship Between Amount of Self-Revelation and Age	
	Interviewer Disclosure to Children	
	Perceptions of Appropriateness of Disclosure and Mental Health of the Discloser as a Function of Recipient Age	
	The Relationship Between Amount of Self-Disclosure and Gender	
	Intimacy of Disclosure as Related to Sex	
	Accuracy of Self-Disclosure as a Function of Sex	
	Gender and Content	
	Sex Correlates of Attraction	
	Summary
