

## CONTENTS

Introduction .....	13
--------------------	----

### PART ONE

#### *Methodology*

Discussion of the Linguistic Variable .....	17
Phonetic Description of the Burr .....	17
Linguistic Extension of the Burr .....	21
Geographic Extension of the Burr .....	21
Temporal Extension of the Burr .....	26
Social Extension of the Burr .....	27
Discussion of the Social Variables .....	29
Introduction .....	29
I – Age .....	29
II – Place of Birth .....	35
III – Length of Residence .....	37
IV – Education .....	38
V – Work .....	43
VI – Income .....	48
VII – Social Class .....	50
VIII – Socioeconomic Group .....	57
Material and Methods .....	59
Locality and Population .....	59
Reading-list .....	61
Sociological Questionnaire .....	62
The Interviews .....	63
Establishing the Linguistic Behaviour .....	70
Notes to Part One .....	75

### PART TWO

#### *Analysis (Discussion)*

Introduction to the Analytical Parts .....	101
Distribution of the Population .....	101
Distribution of the Burr .....	102
Social Distribution .....	102
Positional Distribution .....	104

Sociolinguistic Intercorrelation .....	105
Levels of R-frequency .....	105
Level A .....	109
Positions I/II/III .....	109
Positions IV & V .....	113
Level B .....	114
Positions I/II/III .....	114
Level BA .....	116
Position IV .....	116
Position V .....	122
Level BB .....	129
Position IV .....	129
Position V .....	135
Level C .....	146
Positions I/II/III .....	146
Level CA .....	166
Position IV .....	166
Position V .....	174
Level CB .....	185
Position IV .....	185
Position V .....	190
Level DA .....	195
Positions I/II/III .....	195
Position IV .....	197
Position V .....	200
Level DB .....	208
All positions .....	208
Positional Stratification and Behavioural Security .....	216
Concluding Remarks .....	222
Notes to Part Two .....	223

### PART THREE

#### *Analysis (Tables)*

Distribution of the Population .....	235
Distribution by Correlated Social Variables (tables 1-2) .....	235
Specific R-frequency by Correlated Social Variables .....	237
Overall Specific R-frequency (tables 3-4) .....	237
Specific Positional R-frequency .....	239
Positions I/II/III (tables 5-6) .....	239
Position IV (tables 7-8) .....	241
Position V (tables 9-10) .....	243

Sociolinguistic Intercorrelations .....	245
Level A .....	245
Positions I/II/III (tables 11-12) .....	245
Level BA .....	247
Position IV (tables 13-14) .....	247
Position V (tables 15-16) .....	249
Level BB .....	251
Position IV (tables 17-18) .....	251
Position V (tables 19-20) .....	253
Level C .....	255
Positions I/II/III (tables 21-22) .....	255
Level CA .....	257
Position IV (tables 23-24) .....	257
Position V (tables 25-26) .....	259
Level CB .....	261
Position IV (tables 27-28) .....	261
Position V (tables 29-30) .....	263
Level DA .....	265
Position IV (tables 31-32) .....	265
Position V (tables 33-34) .....	267
Level DB .....	269
All positions (tables 35-38) .....	269
Distribution of Positional R-frequency by Correlated Social Variables	
- Table Percentages .....	273
Positions I/II/III .....	273
Level C (tables 39-40) .....	273
Position IV .....	275
Level BA (tables 41-42) .....	275
Level BB (tables 43-44) .....	277
Level CA (tables 45-46) .....	279
Position V .....	281
Level BA (tables 47-48) .....	281
Level BB (tables 49-50) .....	283
Level CA (tables 51-52) .....	285
Appendices .....	287
1. The Reading-list Unsystematized .....	287
2. The Reading-list Systematized .....	289
3. A Survey of Reported Results Concerning the Burr in Modern Studies on Dialects within the Boundaries of its Geographic Ex- tension .....	292
Abbreviations .....	294
Bibliography .....	296
<i>Map</i>	
Showing the Geographic Extension of the Burr .....	22
<i>Tables</i>	
1. Distribution of the Population by Isolated Social Variables ....	102
2. Distribution of the Burr by Isolated Social Variables .....	102

3. Positional Distribution of the Burr .....	104
4. Relation (%) of the Three Sections (NM/M/A) of the Social Class Sub-dimension by Positions and by Levels .....	206
5. Distribution of Insecure Linguistic Behaviour by Isolated Variables	220
6. Distribution of Positional Stratification by Isolated Variables ....	221

*Diagrams*

1. Relation between rP/rB/rR by Isolated Social Variables .....	104
2. Distribution of the Burr: Positions I, II, & III .....	106
3. Distribution of the Burr: Positions IV & V .....	107
4. Profiles of Positional Stratification. Schematic Diagram .....	219
