| INTRODUCTION                              | iii         |
| ABBREVIATIONS                             | vii         |
| <br>                                      |             |
| I BIBLIOGRAPHICAL AIDS (1-86)             | 1           |
| A Starting points (1-4)                   | 1           |
| B Serial bibliographies (5-10)            | 3           |
| C Special bibliographies and aids (11-33) | 5           |
| i Fiction (11-15)                         | 5           |
| ii Poetry (16-21)                         | 6           |
| iii Drama (22-24)                         | 7           |
| iv Special topics (25-33)                 | 7           |
| D Guides to reference sources (34-43)     | 9           |
| E Location aids and finding-lists (44-86) | 11          |
| i Books (44-57)                           | 11          |
| ii Manuscripts (58-61)                    | 15          |
| iii Theses (62-65)                        | 16          |
| iv Essays, articles, and reviews (66-84)  | 18          |
| v Work in progress (85-86)                | 22          |
| <br>                                      |             |
| II OTHER REFERENCE SOURCES (87-152)       | 23          |
| A Encyclopedias (87-90)                   | 23          |
| B Dictionaries (91-100)                   | 24          |
| C Biographical dictionaries (101-13)      | 26          |
| i General (101-05)                        | 26          |
| ii British (106-08)                       | 27          |
| iii Australian (109-13)                   | 27          |
| <br>                                      |             |
| D Literature (114-36)                     | 28          |
| i General works (114-17)                  | 28          |
| ii Literary terms (118-20)                | 29          |
| iii Dictionaries of quotations (121-23)   | 30          |
| iv Genre handbooks (124-29)               | 30          |
| v Twentieth-century literature (130-36)   | 31          |
