ANDREAS PASTOORS & MARCO PERESANI	
Preface.....	7
JOÃO MARREIROS, JOÃO CASCALHEIRA & NUNO BICHO	
Flake technology from the early Gravettian of Vale Boi (Portugal).....	11
TELMO PEREIRA, FRANCISCO ALMEIDA, JUAN GIBAJA, TRENTON HOLLIDAY & NUNO BICHO	
How they did it: Gravettian quartzite flakes from western Iberia.....	25
PALOMA DE LA PEÑA ALONSO & GERARDO VEGA TOSCANO	
Flaking technology strategies in early Upper Palaeolithic levels from the southeastern Iberian Peninsula.....	51
JOSÉ-MANUEL MAILLO-FERNÁNDEZ	
Missing lithics: The role of flakes in the early Upper Palaeolithic of the Cantabrian region (Spain).....	69
JORGE MARTÍNEZ-MORENO, RAFAEL MORA, IGNACIO DE LA TORRE & ALFONSO BENITO-CALVO	
The role of flakes in the early Upper Palaeolithic 497D assemblage of Cova Gran de Santa Linya (southeastern Pre-Pyrenees, Spain).....	85
LAURENT CHIOTTI	
Some evidence for flake production in the early Aurignacian: Examples from the Pataud and Castanet rock shelters (France).....	105
ALEXANDRE MICHEL	
The production of flakes and laminar flakes during the middle Aurignacian: The case of layer 8 of the Pataud rock shelter (France).....	119
MIRCO DE STEFANI, MARIO DINI, HELENA KLEMPEREROVA, MARCO PERESANI, FILOMENA RANALDO, ANNAMARIA RONCHITELLI & SARA ZIGGIOTTI	
Continuity and replacement in flake production across the Middle-Upper Palaeolithic transition: A view over the Italian Peninsula.....	135
MICHAEL BOLUS	
Flake production in the Aurignacian of southwestern Germany: Some examples from the Swabian Jura.....	153
ANDREAS PASTOORS & YVONNE TAFELMAIER	
What about flakes? Flake production and core reduction strategies in the Aurignacian of the Rhineland: Lommersum lic (North Rhine Westphalia) and Wildscheuer III (Hessen).....	165

LUC MOREAU

The Aurignacian of Breitenbach (Sachsen-Anhalt, Germany):
Status of flake production.....181

PETR ŠKRDLA & TEREZA RYCHTAŘIKOVÁ

Levallois point or blade: Which blank was the target artefact of the
Bohunician technology?.....199

TSENKA R. TSANOVA

A diachronic view of flake production from the beginning of the Upper
Palaeolithic in the eastern Balkans.....215

THORSTEN UTHMEIER

The transition from Middle to Upper Palaeolithic at Buran Kaya III,
Crimea (Ukraine): A case of conceptual continuity of lithic artefact
manufacture?.....239

GUIDO BATAILLE

Flakes and blades. The role of flake production in the Aurignacian of
Siuren 1 (Crimea, Ukraine).....261
