<b>Preface Prof. Dr. KRAIG ADLER</b> .....	v
<b>1. Introduction</b> .....	1
1.1. What is herpetology? .....	1
1.2. Setting of objectives .....	2
1.3. General acknowledgements .....	3
1.4. References .....	4
<b>2. Research on amphibians and reptiles in Bonn</b> .....	5
2.1. The old Prussian university and its former natural history museum .....	5
2.1.1. A first predecessor: JOHANN HEINRICH CREVELT (OR CREVELD) (1751-1818) .....	5
2.1.2. GEORG AUGUST GOLDFUSS (1782-1848) .....	8
2.1.3. AUGUST FRANZ JOSEF KARL MAYER (1787-1865) .....	9
2.1.4. JOHANNES PETER MÜLLER (1801-1858) .....	10
2.1.5. FRANZ HERRMANN TROSCHEL (1810-1882) .....	11
2.1.6. FRANZ VON LEYDIG (1821-1908) .....	14
2.1.7. MAXIMILIAN JOHANN SIGISMUND SCHULTZE (1825-1874) .....	15
2.1.8. EDUARD FRIEDRICH WILHELM PFLÜGER (1829-1910) .....	16
2.1.9. MAX WILHELM CARL WEBER (1852-1937) .....	16
2.1.10. GEORG JAN (1791-1866), prominent external user of the former natural history collection in Bonn .....	17
2.1.11. Zoological work with herpetological portions at Bonn's university until WW II. ....	18
2.1.12. Paleoherpetology in Bonn .....	20
2.2. Later research on extant amphibians and reptiles by Bonn's university and two other institutions .....	22
2.2.1. University-based research on amphibians and reptiles .....	22
2.2.2. Other institutions .....	24
2.2.2.1. Federal Agency of Nature Conservation (BfN) .....	24
2.2.2.2. Biological Station of Bonn .....	24
2.3. Acknowledgements .....	25
2.4. References .....	25
<b>3. Museum Koenig (ZFMK) and its herpetological collections and activities</b> .....	31
3.1. ZFMK prior to the foundation of a herpetological department .....	31
3.2. Foundation of the herpetological department .....	39
3.2.1. KARL F. BUCHHOLZ (1911-1967) .....	39
3.2.2. ULRICH GRUBER (*1932) .....	43
3.2.3. WOLFGANG BÖHME (*1944) .....	44
3.2.3.1. Specimen exchange with the Zoologisches Museum, University of Kiel, 1972 .....	51
3.2.3.1.1. WILHELM F.G. BEHN (1808-1878) .....	51
3.2.3.1.2. FRIEDRICH BOIE (1789-1870) .....	52
3.2.3.1.3. KARL MÖBIUS (1825-1908) .....	53
3.2.3.2. Transfer of the entire alcohol collection from the Zoologisches Museum, University of Göttingen, to ZFMK, 1977 .....	54
3.2.3.2.1. JOHANN FRIEDRICH BLUMENBACH (1752-1840) .....	55
3.2.3.2.2. ADOLPH ARNOLD BERTHOLD (1803-1861) .....	57
3.2.3.2.3. WILHELM MORITZ KEFERSTEIN (1833-1870) .....	58
3.2.3.2.4. Important collectors and donators .....	59
3.2.3.2.5. Historically important external users .....	64
3.2.3.3. Donation from the Zoologisches Museum, University of Heidelberg, 1984 .....	70
3.2.3.4. Transfer of the PAUL MÜLLER (1940-2010) collection (Saarbrücken and Trier) to ZFMK .....	72
3.2.3.5. External users of the herpetological collections and activities at ZFMK: Loans, guest researchers and meeting participants .....	72
3.2.3.6. Summary of collection development .....	73
3.2.4. DENNIS RÖDDER (*1979) and CLAUDIA KOCH (*1980) .....	75
3.2.5. Acknowledgements .....	76
3.2.6. References .....	78

<b>4. Type catalogue</b> .....	<b>85</b>
4.1. Lost or missing types .....	86
4.2. List of extant types .....	90
4.2.1. Caudata .....	90
4.2.2. Anura .....	93
4.2.3. Gymnophiona .....	122
4.2.4. Testudines .....	122
4.2.5. Squamata .....	122
4.2.5.1. Iguania .....	122
4.2.5.2. Gekkota .....	132
4.2.5.3. Scincomorpha .....	143
4.2.5.4. Anguinomorpha .....	157
4.2.5.5. Serpentes .....	159
4.2.6. Crocodylia .....	169
4.3. List of name-bearing types after their countries of origin .....	171
4.4. Museum Acronyms .....	176
4.5. References .....	178
<b>5. ZFMK and scientific organisations; symposia</b> .....	<b>201</b>
5.1. ZFMK and DGHT .....	201
5.1.1. The city group Bonn of DGHT .....	201
5.1.2. Council work for DGHT at ZFMK .....	202
5.1.3. DGHT annual meetings at ZFMK .....	203
5.1.4. ZFMK-based study groups of DGHT .....	204
5.2. ZFMK and SEH .....	204
5.2.1. Foundation of SEH at ZFMK in 1979, Presidentship 1993-2001 .....	204
5.2.2. SEH Ordinary General Meetings (OGMs) at ZFMK .....	208
5.3. ZFMK's Tropical Symposia .....	208
5.4. Special herpetological symposia in Bonn .....	209
5.4.1. „Herpetologia Canariensis“ .....	209
5.4.2. Three Monitor lizard symposia .....	210
5.4.3. Symposium on the Common or Viviparous Lizard, <i>Zootoca vivipara</i> .....	211
5.4.4. „DeAgamis“ .....	211
5.5. Commissions .....	212
5.6. References .....	213
<b>6. ZFMK and teaching and education in herpetology</b> .....	<b>215</b>
6.1. Teaching lessons and courses .....	215
6.2. Delegated pre-habilitation supervisions .....	216
6.3. Hosting long term students and postdocs with fellowships .....	217
6.4. Habilitation and self-responsible supervision .....	219
6.4.1. Commented list of diploma and master candidates with the topics of their theses .....	219
6.4.2. Commented list of doctoral candidates with the topics of their theses .....	228
6.4.3. State examen .....	239
6.4.4. Commission membership in external doctoral, PhD and habilitation procedures .....	239
6.5. Public education .....	240
6.6. References .....	245
<b>7. Conclusive summary of herpetological activities in Bonn</b> .....	<b>251</b>
7.1. Glorious past .....	251
7.2. Current herpetological research fields at ZFMK .....	251
7.3. References .....	253
<b>8. Outlook and epilogue</b> .....	<b>255</b>
