
Title

As of January 2011, there are twenty chapters. The chapter titles reference the legibility of the paintings and have multiple meanings. Detailed descriptions of each individual chapter can be found in this book. Originally, each series' chapter number was listed first, followed by the name of the chapter. I decided to switch the orientation since words are more articulate narrative devices than numbers. There are a few exceptions, but generally each painting within a respective chapter shares the title of the overall chapter. The titles are as follows:

The Sun, Chapter 1	8
Łódź Poem, Chapter 2	52
Optima, Chapter 3	64
Loft, Chapter 4	80
New Age, Chapter 5	90
Orchard, Chapter 6	98
