al-Busātī (Idaybusāt)	354
ad-Dāwudī (Awlād Dāwūd)	374
ad-Daymānī (Awlād Daymān)	383

* Author names appear alphabetically grouped within their tribal affiliation and within their fraction in their tribe or, very occasionally, another identifier (their town or region of residence, another tribe with which they became affiliated, their social status or their scholarly work); they are numbered serially. When an author's name carries a secondary affiliation it also appears there with a cross-reference to the author number of the primary entry. See indices for additional aids for identifying authors and individual works.

- ad-Dulaymī (Banū Ḥassan, Awlād Dlaym) 565
 al-Fullāmī (Fulbe) 566
 al-Fūtī (the Futa region) 570
 al-Għallāwī (Aghlāl) 572
 al-Gunānī (Tagunānit) 637
