<i>Foreword</i>	ix
<i>Editors</i>	xi
<i>Contributors</i>	xiii
Section I: What is primary care research?	1
Introduction	3
<i>Felicity Goodyear-Smith</i>	
1 The history of primary care research	5
<i>Felicity Goodyear-Smith</i>	
2 The nature of primary care research	9
<i>John Beasley, Andrew Bazemore and Bob Mash</i>	
3 Who conducts primary care research?	11
<i>Bob Mash</i>	
4 Effective patient involvement in research: why, who and how?	19
<i>Amanda Howe</i>	
5 Primary care research in the digital age: unleashing the power of electronic patient records	23
<i>Jim Warren</i>	
Section I references	30
Section II: The contribution of primary care research to health and health systems	35
Introduction	37
<i>Bob Mash</i>	
6 Tackling the burden of disease with primary care research	39
<i>David Mant</i>	
7 How primary care research blends with evidence-based medicine to assist with translation and implementation of evidence into practice	49
<i>Felicity Goodyear-Smith</i>	
8 How primary care research contributes to improving the quality and safety of healthcare	53
<i>Carl de Wet</i>	

9	Making healthcare more person-centred: how primary care research can help bring in the human and patient perspective	61
	<i>Christos Lionis and Elena Petelos</i>	
10	The contribution of primary care research to improving health services	67
	<i>Dee Mangin</i>	
11	Financing, leadership, governance and primary care health systems research	73
	<i>Luisa Pettigrew</i>	
12	The contribution of primary care research to education, training and development of the primary healthcare workforce	79
	<i>Wim Peersman and Jan De Maeseneer</i>	
	Section II references	87
	Section III: Commissioning of primary care research	99
	Introduction	101
	<i>Bob Mash</i>	
13	Primary care research: how to put local priorities into a world led by global funding	103
	<i>Leslie London</i>	
14	Primary healthcare and international development assistance	109
	<i>Robert Fryatt</i>	
15	Primary care research funding in the UK	113
	<i>Clare Taylor and Richard Hobbs</i>	
16	Critique of current health research funding models in Australia	117
	<i>Terry Findlay and Emma Whitehead</i>	
17	Research and primary healthcare: health systems strengthening in partner countries from a European perspective	119
	<i>Kevin McCarthy</i>	
	Section III references	125
	Section IV: Primary care research organisations	131
	Introduction	133
	<i>Felicity Goodyear-Smith</i>	
	Cross-nation organisations	135
18	North American Primary Care Research Group	135
	<i>William Phillips</i>	
19	Society for Academic Primary Care	137
	<i>Joanne Reeve</i>	
20	Primaformed	139
	<i>Jan De Maeseneer</i>	

21 Australasian Association of Academic Primary Care <i>Nick Zwar</i>	141
Primary care research networks	143
Introduction <i>Andrew Bazemore</i>	143
22 Primary care practice-based research networks <i>Rebecca Roper</i>	145
23 International Federation of Primary Care Research Network <i>Christos Lionis</i>	147
24 European General Practice Research Network <i>Mehmet Ungan</i>	149
25 International Implementation Research Network in Primary Care <i>Chris van Weel</i>	151
26 Latin American Network for Research in Family Medicine <i>Jacqueline Ponzo, Thiago Trindade, José Ramirez Aranda, Sandro Rodrigues Batista and Sergio Minué</i>	153
Section IV references	155
Section V: National perspectives on primary care research	159
Introduction <i>Bob Mash and Felicity Goodyear-Smith</i>	161
Europe Region	165
27 Primary care research in the UK <i>Tony Kendrick</i>	165
28 Primary care research in Denmark <i>Peter Vedsted and Per Kallestrup</i>	169
29 Primary care research in Spain <i>Sergio Minué</i>	173
30 Primary care research in Turkey <i>Mehmet Akman</i>	177
Eastern Mediterranean Region	181
31 Primary care research in Israel <i>Khaled Karkabi</i>	181
32 Primary care research in the Kingdom of Bahrain <i>Faisal Abdullatif Alnasir</i>	185

South Asia Region	189
33 Primary care research in India <i>Raman Kumar</i>	189
34 Primary care research in Pakistan <i>Tabinda Ashfaq</i>	193
Asia Pacific Region	195
35 Primary care research in China <i>William Wong</i>	195
36 Primary care research in Malaysia <i>Sherina Mohd Sidik</i>	199
37 Primary care research in Australia <i>Ellen McIntyre</i>	203
Africa Region	207
38 Primary care research in South Africa <i>Gboyega Ogunbanjo and Bob Mash</i>	207
39 Primary care research in Kenya <i>Patrick Chege</i>	211
40 Primary care research in Ghana <i>Akye Essuman</i>	213
41 Primary care research in Nigeria <i>Olayinka Ayankogbe</i>	217
North America Region	219
42 Primary care research in Canada <i>Gillian Bartlett and Jeannie Haggerty</i>	219
43 Primary care research in the USA <i>Larry Green</i>	223
Iberoamericana-CIMF Region	227
44 Primary care research in Uruguay <i>Jacqueline Ponzo</i>	227
45 Primary care research in Mexico <i>José Ramirez Aranda</i>	231
46 Primary care research in Brazil <i>Magda Almeida, Gustavo Gusso and Thiago Trindade</i>	233
Section V references	236
<i>Index</i>	245
