

C O N T E N T S

Preface	4
1. Introduction	5
2. Motivation	7
3. Weight	15
4. Domain	21
5. Hardy inequality	32
I. Power-type weights	47
6. Some elementary assertions	47
7. Density of smooth functions	55
8. Imbedding theorems	65
9. Miscellaneous	89
II. General weights	103
10. Several elementary results	103
11. Density of smooth functions	106
12. Imbedding theorems	119
III. Applications	128
13. Formulation of the problem	128
14. Power-type weights	134
15. General weights	144
References	149
