List of illustrations xiii

Why causation? 1

- 1 The problem: what's the matter with causation? 4
  - 2 Regularity: causation without connection? 15
  - 3 Time and space: do causes occur before their effects? 27
  - 4 Necessity: do causes guarantee their effects? 38
  - 5 Counterfactual dependence: do causes make a difference? 51
  - 6 Physicalism: is it all transference? 63
  - 7 Pluralism: is causation many different things? 75
  - 8 Primitivism: is causation the most basic thing? 85
  - 9 Dispositionalism: what tends to be? 96
  - 10 Finding causes: where are they? 109
- A very short afterword 120
- Further reading 121
- Index 125
