

Table of Content

List of Figures.....	viii
List of Tables.....	ix
Acronyms	x
A Foundation.....	1
1 Motivation	2
2 Research Questions	3
3 Structure of the Thesis	6
4 Research Context and Design	8
5 Anticipated Contributions	12
B Studies on IT Innovation in Non-IT Companies.....	15
1 Employee's Motivation to Innovate.....	16
1.1 Introduction	17
1.2 Contextual Background.....	20
1.3 Hypotheses Development.....	21
1.4 Research Design and Method.....	28
1.5 Analysis and Results.....	31
1.6 Discussion and Implications.....	35
1.7 Conclusion.....	37
2 Organizational Learning.....	38
2.1 Introduction	39
2.2 Theoretical Background	41
2.3 Hypothesis Development.....	45
2.4 Research Design and Method.....	50
2.5 Analysis and Results.....	52
2.6 Discussion and Implications.....	55

2.7	Limitations	58
2.8	Conclusion.....	58
3	Impacts of Social Interaction on Employees' Entrepreneurial Intention	60
3.1	Introduction	61
3.2	Hypotheses Development.....	62
3.3	Research Design and Method.....	65
3.4	Analysis and Results.....	68
3.5	Discussion and Implications.....	70
3.6	Conclusion.....	72
C	Practical Application.....	73
1	IT Innovation as an Enabler for Non-IT Economy	74
1.1	Introduction	75
1.2	Theoretical Background.....	77
1.3	Methodological Approachs.....	80
1.4	Findings	84
1.5	Synopsis and Discussion.....	88
1.6	Limitations and Conclusion.....	89
1.7	Acknowledgment	90
D	Contributions.....	91
1	Evaluating the Innovation Models	92
1.1	Analysis and Results.....	93
2	Findings and Implications	102
2.1	Contribution to the IS Research Community.....	102
2.2	Contribution to Practice.....	105
3	Concluding Remarks and Further Research.....	107
	References	111

Appendix	133
Curriculum Vitae	135
