

Chapter 1. Introduction	1
1.1. Birational rigidity and Main Theorem	1
1.2. How to prove Main Theorem	4
1.3. Notations	5
1.4. The 95 families of Fletcher and Ried	6
Chapter 2. Smooth points and curves	9
2.1. Excluding smooth points	9
2.2. Excluding curves	15
Chapter 3. Singular points	19
3.1. Cyclic quotient singular points	19
3.2. Excluding singular points	20
3.3. Untwisting singular points	24
Chapter 4. Birational involutions	27
4.1. Quadratic involution	27
4.2. Elliptic involution	29
4.3. Invisible elliptic involution	43
Chapter 5. Proof of Main Theorem	55
5.1. How to read the tables	55
5.2. The tables	58
Chapter 6. Epilogue	109
Bibliography	115
