1 Setting the scene	1
Introduction	1
1.1 Change occurs at all levels	5
1.1.1 Phonetics and phonology	5
1.1.2 Morphology	8
1.1.3 Syntax	9
1.1.4 Semantics	10
1.1.5 Pragmatics	11
1.1.6 Change across different levels	13
1.2 Variation and change – two sides of the same coin	13
1.3 Evidence of change in progress	18
1.4 Attitudes to change	21
1.5 How this book is structured	23
Summary	24
Further reading	24
Exercises	25
2 Changes to the lexicon	28
Introduction	28
2.1 Gaining words – lexical addition	29
2.1.1 Compounding	31
2.1.2 Affixation	33
2.1.3 Backformation	34
2.1.4 Conversion	35
2.1.5 Abbreviation	35
2.1.6 Acronyms	36
2.1.7 Blending	37
2.1.8 Commonization	38
2.1.9 Reduplication	38

2.1.10	Borrowing	39
2.1.11	Sound symbolism	41
2.1.12	A final word on the processes	42
2.2	Losing words – lexical mortality	43
2.2.1	Obsolescence	43
2.2.2	“Verbicide”	44
2.2.3	Reduction	44
2.2.4	Intolerable homonymy	44
2.3	Etymology – study of the origin of words	46
	Summary	47
	Further reading	48
	Exercises	49
3	Changes to the semantics	52
	Introduction	52
3.1	Consequences of semantic change	54
3.1.1	Broadening	54
3.1.2	Narrowing	55
3.1.3	Shift	55
3.1.4	Changing values – amelioration and deterioration	55
3.1.5	Chain reaction changes	56
3.2	Why words change their meanings	57
3.2.1	Socio-cultural factors	57
3.2.2	Psychological factors	58
3.2.3	Linguistic factors	61
3.3	Regularity in semantic change – a more explanatory account	66
	Summary	69
	Sources and further reading	70
	Exercises	70
4	Changes in sound structure	75
	Introduction	75
4.1	Phonological processes	76
4.1.1	Old sounds drop out – loss	77
4.1.2	New sounds appear	80
4.1.3	Old sounds are modified – assimilation, dissimilation, metathesis	81
4.2	Phonetic versus phonemic change	90
4.2.1	Phonetic change – changes in accent	90
4.2.2	Phonemic change – changes that alter the sound system	91
4.3	On exceptions in sound change	94
4.4	Why do sounds change?	97
4.4.1	Simplicity	98
4.4.2	Contact induced change	98
4.4.3	Structural pressure	98
4.4.4	Social change	100

4.4.5	Frequency factors	100
	Summary	101
	Further reading	101
	Exercises	102
5	Changes in word structure	106
	Introduction	106
5.1	Reanalysis and actualization – reinterpretation of structure	106
5.2	Analogy – attraction to structure	109
5.3	Typology – change in morphological type	121
5.4	Why – explaining morphological changes	127
	Summary	130
	Further reading	131
	Exercises	131
6	Changes in sentence structure	134
	Introduction	134
6.1	Change in word order	137
6.1.1	Grammatical change is gradual	141
6.2	Typology and word order change	143
6.2.1	The contribution of Joseph Greenberg and others	144
6.3	Creating grammar	148
6.3.1	Case study – the evolution of <i>not</i> in English	151
6.3.2	Where is English negation heading now?	154
	Summary	156
	Sources and further reading	157
	Exercises	157
7	The spread of change	162
	Introduction	162
7.1	Diffusion within the linguistic system	163
7.2	Spread in social structures – the speech community and the individual	167
7.2.1	Wavy, gravity, cascady . . .	168
7.2.2	Social factors	171
7.2.3	Social networks	182
7.2.4	Communities of practice	185
	Summary	186
	Further reading	186
	Exercises	187
8	Languages in contact	189
	Introduction	189
8.1	Types of contact	190
8.1.1	Language maintenance	190
8.1.2	Language shift	192

8.1.3	The creation of new languages	195
8.1.4	The linguistic Sprachbund – a special case of language convergence	201
8.2	Case study: Pennsylvania German and English in contact	202
8.2.1	English to Pennsylvania German – superstratum influence	203
8.2.2	Pennsylvania German transfers into English – substratum influence	204
8.3	Language death	207
8.4	Language planning and policy	209
8.5	The dangers of purism	210
	Summary	211
	Further reading	211
	Exercises	212
9	Relatedness between languages	215
	Introduction	215
9.1	Languages, dialects and standards	216
9.2	Establishing genetic relationships	217
9.3	The family tree model	220
9.4	The wave model	222
9.5	Quantitative approaches to language divergence	226
9.6	Long-distance comparison and Proto-World	229
9.7	Reconstructing the past	233
9.7.1	Written sources as evidence of change	234
9.7.2	The comparative method	237
	Summary	243
	Further reading	244
	Exercises	244
10	An end on't	247
	Introduction	247
10.1	Five questions for any theory of change	248
10.2	Additional theoretical perspectives	253
10.2.1	Corpus linguistics	254
10.2.2	Historical pragmatics	256
10.3	Historical sociolinguistics	260
10.4	The rate of change – diversity and stability	264
10.4.1	The effects of new and emerging media	266
10.4.2	Social change	270
10.5	Where to from here?	272
	Further reading	273
	Exercises	274
	References	277
	Index	288
