1 Introducing Online Corpora	1
Using a corpus	1
Choosing your corpus	4
The nature of a corpus	4
The tradition of corpus analysis of English	9
Five online corpora of English	10
Analysing online corpora	17
The organisation of this book	20
2 Interpreting Corpus Data	22
Quantitative and qualitative analyses	23
Representativeness	24
Frequencies	30
Normalisation of frequencies	31
Mutual information: measuring collocation	34
Other measures of collocation	37
Key words	40
Other statistical tests	45
Summary	47
3 Contextualising Corpus Texts	49
Text and co-text	49
Text and context	51
Metadata	53
Corpora and linguistic variation	53
User-related variables	59
Use-related variables	63
Corpora and linguistic change	67
Summary	68

4	Exploring Lexis with Corpora	70
	What is a word in a corpus?	71
	Obtaining lexical information from a corpus	73
	Analysing lexical data	78
	The lexicogrammatical environment of words	78
	The semantic environment of words	85
	The wider social environment of words	88
	Summary	92
5	Exploring Grammar with Corpora	93
	Attitudes to grammar	93
	What is grammar?	95
	Word categories	97
	Exploring lexical items with a corpus	98
	Exploring grammatical items with a corpus	102
	Exploring phrases with a corpus	105
	From phrase to clause	110
	Complex sentences	115
	The grammar of speech	119
	Colligation	121
	Verb systems	124
	Data-driven grammar versus intuition	127
	Summary	128
6	Exploring Discourse with Corpora	129
	What is discourse?	129
	Using corpora to explore discourse	134
	Registers of language	139
	Analysing spoken discourse	140
	Analysing written discourse	144
	Intertextuality	149
	Discourse, ideology and power: critical discourse analysis	150
	Summary	152
7	Exploring Pronunciation with Corpora	154
	Describing different accents	155
	The International Phonetic Alphabet	156
	Consonant sounds	158
	Vowel sounds	161
	Using online corpora to explore pronunciation	163
	Accent variation	164
	Accents of English online	168
	Fast talking	176
	The acquisition of variation	179

Lexicalisation	182
Intonation	185
Summary	186
8 Issues in the Use of Corpora in Teaching and Research	188
Using corpora in teaching English	189
Teaching English as a second or other language	190
Developing your own research interests	196
Building your own corpus	197
The future of online corpora	201
