## **PART I: ISSUES IN THE STUDY OF STUDENT PERCEPTIONS**

<b>1 Theory and Research on Student Perceptions in the Classroom</b>	<b>3</b>
<i>Dale H. Schunk</i>	
Historical Perspective	4
Chapter Overviews	10
Conclusion and a Look Forward	19
<b>2 The Validity of Students' Self-Reports as Measures of Performance Affecting Self-Appraisals</b>	<b>25</b>
<i>Avi Assor and James P. Connell</i>	
Validity of Performance Affecting Self-Appraisals: Definitions and Theoretical Considerations	26
Potential Sources of Invalidity in Children's Self-Reports	28
Empirical Evidence for the Validity of Self-Reports	29
Summary of Empirical Findings	41
Suggestions for Improving the Validity of Children's Self-Reports	42

**PART II: SOCIAL PERCEPTIONS**

- 3 Friends' Influence on Adolescents' Perceptions of Themselves at School** **51**  
*Thomas J. Berndt and Keunho Keefe*
- Adolescents' Perceptions of Friends' Influence 54
- Effects of Discussions With a Friend 58
- Friends' Influence During a School Year 62
- Suggestions for Future Research 66
- Implications for Educational Practice 68
- 4 An Attributional Approach to Aggression in African-American Children** **75**  
*Sandra Graham and Cynthia Hudley*
- Antecedents of Childhood Aggression 76
- An Attributional Approach to Aggression 78
- Implications for Attributional Change Programs 90
- A Concluding Note 92
- 5 Teacher Beliefs and Children's Achievement Self-Perceptions: A Developmental Perspective** **95**  
*Allan Wigfield and Rena D. Harold*
- Models of Teacher Expectancy Effects 96
- Students' Interpretations of Teachers' Differential Treatment 98
- Student Achievement Self-Perceptions 100
- A Study of the Early Development of Children's Ability Perceptions and Values Across Different Activity Domains 103
- Educational Implications 114
- 6 Student Perceptions and Academic Help-Seeking** **123**  
*Richard S. Newman and Mahna T. Schwager*
- Help-Seeking as a Mediating Strategy of Student Learning 124
- Help-Seeking as a Consequence of Students' Self-Perceptions 127

Help-Seeking as a Consequence of Students' Perceptions of the Classroom	131
Conclusions	139

### **PART III: ABILITY-RELATED PERCEPTIONS**

<b>7 Students' Motivational Beliefs and Their Cognitive Engagement in Classroom Academic Tasks</b>		
<i>Paul R. Pintrich and Barbara Schrauben</i>		<b>149</b>
A Social Cognitive Model of Student Motivation		151
A General Cognitive Model for Conceptualizing Cognitive Engagement	159	
Empirical Relations Between Motivational Beliefs and Cognitive Engagement	163	
Future Directions for Research and Implications for Instruction	172	
<b>8 Perceptions of Efficacy and Strategy Use in the Self-Regulation of Learning</b>		
<i>Barry J. Zimmerman and Manuel Martinez-Pons</i>		<b>185</b>
A Self-Regulated Learning Strategy System		186
Future Research on Self-Efficacy and Strategy Use	201	
Implications for Educational Practice		202
Conclusion	203	
<b>9 Gender Differences in Students' Perceptions: Consequences for Achievement-Related Choices</b>		
<i>Judith L. Meece and Daria Paul Courtney</i>		<b>209</b>
Academic Choice Model	210	
Empirical Research 1980–1990	214	
Summary and Conclusions	217	
Future Research Directions	219	
Educational Implications	222	
<b>10 Self-Efficacy Perceptions and the Career-Related Choices of College Students</b>		
<i>Gail Hackett and Nancy E. Betz</i>		<b>229</b>
Self-Efficacy Theory	230	

Empirical Base	232	
Summary and Implications	239	
<b>11 The Achievement-Related Perceptions of Children With Learning Problems: A Developmental Analysis</b>		<b>247</b>
<i>Barbara G. Licht</i>		
Developmental Differences in Children's Ability-Related Perceptions	249	
The Ability-Related Perceptions of Children With Learning Problems	254	
Implications for Treatment in the Classroom		258
Conclusions	261	
 <b>PART IV: GOAL PERCEPTIONS</b>		
<b>12 Students as Educational Theorists</b>		<b>267</b>
<i>John G. Nicholls</i>		
Introduction	267	
Varieties of Students' Theories: Individual Differences	270	
Conceptions of Knowledge and Theories About Specific Subjects	276	
Theories in Practice	280	
<b>13 Motivation and Achievement in Adolescence: A Multiple Goals Perspective</b>		<b>287</b>
<i>Kathryn R. Wentzel</i>		
Multiple Goals at School	288	
Research on Multiple Goals	294	
Implications for Future Research and Educational Practice	301	
<b>14 The Effects of Task Involvement and Ego Involvement on Achievement-Related Cognitions and Behaviors</b>		<b>307</b>
<i>Carolyn M. Jagacinski</i>		
Cognitive and Affective Correlates of Task Involvement and Ego Involvement	308	
The Role of Social Comparison Information in Task Involvement and Ego Involvement		310

Differences in Task-Involving and Ego-Involving Activities	311	
The Effects of Competence Feedback in Task Involvement and Ego Involvement	314	
Effects of Ego-Involving Instructions on Performance	317	
The Nature of Task- and Ego-Involving Conditions	318	
Classroom Studies of Achievement Goal Orientations	319	
Suggestions for Future Research	321	
Applications	322	
<b>15 Achievement Goals and the Classroom Motivational Climate</b>		
<i>Carole Ames</i>		<b>327</b>
Achievement Goals: Overview	328	
Achievement Goals and Classroom Factors	329	
Achievement Goals: Classroom Intervention	332	
Conclusions	343	
<b>Author Index</b>		<b>349</b>
<b>Subject Index</b>		<b>359</b>
