SECTION ONE Introduction

- 1 Introduction 3**
 - Psychology 3
 - Industrial/Organizational Psychology 4
 - Fields of I/O Psychology 7
 - Licensing and Certification of Psychologists 10
 - The History of I/O Psychology 11
 - The Early Years (1900–1916) 11
 - World War I (1917–1918) 15
 - Between the Wars (1919–1940) 16
 - World War II (1941–1945) 19
 - Toward Specialization (1946–1963) 20
 - Governmental Intervention (1964–Present) 21
 - Scope of the Book 22
 - Major Chapter Objectives in Review 24

- 2 Research Methods in I/O Psychology 25**
 - The Empirical Research Process 26
 - Statement of the Problem 27
 - Design of the Research Study 28
 - Laboratory Experiment 29
 - Field Experiment 30
 - Field Study 32
 - Sample Survey 33
 - Measurement of Variables 36
 - Levels of Measurement 38

Analysis of Data 39
 Distributions and Their Shape 40
 Measures of Central Tendency 41
 Measures of Variability 44
The Concept of Correlation 45
Conclusions from Research 50
Ethical Problems in Research 52
Research in Industry 54
Future Research in I/O Psychology 56
Major Chapter Objectives in Review 57
CASE STUDY—How Should I Study This? 57

SECTION TWO *Personnel Psychology*

3 *Criteria* 63

Disagreement Among People in Making Evaluations 63
Conceptual Versus Actual Criteria 64
Criterion Deficiency, Relevance, and Contamination 66
Criterion Development 68
Job Analysis 70
 Methods of Job Analysis 70
 Job-Oriented and Worker-Oriented Procedures 73
 Evaluating Job-Analysis Methods 74
Job Evaluation 78
 Methods of Job Evaluation 79
 Research on Job Evaluation 80
Standards for Criteria 82
Types of Criteria 83
 Hard Criteria 84
 Soft Criteria 87
Relationship Among Job-Performance Criteria 89
Composite Versus Multiple Criteria 90
 Composite Criterion 90
 Multiple Criteria 91
 Resolution of the Controversy 91
Concluding Comments 92

Major Chapter Objectives in Review 92
CASE STUDY—Who Gets the Scholarship? 93

4 Predictors 95

Assessing the Quality of Predictors 96
 Reliability 96
 Validity 97
 Criterion Reliability and Validity 101
Psychological Assessment and the Law 102
Psychological Tests and Inventories 105
 Types of Tests 105
Ethical Standards in Testing 107
Sources of Information About Testing 108
Test Content 109
 Intelligence Tests 109
 Mechanical Aptitude Tests 111
 Ability Tests 113
 Personality and Interest Inventories 114
 Multiple-Aptitude Test Batteries 116
 Computerized Adaptive Testing 116
 Testing in Retrospect 117
Interviews 117
 Format of the Selection Interview 118
 Evaluation of the Interview 119
 Factors Influencing Interview Outcomes 121
Work Samples and Situational Exercises 122
 Work Samples 122
 Situational Exercises 124
Biographical Information 124
Peer Assessment 128
Letters of Recommendation 128
New and Controversial Methods 130
Overview and Evaluation of Predictors 133
Summary 136
Major Chapter Objectives in Review 137
CASE STUDY—How Do We Hire Police Officers? 139

5 Personnel Decisions 142

Recruitment 143

Selection 147

 Regression Analysis 148

 Multiple Predictors 150

 Multiple Regression Analysis 153

 Cross-Validation 154

Development of Test Batteries 156

Assessing the Utility of a Predictor 157

Selection Decisions 163

Expectancy Charts 166

Classic Selection Model 167

Concurrent Versus Predictive Validity 169

Selection Strategies 170

 Multiple Regression 171

 Multiple Cutoff 172

 Multiple Hurdle 173

 Profile Matching 175

Validity Generalization 178

Test Utility and Organizational Efficiency 180

Placement and Classification 181

Major Chapter Objectives in Review 183

CASE STUDY—Whom Should I Hire? 184

6 Personnel Training 187

Training and Learning 188

 Training Defined 189

 Relationship to Organizational and Individual Goals 189

Stating Training Objectives in Behavioral Terms 191

Deterrents to Effective Training 192

The Design of Personnel Training 193

Assessing Training Needs 194

 Organization Analysis 194

 Operations Analysis 197

 Person Analysis 199

Methods and Techniques of Training 201

 On-Site Training Methods 202

| | |
|---|-----|
| Off-Site Training Methods | 204 |
| Overview of Training Methods | 214 |
| Evaluation of Training Programs | 216 |
| Criteria | 217 |
| Research Designs | 221 |
| Equal Employment Opportunity and Training | 224 |
| Summary | 225 |
| Major Chapter Objectives in Review | 225 |
| CASE STUDY—What Do I Do Now? | 225 |

7 Performance Appraisal 227

| | |
|--|-----|
| Implementing a Performance Appraisal Program | 228 |
| Using the Results of Performance Appraisal | 229 |
| Performance Appraisal and the Law | 232 |
| Sources of Performance-Appraisal Information | 234 |
| Objective Production Data | 234 |
| Personnel Data | 235 |
| Judgmental Data | 236 |
| Rater Training | 250 |
| Evaluation of Poor Performance | 251 |
| Self and Peer Appraisals | 253 |
| Self-Assessments | 253 |
| Peer Assessments | 254 |
| Assessment Centers | 255 |
| Feedback of Appraisal Information to Employees | 261 |
| Concluding Comments | 263 |
| Major Chapter Objectives in Review | 265 |
| CASE STUDY—Who Shall Survive? | 265 |

SECTION THREE Organizational Psychology

8 Organizations and Their Influence on Behavior 271

| | |
|--------------------------------|-----|
| Organizational Theory | 271 |
| Three Theories of Organization | 272 |
| Classical Theory | 272 |
| Neo-Classical Theory | 275 |

| | |
|---|-----|
| Modern Organization Theory | 276 |
| Components of Social Systems | 278 |
| Roles | 278 |
| Norms | 280 |
| Power | 282 |
| Culture | 283 |
| Summary of Social System Components | 286 |
| Person-Environment (P-E) Congruence | 286 |
| Individual Responses to Person-Environment Interactions | 288 |
| Dysfunctional P-E Responses | 288 |
| Functional P-E Responses | 295 |
| Overview of Individual Responses to Person-Environment Interactions | 299 |
| Major Chapter Objectives in Review | 300 |
| CASE STUDY—Should Sex Make a Difference? | 300 |

9 Job Satisfaction 302

| | |
|---|-----|
| The Concept of Job Satisfaction | 303 |
| Theories of Job Satisfaction | 306 |
| Intrapersonal-Comparison Processes | 306 |
| Interpersonal-Comparison Processes | 307 |
| Opponent-Process Theory | 308 |
| Two-Factor Theory | 309 |
| Review of the Four Satisfaction Theories | 311 |
| Measurement of Job Satisfaction | 313 |
| Job Descriptive Index | 313 |
| Minnesota Satisfaction Questionnaire | 315 |
| Faces Scale | 317 |
| Relationship Between Job Satisfaction and Personal Variables | 317 |
| Age | 318 |
| Race | 319 |
| Sex | 320 |
| Review of Personal Correlates of Job Satisfaction | 321 |
| Relationship Between Job Satisfaction and Employment Conditions | 322 |
| Status | 323 |
| Unions | 324 |
| Pay | 325 |

| | |
|---|------------|
| Employee-Owned Companies | 326 |
| Review of Employment-Condition Correlates of Job Satisfaction | 327 |
| Relationships Between Job Satisfaction and Job Behavior | 327 |
| Absenteeism | 328 |
| Turnover | 330 |
| Performance | 331 |
| Review of Job Satisfaction–Job Behavior Relationships | 333 |
| Relationship Between Job Satisfaction and Life Satisfaction | 334 |
| Review of Job Satisfaction–Life Satisfaction Relationship | 337 |
| Concluding Comments | 337 |
| Major Chapter Objectives in Review | 338 |
| CASE STUDY—Do You Like Your Job? | 339 |
| | |
| 10 Work Motivation | 341 |
| Ability, Performance, Situational Constraints, and Motivation | 341 |
| Work Motivation | 342 |
| Two Perspectives of Motivation | 342 |
| Motivation Theories | 345 |
| Need-Hierarchy Theory | 345 |
| ERG Theory | 349 |
| Equity Theory | 351 |
| Expectancy Theory | 356 |
| Reinforcement Theory | 363 |
| Goal-Setting Theory | 367 |
| Intrinsic Motivation | 370 |
| Overview and Synthesis of Work Motivation Theories | 373 |
| Major Chapter Objectives in Review | 376 |
| CASE STUDY—What to Do with Harry? | 376 |
| | |
| 11 Leadership | 379 |
| Major Substantive Topics of Interest in Leadership Research | 380 |
| Positional Power | 380 |
| The Leader | 381 |
| The Led | 381 |
| Influence Process | 382 |
| The Situation | 382 |

Leader Emergence Versus Leader Effectiveness 383
Overview 383
Established Theories of Leadership 384
Trait Theory 385
Behavior Theory 386
Fiedler's Contingency Theory 390
Path-Goal Theory 395
Mutual-Influence Theory 399
Vroom-Yetton Contingency Theory 400
New Theories of Leadership 405
Cognitive-Resource Utilization Theory 405
Implicit Leadership Theory 406
Charismatic Leadership Theory 406
Substitutes for Leadership 407
Women in Leadership Roles 409
Overview of Leadership Research 412
Major Chapter Objectives in Review 413
CASE STUDY—What Type of Leader Do I Want? 413

12 Organizational Communication 416

Definition of Communication 417
Purposes of Communication 417
A Model of Communication 418
Communication in Work Behavior 420
Selection 420
Job Performance 421
Performance Appraisal 422
Training 423
Organizational Climate 423
Nonverbal Communication 424
Techniques of Communicating in Organizations 426
Downward Communication 426
Upward Communication 428
Methods of Studying Organizational Communication 430
Activity Sampling 430
Sociogram 431

| CASE STUDY—What Do You Want to Know? | 445 |

SECTION FOUR *The Work Environment*

| | | |
|-----------|---|------------|
| 13 | <i>Job Design and Organization Development</i> | 451 |
| | To Alter the Worker or the Workplace? | 451 |
| | Job Design | 452 |
| | Historical Overview | 452 |
| | Job Enlargement and Job Enrichment | 453 |
| | Task Attributes | 454 |
| | Job Characteristics Model | 455 |
| | Measurement of Job-Design Variables | 459 |
| | How to Redesign Jobs | 461 |
| | Effectiveness of Job-Redesign Programs | 464 |
| | Organizational Implications of Job Redesign | 465 |

Organization Development 467
 What Is OD? 467
 The Need for OD 468
 Three Basic Concepts 469
 Generalized Models of Change 471
 Typology of OD Interventions 475
 Major OD Interventions 476
An Illustrative Example 479
 Research on OD 481
 Values and Ethics in OD 484
Summary 485
Major Chapter Objectives in Review 485
CASE STUDY—How Do I Create Teamwork? 485

14 Union/Management Relations 488

What Is a Union? 490
Unions as Organizations 491
The Formation of a Union 492
The Labor Contract 493
 Collective Bargaining and Impasse Resolution 496
 Responses to Impasse 499
 Disputes over Contract Interpretation 502
Influence of Unions on Nonunionized Companies 506
Behavioral Research on Union/Management Relations 506
 Employee Support for Collective Bargaining 507
 Union Influence 508
 Dispute Settlement 511
 Commitment to the Union 511
Unions and the Content of I/O Psychology 512
 Personnel Selection 512
 Personnel Training 513
 Performance Appraisal 514
 Job Satisfaction 515
 Motivation 515
 Leadership 516
 Organizational Communication 516
