Case Problems	xv	<i>World War II</i>	22
		<i>The Recent Past</i>	22
List of Boxes	xvii	Organization of the Book	23
		Key Terms	24
Preface	xxi	Summary	24
		Questions	25
		Case Problem: David D. Robinson, Ph.D., Industrial-Organizational Psychology Consultant	25
PART ONE			
INTRODUCTION	1		
1		PART TWO	
The Field of Industrial- Organizational Psychology	2	ORGANIZATIONAL PSYCHOLOGY	27
Relations to Human Resource Management	5	2	
<i>What Is Human Resource Management?</i>	5	Cognitive Processes	28
<i>How Does Psychology Fit In?</i>	5	Learning	31
Relations to Organizational Science	8	<i>Learning Concepts</i>	32
<i>What Is Organizational Science</i>	8	<i>Identifying Learning Effects</i>	34
<i>How Does Psychology Fit In?</i>	8	<i>Single and Double Loop Learning</i>	34
Careers in Industrial-Organizational Psychology	10	Intelligence and Mental Abilities	37
<i>Industrial-Organizational Psychology in the Context of Psychology</i>	11	<i>Development of Intelligence</i>	37
<i>Primary Employment Settings</i>	11	<i>Intelligence and Performance</i>	38
<i>Licensing and Certification Issues</i>	12	<i>Dealing with Intellectual Influences on Performance</i>	39
Theory and Research	14	Individual Decision Making	41
<i>Theory</i>	14	<i>Approaches to Decision Making</i>	41
<i>Research</i>	14	<i>Creativity</i>	44
<i>Scientific Values</i>	15	<i>Cognitive Style</i>	47
Brief History of Industrial-Organizational Psychology	17	Key Terms	49
<i>Beginnings</i>	18	Summary	49
<i>World War I</i>	21	Questions	50
<i>The Interval between the Wars</i>	21	Case Problem: Elizabeth Kasabian, Saleswoman	50
			vii

3			
Motivation Theories and Their Applications	53		
Need Theories	55		
<i>Need-Hierarchy Theory</i>	55		
<i>Achievement-Motivation Theory</i>	59		
Role-Motivation Theories	62		
<i>Hierarchic (Managerial) Role-Motivation Theory</i>	63		
<i>Professional Role-Motivation Theory</i>	64		
<i>Task Role-Motivation Theory</i>	65		
Equity Theory	67		
<i>Formulas and Propositions</i>	68		
<i>Reactions to Inequity</i>	70		
<i>Scientific Value and Practical Usefulness</i>	70		
Expectancy Theories	72		
<i>The Model</i>	72		
<i>Scientific Value and Practical Usefulness</i>	74		
Key Terms	75		
Summary	76		
Questions	76		
Case Problem: Adele Jones, Publishing Executive	77		
<hr/>			
4			
Motivational Practices and Their Theories	79		
Goal Setting	80		
<i>Locke's Concept of Goal Setting</i>	81		
<i>Management by Objectives</i>	83		
<i>Goal Setting in Perspective</i>	85		
Work Redesign	85		
<i>Herzberg's Approach</i>	86		
<i>The Hackman-Oldham Approach</i>	88		
<i>Alternative Work Schedules</i>	93		
Organizational Behavior Modification	96		
<i>The Nature of Operant Learning</i>	96		
<i>Contingencies of Reinforcement</i>	96		
<i>Reinforcement Schedules</i>	97		
<i>The Process of Organizational Behavior Modification</i>	98		
<i>From Radical Behaviorism to Social Learning Theory</i>	101		
		<i>Behavior Modeling</i>	103
		Reward Systems	105
		<i>The Role of Rewards in Organizations</i>	105
		<i>Monetary Reward Systems</i>	105
		<i>Rewards and Punishments</i>	108
		Key Terms	109
		Summary	110
		Questions	111
		Case Problem: Willard Davison, Industrial Salesman	111
<hr/>			
5			
Attitudes, Commitments, and Values	114		
Work Attitudes and Job Satisfaction	115		
<i>The Nature of Job Satisfaction</i>	116		
<i>Consequences of Job Satisfaction</i>	119		
<i>The Importance of Job Satisfaction</i>	122		
Types of Work-Related Commitments	124		
<i>The Nature of Organizational Commitment</i>	124		
<i>Consequences of Organizational Commitment</i>	127		
<i>Union Commitment</i>	127		
<i>Behavioral Commitment</i>	128		
Values and Ethics	130		
<i>Values in International Perspective</i>	130		
<i>The Mesh of Values and Jobs</i>	133		
<i>The Work Ethic</i>	134		
<i>Ethical Systems</i>	135		
Key Terms	136		
Summary	137		
Questions	139		
Case Problem: Chuck Holeman, Retail Sales Representative	140		
<hr/>			
6			
Personality Processes Including Emotional Stress	143		
Personality Constructs and Performance	145		
<i>The Meaning of Personality</i>	145		
<i>Assessment Centers</i>	148		
<i>Personality Characteristics Important to Performance</i>	149		

Work, Stress, and Emotion	152	<i>The Phases of Group Decision Making</i>	204
<i>The Nature of Stress</i>	152	Where Group Decision Making Can	
<i>External Sources of Stress</i>	158	Go Wrong	205
<i>The Person in Stress Reactions</i>	160	<i>Conformity</i>	205
<i>Dealing with Stress</i>	162	<i>Groupthink</i>	206
Key Terms	166	<i>Group Polarization and the Risky Shift</i>	208
Summary	166	<i>Escalating Behavioral Commitments</i>	209
Questions	167	The Effect of Group Composition	
Case Problem: Marcia White, Utility		on Decision Making	209
Machine Operator	167	<i>How Large Should the Group Be?</i>	209
		<i>How Similar Should the Members Be?</i>	210
		<i>Which Decision-Making Structure Should</i>	
		<i>Be Used?</i>	211
<hr/>		Quality Circles	214
7		<i>Japanese Origins</i>	215
Groups in Organizations	171	<i>What Is Involved</i>	215
Roles of Groups in Organizations	174	<i>Effectiveness of Quality Circles</i>	218
<i>The Nature of Organizational Groups:</i>		Key Terms	221
<i>Definitions</i>	174	Summary	221
<i>Membership and Reference Groups</i>	174	Questions	222
<i>Formal Work Groups</i>	176	Case Problem: Joyce Greenberg, Lawyer	223
<i>Management Teams</i>	176		
<i>Part-Time Groups</i>	177		
<i>Temporary Groups</i>	178		
<i>Informal Groups</i>	178		
Group Processes	179	<hr/>	
<i>Group Maturity</i>	179	9	
<i>Group Norms</i>	181	Leadership Styles	225
<i>Group Cohesion</i>	182	Leadership Issues	227
<i>Factors in Effectiveness</i>	185	<i>Defining Leadership</i>	227
Participative Groups and Group-Based		<i>Does Leadership Make a Difference?</i>	228
Systems	186	<i>Traits in Leadership</i>	230
<i>Laboratory, Sensitivity, or T-Group</i>		<i>Male and Female Leaders</i>	231
<i>Training</i>	186	<i>Substitutes for Leadership</i>	231
<i>Team Building</i>	187	Participative Leadership Theories	233
<i>Autonomous Work Groups</i>	190	<i>Theory X and Theory Y</i>	233
Key Terms	193	<i>The Theory of System 4 and 4T</i>	234
Summary	193	Contingency Theory of Leadership	241
Questions	194	<i>The Least Preferred Coworker (LPC)</i>	
Case Problem: Joe Johnson, Production		<i>Measure</i>	242
Foreman	194	<i>Defining the Leadership Situation</i>	242
		<i>The Octant Model</i>	244
		<i>How Well Does Contingency Theory</i>	
		<i>Work?</i>	244
		<i>The Leader Match Concept</i>	244
		<i>Theoretical Extensions to Cognitive</i>	
		<i>Resources</i>	245
<hr/>		Theories of Consideration and Initiating	
8		Structure, and Their Derivatives	247
Group Decision Making	198		
Creativity in Groups	200		
<i>Ways to Foster Creativity</i>	200		
<i>Group Processes and Creativity</i>	202		

<i>The Consideration and Initiating-Structure Constructs</i>	247
<i>The Managerial Grid</i>	250
<i>Situational-Leadership Theory</i>	252
Key Terms	253
Summary	254
Questions	255
Case Problem: Wayne Tindall, Sales Manager	255

10 Leadership Frontiers 258

Choice Approaches to Participation	259
<i>Vroom and Yetton's Decision Tree for Leadership</i>	259
<i>The Influence-Power Continuum</i>	263
The Vertical-Dyad Linkage Model	266
<i>In-Group and Out-Group Relationships</i>	266
<i>Consequences of Vertical-Dyad Relationships</i>	267
<i>Training toward In-Group Relationships</i>	269
<i>The Idea of Mentoring</i>	270
Attribution Theory and Leader Perceptions of Poor Performance	270
<i>Attribution Theory and the Individual Employee</i>	271
<i>Extensions to Group Poor Performance</i>	274
<i>Significance for Improving Performance</i>	274
Path-Goal Theory	276
<i>Evans's Views</i>	277
<i>House's Views</i>	277
<i>Evidence</i>	279
Charismatic and Transformational Leaders	279
<i>Formulations Regarding Charismatic Leadership</i>	279
<i>Transactional and Transformational Leaders</i>	281
<i>The Romance of Leadership</i>	285
Key Terms	286
Summary	286
Questions	287
Case Problem: Phyllis McCarthy Glaze, Factory Inspector	288

11 Organization Development 290

Concepts and Values	292
<i>What Is Organization Development?</i>	292
<i>Organization Development and Quality of Work Life</i>	293
<i>The Matter of Values</i>	293
<i>Resistance to Change</i>	295
Process and Technology Stemming from Individual and Group-Membership Concepts	296
<i>Management by Objectives</i>	297
<i>Work Redesign</i>	297
<i>The Scanlon Plan</i>	299
<i>From T-Groups to Team Building</i>	299
<i>Sociotechnical Interventions and Autonomous Groups</i>	301
<i>Quality Circles</i>	303
Process and Technology Stemming from Leadership Concepts	303
<i>Grid Organization Development</i>	303
<i>The Survey-Feedback Approach</i>	308
Organization Development and Performance	309
<i>Overall Evaluations of Research</i>	309
<i>The Problem of Positive-Findings Bias</i>	311
<i>Quantum versus Incremental Change</i>	311
Key Terms	313
Summary	313
Questions	314
Case Problem: W. Warner Burke, Organization Development Consultant	314

PART THREE INDUSTRIAL PSYCHOLOGY 319

12 The Role of Individual, Group, and Cultural Differences 320

The Importance of Individual and Group Differences	322
<i>Group Differences</i>	322
<i>How Groups Are Formed</i>	324

Group Differences Made Important by Legislation	325	Summary	374
<i>Gender Differences</i>	325	Questions	374
<i>Black-White Differences</i>	326	Case Problem: Job Analysis: Problems in New-Product Development	375
<i>Age Difference</i>	328		
<i>The Reason Legally Specified Group Differences Are Important</i>	330		
Cultural Differences	330	14	
<i>Managerial Authority in French Culture</i>	333	Approaches to Performance Appraisal	377
<i>Paternalism in Japanese Culture</i>	334	The Roles of Performance Appraisal	379
<i>Dealing with Cultural Differences</i>	335	<i>The Nature of Performance Appraisal</i>	379
Key Terms	338	<i>Uses of Performance Appraisals</i>	379
Summary	338	Judgmental Appraisal	381
Questions	338	<i>Appraisal by Supervisors</i>	381
Case Problem: Caught between the Courts and Organizational Values: A Bank in Trouble	339	<i>Appraisal by Peers or Subordinates</i>	383
		<i>Alternative Approaches</i>	386
		Objective Measures	395
		<i>Quality and Quantity of Work as Performance Standards</i>	395
		<i>Cost and Profit</i>	396
		<i>Productivity Measurement</i>	397
		<i>Measures of Withdrawal</i>	400
		<i>Measures of Resistance</i>	403
		Appraisal by Attitude Survey	406
		Career Appraisal	406
		Key Terms	407
		Summary	408
		Questions	408
		Case Problem: Management Appraisal: MBO and Alternatives	409
13		15	
Job Analysis and Job Evaluation	341	Performance Rating Systems	411
Job Analysis: Definitions, Applications, and Scope	344	Behavioral Specificity in Rating Systems	413
<i>Terminology of Occupational Study</i>	344	<i>Evaluation against Highly Behaviorally Specific, Formal Role Requirements</i>	413
<i>Applications of Job Analysis</i>	345	<i>Evaluation against Low Behavioral Specificity Criteria</i>	414
<i>Elements of the Job Description</i>	347	Error and Bias in Ratings	415
<i>The Job Specification</i>	349	<i>Halo</i>	415
Methods of Job Analysis	352	<i>Constant Error</i>	419
<i>Observation of the Job Occupant</i>	352	<i>Errors of Central Tendency and Range Restriction</i>	419
<i>Interview of the Job Occupant</i>	353		
<i>Job Occupant Description</i>	354		
<i>Examination of Previous Job Descriptions</i>	355		
<i>Examination of Work Materials</i>	355		
<i>Performance of Work Activities</i>	355		
Developing Job Families	357		
<i>The Position Analysis Questionnaire</i>	358		
<i>Career Ladders and Functional Job Analysis</i>	360		
<i>Using the Approaches</i>	361		
Job Evaluation	363		
<i>Methods of Job Evaluation</i>	363		
<i>Selecting a Job Evaluation Method</i>	367		
<i>Bias in Evaluating Jobs</i>	369		
<i>The Comparable-Worth Issue</i>	370		
Key Terms	373		

<i>Recency Error</i>	419	<i>Differential Validity</i>	460
<i>Similar-to-Me Errors</i>	420	Limitations on Selection	462
<i>Personal Bias</i>	420	<i>Sources of Failure</i>	462
<i>Bias and Equal Employment Opportunity</i>	420	<i>Self-Selection and Realistic Job Previews</i>	464
<i>Reducing Error through Training</i>	421	<i>The Invasion-of-Privacy Question</i>	466
Types of Rating Methods	421	<i>Union Influence</i>	466
<i>Rating Scales</i>	421	<i>Return on the Investment</i>	467
<i>Employee Comparison Systems</i>	423	Key Terms	468
<i>Behavior Lists</i>	425	Summary	469
<i>Essay Evaluations</i>	431	Questions	469
<i>Performance Simulations</i>	433	Case Problem: Selection Processes: City	
Resistance to Evaluation	434	Government Priorities	470
<i>Seniority and Union Resistance</i>	435		
<i>Overcoming Resistance</i>	436		
<i>Legal Considerations</i>	437		
Usefulness of Appraisal Methods	438		
<i>Judged Usefulness</i>	438		
<i>Use as a Criterion</i>	440		
Key Terms	440		
Summary	440		
Questions	441		
Case Problem: Performance Appraisal: The Rated Ranking Technique at Georgia Kaolin	442		
<hr/>			
16		17	
Research Designs and Selection Models	445	Interviews, Application Blanks, and References	471
The Longitudinal Prediction Model	447	The Interview	474
<i>Case 1: Single Predictor</i>	447	<i>What Is Known</i>	474
<i>Case 2: Multiple Predictors</i>	448	<i>Types of Employment Interviews</i>	481
The Concurrent Model	452	<i>The Interview and Selection Models</i>	482
Other Approaches to Validation	453	Application Blanks and Biographical Inventories	483
<i>Content and Construct Validity</i>	453	<i>Application Blanks</i>	483
<i>Moderator Variables</i>	454	<i>Weighting Application Blank Items</i>	484
<i>Utility Analysis in Selection</i>	455	<i>Biographical Inventories</i>	486
<i>Validity Generalization</i>	456	References and Background	
Reliability	457	Investigations	491
<i>Test-Retest Reliability</i>	457	<i>Validity Considerations</i>	491
<i>Parallel-Form Reliability</i>	457	<i>Written Recommendations and Field Investigations</i>	492
<i>Internal Consistency Reliability</i>	458	<i>Legal Considerations</i>	493
<i>Interrater Reliability</i>	458	Key Terms	494
<i>Reliability and Validity</i>	459	Summary	494
Selection and Fair Employment	460	Questions	495
<i>Validation Requirements</i>	460	Case Problem: Validation of Selection Procedures: Comprehensive Analysis in an Oil Company	495
		18	
		Employment Testing	497
		Testing Abilities	499
		<i>Multiability Tests</i>	499
		<i>Tests of Special Intellectual Abilities</i>	501

<i>Psychomotor and Physical Ability Tests</i>	502	<i>Committee Assignments</i>	541
<i>General Pattern of Validities: Abilities</i>	504	Methods and Approaches in Employee	
Testing Personality	506	Training	542
<i>Self-Report Techniques</i>	506	<i>On-the-Job Training</i>	542
<i>Projective Techniques</i>	508	<i>Vestibule Training</i>	543
<i>Graphology</i>	511	<i>Orientation Training and Socialization</i>	543
<i>Drug Testing</i>	511	<i>Apprenticeship</i>	545
<i>General Pattern of Validities: Personality</i>	512	<i>Individualized Instruction</i>	545
Testing Skills and Achievements	513	<i>Individual and Team Simulations</i>	547
<i>Work Sample Procedures</i>	513	Career Planning and Development	549
<i>Achievement Tests</i>	515	<i>Activities Involved</i>	549
<i>General Pattern of Validities: Skills and</i>		<i>Evaluation</i>	551
<i>Achievements</i>	516	Key Terms	553
Using and Not Using Tests	516	Summary	553
Key Terms	518	Questions	554
Summary	518	Case Problem: Sales Training: The
