## CONTENTS

List of Abbreviations	iv
Chapter 1	4
Chapter 1 A short history of discoveries and studies	ו ר
Bernabò Brea and the Aeolian Islands	
The time of catalogues: Taylour and Biancofiore	3 A
Lucia Vagnetti and the first theoretical approach	4 6
The congresses and the rediscovery of Sardinia	0 7
Alternative views	/ و
The results of archaeometric analyses: the recent research	۰ ۵
a critical review of current research	7
Explanatory models	11
Chronology	
Archaeometric analyses	
,	
Chapter 2	17
Definitions	17
Essential terms	17
Functional context	19
Depositional context	19
Cultural context	19
Database	
Visits to sites	
Recognition of patterns of usage	24
Theoretical Models	
Models of production and consumption	
Two researchers of consumption models	
Contextual archaeology	
Inductive-analogical model	
	20
The comparative anthropological model: globalisation	
Consumption approaches	29
	29
Consumption approaches Last word on the exchange models	29 30
Consumption approaches Last word on the exchange models Chapter 3	29 30 31
Consumption approaches Last word on the exchange models Chapter 3 Introduction.	29 30 31 31
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery	29 30 31 31 32
Consumption approaches Last word on the exchange models Chapter 3 Introduction.	29 30 31 31 32
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms	29 30 31 31 32 37
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4	29 30 31 31 32 37 43
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction	29 30 31 32 37 43 43
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations	29 30 31 32 37 43 43 43
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations Regional studies	29 30 31 32 37 43 43 43 46 51
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations Regional studies Eastern Sicily and the Aeolian Islands	29 30 31 32 37 43 43 43 51 51
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction. General Observations Regional studies Eastern Sicily and the Aeolian Islands Western Sicily	29 30 31 32 37 43 43 43 43 51 51
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations Regional studies Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia	29 30 31 32 37 43 43 43 51 51 54 55
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations. Regional studies. Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia	29 30 31 32 43 43 43 43 51 51 55 57
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations Regional studies Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia Ionian coast Two "minor" routes: the Tyrrhenian and Adriatic coast	29 30 31 32 37 43 43 43 51 54 55 57 58
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations. Regional studies. Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia	29 30 31 32 37 43 43 43 51 54 55 57 58
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations Regional studies Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia	29 30 31 32 37 43 43 51 54 55 57 58 60
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations Regional studies Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia Ionian coast Two "minor" routes: the Tyrrhenian and Adriatic coast	29 30 31 32 37 43 43 43 51 51 55 57 58 60 63
Consumption approaches Last word on the exchange models Chapter 3. Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations Regional studies Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia Ionian coast Two "minor" routes: the Tyrrhenian and Adriatic coast Discussion	29 30 31 32 37 43 43 43 51 51 55 57 58 60 63 63
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations Regional studies Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia Ionian coast Two "minor" routes: the Tyrrhenian and Adriatic coast Discussion Chapter 5 Introduction	29 30 31 32 37 43 43 43 51 51 54 55 57 58 60 63 63 64
Consumption approaches Last word on the exchange models Chapter 3 Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Chapter 4 Introduction General Observations Regional studies Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia	29 30 31 31 32 37 43 43 51 51 54 55 57 58 60 63 63 64 65
Consumption approaches Last word on the exchange models Chapter 3 Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations Regional studies Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia Ionian Apulia Ionian coast Two "minor" routes: the Tyrrhenian and Adriatic coast Discussion Chapter 5 Introduction Settlements	29 30 31 32 43 43 43 51 51 54 55 57 58 60 63 63 64 65 67
Consumption approaches Last word on the exchange models Chapter 3 Introduction	29 30 31 32 43 43 43 51 51 54 55 55 55 60 63 64 65 67 74
Consumption approaches Last word on the exchange models Chapter 3 Introduction Form and function in Aegean LBA pottery Linear B ideograms Chapter 4 Introduction General Observations Regional studies Eastern Sicily and the Aeolian Islands Western Sicily Ionian Apulia Ionian coast Two "minor" routes: the Tyrrhenian and Adriatic coast Discussion Chapter 5 Introduction Settlements Funerary contexts Regional studies Eastern Sicily and the Aeolian Islands	29 30 31 32 43 43 43 51 51 54 55 55 55 60 63 64 65 67 74
Consumption approaches Last word on the exchange models Chapter 3 Introduction	29 30 31 32 37 43 43 51 51 55 57 58 60 63 63 64 65 67 74 76 77

Ionian coast	
Vivara	
Discussion	
Conclusions	

Chapter 6	
A Past hypothesis in new light	
Evidence other than pottery	
Figurines	
Amber	
Glass	
Ivory	
Metalwork	
Copper oxhide ingots	
Architecture	
Long and not so long distance trade routes	
Pottery and social identity	
The inheritance of Aegean-type contacts into the Iron Age	
Conclusions	
Appendix	
Geological contribution to the understanding of Ionia	
Gazetteer of sites	106
Additional data from visits to Sicilian archaeological museums	176
Additional data from visits to Ionian and Apulian archaeological museums	177
Additional data kindly provided by Dr M. Gorgoglione, Superintendence of Apulia
