Part 1	Today's Psychological Research	1
1	Applied Psychology: An Introduction	2
	<i>W. Jeffrey Burroughs, Clemson University</i>	
	<i>W. Larry Gregory, New Mexico State University</i>	
	A Displaced Preface: Genesis of This Book	3
	Historical Context	4
	The Trend toward Applications	4
	<i>Meeting Society's Needs</i>	4
	<i>Making Psychology Relevant</i>	8
	<i>Supporting and Enriching Theory</i>	8
	Basic Research and Applied Psychology	9
	Mapping the Territory	10
	Glossary	11
2	Research Methods Used in Applied Settings	13
	<i>David Martin, New Mexico State University</i>	
	Getting a Research Idea	15
	Finding Out What Has Been Done	16
	Designing Research	18
	Multiple-Variable Designs	21
	Correlational Designs	23
	Regression Designs	24
	Factor-Analysis Designs	26
	Quasi-experimental Designs	26
	Single-Case and Small-N Designs	29
	Observational Techniques	32
	<i>Case Studies</i>	33
	<i>Activity-Sampling Techniques</i>	34
	<i>Process Analysis</i>	35
	<i>Critical-Incident Techniques</i>	35
	Analysis of Results	37
	Conclusion	39
	Glossary	39

Part 2 Psychology in Business and Industrial Settings 41

3 Engineering Psychology 42

David Martin, New Mexico State University

What Is Engineering Psychology?	44
What Do Engineering Psychologists Do?	46
<i>Job Activities</i>	47
<i>Work Settings</i>	53
<i>What's in the Name?</i>	54
Research and Applications	56
<i>Types of Design Decisions</i>	56
<i>Case Study: Developing the Kodak Disc Camera</i>	66
Conclusion	73
Glossary	73

4 Industrial and Organizational Psychology 75

Peter Dorfman, New Mexico State University

What Is Industrial/Organizational Psychology?	76
<i>Specialty Areas</i>	78
<i>Related Disciplines</i>	79
What Do Industrial/Organizational Psychologists Do?	80
<i>Job Activities</i>	80
<i>Work Settings</i>	81
Research and Applications	84
<i>Personnel Psychology</i>	84
<i>Organizational Psychology</i>	101
<i>Critical Issues Facing the Work Force</i>	113
Conclusion	125
Glossary	126

5 Organizational Development 127

George T. Brennan, Massachusetts Mutual Life Insurance Company

Joe Gabbert, Need Data Central

What Is Organizational Development?	129
What Do Organizational Development Professionals Do?	133
<i>Job Activities</i>	133
<i>Work Settings</i>	139
Research and Applications	144
<i>Team Building</i>	142
<i>Survey Feedback</i>	143
<i>Conflict Resolution</i>	144
<i>Strategic Planning</i>	145

<i>Structural Interventions</i>	146
<i>Case Study of an Office in Transition</i>	146
<i>The Future of Organizational Development</i>	149
Conclusion	152
Glossary	152

6 Applied Cognitive Psychology 154

Kenneth R. Paap, New Mexico State University

What Is Applied Cognitive Psychology?	155
<i>Cognitive Psychology as Information-Processing</i>	155
<i>Past and Present Approaches to Application</i>	158
What Do Applied Cognitive Psychologists Do?	160
Research and Applications	161
<i>Photointerpretation: Schemas and Top-Down Processing in Scene Perception</i>	161
<i>Human Computer Interaction: Errors in Response Selection and Execution</i>	170
Conclusion	179
Glossary	180

7 Consumer Psychology 181

John C. Mowen, Oklahoma State University

What Is Consumer Psychology?	182
<i>Consumer Inputs</i>	182
<i>Information Reception</i>	186
<i>Memory Systems</i>	188
<i>Consumer Decision Making</i>	188
<i>Personal Factors</i>	190
What Do Consumer Psychologists Do?	192
<i>Job Activities</i>	192
<i>Work Settings</i>	193
Research and Applications	195
<i>Split Brains: A Psychological Delicacy</i>	195
<i>Children and Advertising</i>	198
<i>Getting the Consumer to Say Yes</i>	204
Conclusion	208
Glossary	209

Part 3 Psychology in Community Settings 211

8 Clinical Psychology 212

George Chartier, Arizona State University

What Is Clinical Psychology?	213
What Do Clinical Psychologists Do?	214

<i>Job Activities</i>	215
<i>Work Settings</i>	225
Research and Applications	226
<i>A Clinical Case Study</i>	226
<i>Single-Subject Clinical Research</i>	227
<i>Programmatic Clinical Research: Modeling Therapies</i>	230
Conclusion	240
Glossary	241

9 Community Psychology 242

Irwin N. Sandler, Arizona State University

Manuel Barrera, Arizona State University

What Is Community Psychology?	243
<i>Outcome Objectives</i>	243
<i>Ecological Approach to Intervention</i>	245
<i>Historical Context: A Response to Dissatisfaction</i>	246
What Do Community Psychologists Do?	251
<i>Assessing Community Needs and Services</i>	252
<i>Applying Behavioral Techniques to Social Problems</i>	252
<i>Developing Human Service Programs</i>	252
<i>Planning Changes to Solve Social Problems</i>	253
<i>Building Competencies in Individuals and Environments</i>	253
Research and Applications	253
<i>Assessing Community Needs and Services</i>	254
<i>Behavioral Approaches to Community Psychology</i>	259
<i>Development of Human Service Programs</i>	261
<i>Planning Changes to Solve Social Problems</i>	266
<i>Building Competencies in Individuals and Environments: Prevention and Enhancement</i>	269
Conclusion	273
Glossary	273

10 Health Psychology 275

Marc Schaeffer, Uniformed Services University

Andrew Baum, Uniformed Services University

What Is Health Psychology?	276
<i>Models of Stress</i>	278
<i>Effects of Stress</i>	280
<i>Factors That Influence Stress</i>	282
<i>Behavioral Factors in Illness</i>	283
What Do Health Psychologists Do?	285

Research and Applications	286
<i>Behavior and Heart Disease</i>	286
<i>Behavior and Cancer</i>	287
<i>Behavior and Arthritis</i>	288
<i>Health Behavior and Treatment</i>	290
<i>Reducing Medical Distress</i>	293
<i>Attitudes toward Health Care</i>	295
<i>Compliance with Physician Advice</i>	296
Conclusion	298
Glossary	299

11 Applied Social Psychology 301

Steven G. West, Arizona State University
John W. Reich, Arizona State University
Michael A. McCall, Xerox Corporation, Rochester
Arthur Dantchik, First Options, Philadelphia

What Is Applied Social Psychology?	302
<i>Full-Cycle Model</i>	303
<i>Historical Context</i>	304
<i>The Current State</i>	305
What Do Applied Social Psychologists Do?	305
<i>Job Activities</i>	305
<i>Work Settings</i>	306
Research and Applications	307
<i>Research on Perceived Control and Health</i>	307
<i>Interventions in Educational Settings: Retraining of</i> <i>Attributions for Success and Failure</i>	311
<i>Competitiveness, Achievement, and Race Relations:</i> <i>The Jigsaw Classroom</i>	314
<i>Research on Smoking and Substance-Abuse</i> <i>Prevention</i>	319
Conclusion	325
Glossary	326

12 Psychology and the Law 327

Valerie P. Hans, University of Delaware

What Is Legal Psychology?	328
What Do Legal Psychologists Do?	330
Research and Applications	330
<i>Prediction of Violent Behavior</i>	331
<i>The Insanity Defense</i>	337
<i>Eyewitness Testimony</i>	342
<i>The Psychology of Jury Selection</i>	350

<i>Psychologists and Criminal Behavior: A Focus on Rape</i>	356
<i>Other Topics in the Psychology-Law Area</i>	362
Conclusion	366
Glossary	368

13 Applied Environmental Psychology 369
W. Jeffrey Burroughs, Clemson University

What Is Environmental Psychology?	370
<i>Applied Orientation</i>	370
<i>Interdisciplinary Nature of the Field</i>	371
<i>Interrelationship of Environment and Behavior</i>	371
<i>Level of Analysis</i>	373
What Do Applied Environmental Psychologists Do?	374
<i>Job Activities</i>	374
<i>Work Settings</i>	376
Research and Applications	377
<i>Interpreting the Environment: The Problem of Wayfinding</i>	378
<i>Interpreting the Environment: Differences between People</i>	380
<i>Acting in the Environment: Reinforcement of Environmentally Relevant Behavior</i>	381
<i>Acting in the Environment: Proxemics</i>	384
<i>Responding to the Environment: Impact of the Physical Environment</i>	390
<i>Responding to the Environment: Ecological Psychology</i>	382
<i>Evaluating the Environment: Environmental Attitudes</i>	394
<i>Evaluating the Environment: Environmental Assessment</i>	395
Conclusion	397
Glossary	399

Part 4 Psychology and Human Development 401

14 Applied Psychology in Education 402
Timothy J. Pettibone, University of Tennessee
Hal W. Jernigan, University of Tennessee

What Is School Psychology?	404
What Do School Psychologists Do?	405
<i>Historical Perspective</i>	405
<i>Job Activities</i>	408
<i>Work Settings</i>	410

Issues in School Psychology	410
Careers in School Psychology	411
What Is Applied Educational Psychology?	411
What Do Applied Educational Psychologists Do?	413
<i>Job Activities</i>	413
<i>Work Settings</i>	414
Research and Applications	415
<i>What is Known about Effective Teaching</i>	415
<i>How Human Beings Learn</i>	419
<i>Careers in Educational Psychology</i>	421
Conclusion	422
Glossary	422

15 Applied Sport Psychology 424

*Mark Ansel, University of Wollongong
Wollongong, New South Wales, Australia*

What Is Sport Psychology?	424
<i>Sport Psychology and Athletic Performance</i>	426
<i>Historical Context</i>	429
What Do Sport Psychologists Do?	430
<i>Job Activities</i>	431
<i>Work Settings</i>	433
Research and Applications	434
<i>Educational Psychology</i>	435
<i>Social Psychology</i>	437
<i>Developmental Sport Psychology</i>	439
<i>Experimental Sport Psychology</i>	441
<i>Counseling Sport Psychology</i>	445
<i>Health and Exercise Psychology</i>	449
<i>Personality Psychology</i>	453
Conclusion	454
Glossary	456

16 Applied Developmental Psychology 457

*Nancy Eisenberg, Arizona State University
Jerry Harris, Arizona State University
Karlsson Roth, Arizona State University*

What Is Applied Developmental Psychology?	458
What Do Applied Developmental Psychologists Do?	459
<i>Historical Context</i>	459
<i>Job Activities and Work Settings</i>	460
Research and Applications	460
<i>Infant Development</i>	460

	<i>Day Care and Intervention Programs in the Preschool Years</i>	475
	<i>Assessment and Training of Social Skills in Children</i>	484
	<i>Stimulation of Cognitive Performance in Old Age</i>	493
	Conclusion	496
	Glossary	496
Appendix A	An Introduction to Program Evaluation	497
	<i>W. Larry Gregory, New Mexico State University</i>	
	What Is Program Evaluation?	498
	<i>Purposes of Program Evaluation</i>	498
	<i>Program Evaluation as a Profession</i>	499
	Strategies in Evaluation	500
	<i>Factors to Consider in Planning Evaluations</i>	501
	<i>Methodologies for Evaluation Research</i>	503
	<i>Medical and Tailored Models of Evaluation</i>	507
	Issues in Program Evaluation	509
	<i>Withholding Treatment</i>	509
	<i>Bureaucratic Resistance to Program Evaluations</i>	509
	<i>Cost-Benefit Analysis</i>	511
	The Experimenting Society	512
Appendix B	Resources for Additional Information on Applied Psychology	514
	<i>W. Jeffrey Burroughs, Clemson University</i>	
	<i>W. Larry Gregory, New Mexico State University</i>
