PART 1	UNDERSTANDING MARKETING MANAGEMENT	1
Chapter 1	Introduction to marketing	2
	The value of marketing	4
	Making marketing central	4
	The scope of marketing	6
	What is marketing?	6
	Marketing during challenging economic times	8
	Marketing's rôle in creating demand	9
	The new European marketing realities	10
	Technology	11
	Globalisation	12
	Social responsibility	13
	A dramatically changed marketplace	13
	Changing channels	17
	Exploring the range of business philosophies	19
	The production philosophy	20
	The product philosophy	20
	The selling philosophy	20
	The marketing philosophy	20
	The holistic marketing philosophy	21
	Overview of marketing management	27
Chapter 2	Understanding marketing management within a global context	34
	What is management?	36
	The process of management	36
	Why is management difficult?	42
	What is marketing management?	45
	The core marketing management skills	45
	Managing across the organisation	47
	Managing networks, relationships and interactions	49
	Managing innovation and change	52
	Understanding global marketing management	53
	Deciding whether to go abroad	54
	Deciding how to enter the market	55
	Deciding which markets to enter	57
	Deciding on standardised or adapted marketing	59
	Managing in developing markets	60

Chapter 3	Developing marketing strategies and plans	70
	Marketing and customer-perceived value	72
	Business environment paradigm change	72
	The value delivery process	72
	The value chain	74
	Core competencies	75
	A holistic marketing orientation and customer-perceived value	79
	The central role of corporate strategic planning	80
	Corporate and divisional strategic planning	82
	Defining the corporate mission	82
	Relationship between missions and visions	84
	Organisation and organisational culture	85
	Defining the business	85
	Assigning resources to each strategic business unit	86
	Building the corporate business portfolio – assessing growth opportunities	88
	Guidelines for concentric diversification	92
	Guidelines for horizontal diversification	93
	Guidelines for conglomerate diversification	93
	Business unit strategic planning	97
	The business mission	97
	SWOT analysis	98
	Critique of conventional SWOT analysis	101
	Goal formulation	102
	Strategic formulation	102
	Programme formulation and implementation	103
	Feedback and control	105
	The nature and content of a marketing plan	105
	Contents of the marketing plan	106
	Sample marketing plan: Euromart	107
	Introduction	107
Chapter 4	Managing digital technology in marketing	114
	Digital technologies in marketing	116
	Understanding digital marketing	117
	The range of technologies in marketing	118
	Informational and interaction perspectives	120
	Managing digital technologies	122
	Selection of digital technologies	123
	Supporting the adoption of digital technologies	123
	Exploitation of digital technologies	125
	Uniting marketing and IT staff	125
	Understanding the digital customer: web, social and mobile	127
	The web	127
	Understanding social networking	131
	Mobile and smartphones	139
	Part 1 Case study: Virgin Atlantic	147

PART 2	CAPTURING MARKETING INSIGHTS	149
Chapter 5	The changing marketing environment and information management	150
	The company environment	152
	The marketing environment	152
	Analysing the macroenvironment	152
	The sociocultural and demographic environment	155
	The economic environment	160
	The social-cultural environment	161
	The ecological and physical environment	162
	The technological environment	166
	The political-legal environment	167
	Managing the marketing information system	168
	Components of a modern marketing information system	168
	Internal records	170
	The marketing intelligence system	170
	Databases, data warehousing and data mining	172
Chapter 6	Managing market research and forecasting	182
	The marketing research system	184
	The marketing research process	185
	Step 1: define the problem, the decision alternatives and the research objectives	186
	Step 2: develop the research plan	187
	Step 3: collect the information	199
	Step 4: analyse the information	200
	Step 5: present the findings	201
	Step 6: make the decision	202
	Overcoming barriers to the use of marketing research	202
	Measuring marketing productivity	204
	Marketing-mix modelling	204
	Forecasting and demand measurement	204
	The measures of market demand	205
	A vocabulary for demand measurement	206
	Estimating current demand	208
	Estimating future demand	210
Chapter 7	Analysing consumer markets	216
	The study of consumer behaviour	218
	Culture	218
	Social groups	221
	The individual consumer	223
	The interaction between dimensions	227
	Key psychological processes	227
	Motivation: Freud, Maslow, Herzberg	228
	Perception	229
	Learning	231
	Memory	231
	Perspectives on consumer behaviour	233
	The behaviourist perspective	233

	The information-processing perspective	233
	The emotional perspective	234
	The cultural perspective	236
	A multi-perspective approach	237
	The buying decision process: the five-stage model	237
	Problem recognition	239
	Information search	239
	Evaluation of alternatives	240
	Purchase decision	242
	Post-purchase behaviour	244
	Other theories of consumer decision making	246
	Level of consumer involvement	246
	Behavioural decision theory and behavioural economics	249
	Decision heuristics	251
	Framing	251
	Mental accounting	251
	Profiling consumer product buying and usage behaviour	252
Chapter 8	Analysing business markets	260
	What is organisational buying?	262
	The business market versus the consumer market	262
	Buying situations	265
	Systems buying and selling	267
	Participants in the business buying process	268
	The buying centre	268
	Buying centre influences	269
	Targeting firms and buying centres	269
	The purchasing/procurement process	270
	Stages in the buying process	271
	Problem recognition	271
	General need description and product specification	272
	Supplier search	272
	Proposal solicitation	274
	Supplier selection	274
	Order-routine specification	277
	Performance review	277
	Managing business-to-business relationships	278
	The role of uncertainty in business relationships	278
	Transaction cost economics	279
	Network theory	280
	Vertical coordination	282
	Institutional and government markets	285
Chapter 9	Dealing with competition	294
	Competitive forces	296
	Identifying competitors	297
	Analysing competitors	299
	Strategies	300
	Objectives	300
	Strengths and weaknesses	301

Selecting competitors	302
Selecting customers	303
Competitive strategies for market leaders	304
Expanding the total market	306
Protecting market share	307
Expanding market share	310
Other competitive strategies	311
Market-challenger strategies	311
Market-follower strategies	313
Market-nicher strategies	314
Balancing customer and competitor orientations	316
Competitor-centred companies	316
Customer-centred companies	317
Competing in an economic downturn	317
Explore the upside of increasing investment	317
Get closer to customers	318
Review budget allocations	319
Put forth the most compelling value proposition	319
Fine-tune brand and product offerings	320
Part 2 Case study: Cheese odour marketing	324
PART 3	CONNECTING WITH CUSTOMERS
	327
Chapter 10	Seeking and developing target marketing differentiation strategies
	328
Levels of market segmentation	330
Segment group marketing	330
Niche marketing	331
Local marketing	333
Individual marketing	336
Bases for segmenting consumer markets	337
Geographic segmentation	337
Demographic segmentation	339
Life stage	341
Gender	341
Psychographic segmentation	346
Behavioural segmentation	348
Bases for segmenting business markets	352
Market targeting	353
Effective segmentation criteria	353
Evaluating and selecting market segments	355
Additional considerations	356
Creating differentiation and positioning strategies	358
Positioning	359
Establishing category membership	362
Choosing POPs and PODs	363
Creating POPs and PODs	365
Perceptual or positioning mapping	366

	What can positioning analysis do for a company's business?	366
	Positioning maps	367
	Developing a positioning strategy	367
	Repositioning	368
	Developing and communicating a differentiation strategy	369
	Cost leadership	369
	Distinctive superior quality	369
	Cost leadership and differentiation	370
	Differentiation strategies	370
	The purpose of positioning	371
Chapter 11	Creating customer value, satisfaction and loyalty	378
	Building customer value	380
	Customer-perceived value	383
	Building customer satisfaction	386
	Brand inertia and brand loyalty	386
	Total customer satisfaction	388
	Market offering quality dimension	392
	Maximising customer lifetime value	393
	Customer profitability	393
	Customer lifetime value – conceptual dream or real-time activity?	395
	Cultivating customer relationships	395
	Customer relationship management	396
	Attracting and retaining customers	398
	Building customer loyalty	401
	Improving loyalty	401
	Developing loyalty programmes	403
	Recapturing customers	406
	The experience economy	406
	The value experience	406
	The empowered customer	409
	Interactive marketing	410
	Complexity of markets	410
	Emotional turn	411
Chapter 12	Creating and managing brands and brand equity	420
	Understanding branding	423
	What is a brand?	423
	The roles of brands	424
	Managing brands: consumers and channels	427
	Strategic brand management decisions	428
	Creating and managing brand identities: names, logos, slogans and images	431
	Managing individual or house brand names	436
	Managing brand extensions	437
	Managing brand portfolios	442
	Brand reinforcing and revitalisation	443
	Leveraging secondary associations	447
	Growing, sustaining and managing brand equity	447

Chapter 13	Digital and global brand management strategies	460
	What is a digital brand?	462
	Digital branding as a core management requirement	463
	Understanding the digital brand experience	463
	Understanding the new consumer decision journey	465
	Branding and social networking	467
	Linking social networking and the consumer decision journey	469
	Customer-managed brands	470
	Digital brand communities	472
	Online brand communities' member characteristics	473
	Managing global brands	474
	Factors leading to increased global branding	477
	Managing iconic global brands	478
	Operating a global brand strategy	479
	Branding in developing economies	485
	Celebrity branding	488
	How to use celebrities successfully	488
	Countries and places as brands	490
	Part 3 Case study: San Pellegrino	498
PART 4	SHAPING AND PRICING THE MARKET OFFERING	501
Chapter 14	Designing, developing and managing market offerings	502
	Product life-cycle marketing strategies	504
	Product life cycles	504
	Style, fashion and fad life cycles	505
	Marketing strategies: the introduction stage and the pioneer advantage	506
	Marketing strategies: the growth stage	510
	Marketing strategies: the maturity stage	511
	Marketing strategies: the decline stage	515
	Evidence on and critique of the product life cycle concept	515
	Critique of the product life cycle concept	516
	Market evolution	517
	Emergence	518
	Growth	518
	Maturity	518
	Decline	519
	Product (market offering) characteristics and classifications	519
	Product levels: the customer-perceived value hierarchy	520
	Product/market offerings classifications	522
	Differentiation	524
	Market offering differentiation	524
	Design differentiation	528
	Service differentiation	528
	Product and brand relationships	529
	The product/market offering hierarchy	529
	Product/market offering systems and mixes	530
	Product-line analysis	531

	Product line length	533
	Product-mix pricing	537
	Co-branding and ingredient branding	539
	Packaging, labelling, warranties and guarantees	540
	Packaging	540
	Labelling	545
	Warranties and guarantees	546
Chapter 15	Introducing new market offerings	552
	New market offering options	554
	Make or buy?	554
	Types of new product	554
	Challenges in new product/market offering development	555
	The innovation imperative	555
	New product/market offering success	556
	New product/market offering failure	557
	Organisational arrangements	558
	Budgeting for new product development	561
	Organising new product/market offering development	561
	Managing the development process, Stage 1: ideas	562
	Process stages	562
	Idea generation	563
	Idea screening	569
	Managing the development process, Stage 2: concept to strategy	571
	Concept development and testing	571
	Marketing strategy development	574
	Business analysis	574
	Managing the development process, Stage 3: prototype to commercialisation	576
	Product and market development	576
	Market testing	577
	Commercialisation and launch	580
	The consumer adoption process	582
	Stages in the process	582
	Factors influencing the process	583
Chapter 16	Developing and managing pricing strategies	590
	Understanding pricing	592
	A changing pricing environment	592
	How companies price	593
	Consumer psychology and pricing	595
	Setting the price	598
	Step 1: selecting the pricing objective	598
	Step 2: determining demand	600
	Step 3: estimating costs	602
	Step 4: analysing competitors' costs, prices and offers	605
	Step 5: selecting a pricing method	605
	Step 6: selecting the final price	612
	Adapting the price	613
	Geographical pricing (cash, countertrade, barter)	614

	Price discounts and allowances	614
	Promotional pricing	615
	Differentiated pricing	615
	Initiating and responding to price changes	617
	Initiating price cuts	617
	Initiating price increases	617
	Responding to competitors' price changes	619
	Part 4 Case study: Burberry	625
PART 5	COMMUNICATING VALUE	627
Chapter 17	Designing and managing marketing communications	628
	The role of marketing communications	630
	The changing marketing communication environment	630
	Marketing communications, brand equity and sales	631
	The communications process models	634
	Developing effective communications	636
	Identify the target audience	636
	Determine the communications objectives	637
	Design the communications	637
	Select the communications channels	642
	Establishing the total marketing communications budget	646
	Financial considerations	647
	Deciding on the marketing communications mix	647
	Characteristics of the mix	648
	Factors in setting the mix	650
	Measuring results	652
	Managing the integrated marketing communications (IMC) process	653
	Coordinating media	653
	Implementing IMC	654
	IMC or interconnected programmatic marketing communication?	655
	The growing importance of social media	656
	Media planning – revolution or evolution?	656
Chapter 18	Managing mass and personal communications	662
	Developing and managing an advertising programme	664
	Setting objectives	665
	Deciding on the advertising budget and developing the advertising campaign	665
	Managing media matters	669
	Evaluating advertising effectiveness	675
	Sales promotion	676
	Setting objectives	677
	Advertising versus sales promotion	677
	Major decisions	678
	Events, experiences, public and press relations	680
	Setting objectives	680
	Major sponsorship experiences	682
	Creating experiences	683

	Major decisions in marketing public relations	685
	Marketing public relations	686
	Major decisions in marketing press relations	687
	Direct marketing	689
	Setting objectives	689
	The benefits of direct marketing	690
	Direct marketing issues	691
	Catalogue marketing	692
	Telemarketing	692
	Other media for direct response marketing	692
	Public and ethical issues	693
	Interactive marketing	693
	Brave new world requires a deeper understanding of consumers	694
	Placing advertisements and promotions online	695
	Developing and managing the sales force	698
	Setting objectives and strategy	698
	Sales force management issues	699
	Key principles of personal selling	702
	The six steps of selling	702
	Relationship activity	703
	Relationship marketing	703
	Part 5 Case study: H&M	711
PART 6	DELIVERING VALUE	715
Chapter 19	Designing and managing integrated marketing channels and global value networks	716
	Marketing channels and value networks	718
	The importance of channels	718
	What is the role of marketing channels?	725
	Channel functions and flows	725
	Channel levels	726
	Service-sector channels	727
	Channel-design decisions	728
	Analysing customer needs and wants	728
	Establishing objectives and constraints	730
	Identifying major channel alternatives	730
	Evaluating major channel alternatives	732
	Channel-management decisions	734
	Selecting channel members	734
	Evaluating channel members	736
	Modifying channel design and arrangements	736
	Channel modification decisions	736
	Global channel considerations	738
	Channel integration and systems	739
	Vertical marketing systems	739
	Managing conflict, cooperation and competition	740
	Types of conflict and competition	741
	Managing channel conflict	741
	Integrating multichannel and omnichannel marketing systems	743
	Online, mobile and digital channel management	746

	Pure-click or online-only companies	746
	Online and brick-and-click companies	747
	Mobiles and smartphones	748
	Location-based mobile	750
Chapter 20	Managing process, people and physical evidence	756
	Process design and management	758
	A service process blueprint	760
	Managing flexibility within the service design	764
	Managing variability	764
	The service process and customer satisfaction	765
	Managing efficiency within the service process	767
	Managing people at the customer interface	769
	Training service personnel	771
	Hiring service personnel	772
	Service personnel failure and recovery	773
	Customer participation	773
	Co-creation of value	774
	Level of engagement	774
	Managing the role of the customers	776
	Managing the physical evidence and experience environment	777
	Senses management within the experience environment	779
	Managing digital technology at the customer interface	783
	Managing the internet at the customer interface	783
	Self-service kiosks	784
	RFID at the customer interface	785
	Part 6 Case study: Apple Stores	790
PART 7	MANAGING MARKETING IMPLEMENTATION AND CONTROL	793
Chapter 21	Implementing marketing management	794
	Restructuring marketing practices	796
	Internal marketing	796
	Critique of internal marketing	797
	Organising the marketing department	799
	Relations with other departments	804
	Building a creative marketing organisation	804
	Taking the creative approach	805
	Building a creative culture	807
	Creativity – a mystical gift for some or something for all?	808
	Maintaining momentum	808
	Marketing implementation	809
	Leadership	810
	Methodology and making room for creativity	810
	Foster a creative marketing culture	810
	Socially responsible marketing	811
	Corporate social responsibility	811
	Socially responsible business models	815

	Cause-related marketing	817
	Cause-marketing benefits and costs	818
	Social marketing	819
	Ethnic marketing	821
	Green marketing	821
	Digital and traditional marketing are inseparable	825
	Reach and display	825
	Marketing revisited	826
	The marketing manager's key tasks	826
	Marketing morphs to greater focus on customer engagement, involvement and experience	828
	Getting started	829
Chapter 22	Managing marketing metrics	836
	The need for marketing metrics	838
	What marketing metrics should do	839
	The chain of marketing productivity	840
	Measuring the past, the present or the future	843
	Measuring marketing performance and productivity	843
	Counting-based metrics	843
	Accounting-based metrics	844
	Outcome metrics	845
	Corporate social responsibility	858
	Marketing dashboards	859
	Part 7 Case study: Unilever	866
	<i>Appendix: Apricot marketing plan and exercises</i>	868
	<i>Glossary</i>	882
	<i>Index</i>	901
