

CONTENTS

INTRODUCTION 9

PART 1. THEORY 11

- I. The object with infinitive construction: type A 11
1. The Pseudo-cleft form, concord and selectional restrictions
Surface formulae 11
 2. Ways of showing the ditransitive character of the A-construction 13
- II. The object with infinitive construction: type B
- Similarities and dissimilarities of A- and B-constructions 15
1. Voice transformation of the infinitive clause 15
 2. The monotransitive type of voice transformation 17
 3. Interpretation of A- and B-constructions and similar structures 21
 4. Verb-object selectional restrictions 23
 5. Subject Raising and the Split Object. Clause-mates and
clause-mate constraints 24
- III. Shift between A- and B-constructions 32
- IV. The subject with infinitive construction 37

PART 2. DATA AND DATA ANALYSIS 44

I. INTRODUCTION 44

II. THE VERB GROUPS 48

1. Constructions with an adverbial infinitive 48
- 2-19. Complement constructions 57
- 2-4. A-verbs with a pure to-infinitive marker 57
2. A-verbs of 'telling/asking' that admit 'Pseudo-clefting' 57
3. A-verbs with an Oi-preposition 62
4. A-verbs without an Oi-preposition 68
5. A-verbs with a prepositional to-infinitive marker 83
6. A-verbs with the preposition into + PrP 93
7. A- and A/B-verbs with the preposition/complementizer from + PrP 96
8. B-verbs with a relation to the S_1/S_2 -construction and optional
for-complementizer 103

9. B-verbs with the preposition for and to-I 118
10. Shift verbs with a (to-)I 124
11. A/B-verbs of 'caused progression' and B-verbs of 'experience' 154
12. B-verbs of 'physical perception' 162
13. A- and B-verbs of 'physical perception' and/or 'mental processes' 179
14. B-verbs of 'mental processes' and 'affirmation' with a PrP 196
15. B-verbs of 'mental processes' and 'affirmation' with a to-I 201
16. A- and B-verbs with a to-I that only or normally occur in the passive 206
17. B-verbs of 'mental processes' and 'affirmation' with a verbless complement 216
18. B/C-verbs of 'mental processes' and 'affirmation' with as-structure as obligatory constituent 223
19. C-verbs with a verbless complement 233
20. Constructions with as-structure as optional adverbial 254

III. CONCLUSION 267

1. The continuum 267
2. Token/type ratio 272
3. The most frequent verbs in the Corpus 274
